Effective immediately, the following changes will apply to **The Villas, The Heritage and The Ridgewood.**

  - Visitors are to screen before each visit using the Accushield screening kiosk located in the reception area. If you visit more than once a day you must screen each time.

    - DO NOT enter the building without a completed screening.
    - You must display your screening tag on your person at all times while in the building.
    - If you intend to visit more than one resident, note all of the residents' names as prompted in the Accushield kiosk while screening in.
  - Visitors are NOT PERMITTED in the dining rooms. If you are joining your resident for a meal it must be consumed in his/her room/apartment.
  - Common areas may be used for family gatherings but must be planned prior to the gathering with the receptionist. Visitors are not permitted in common areas when other residents are present.
