

ATTENTION ST. PAUL'S COMMUNITY LIVING RESIDENTS, FAMILY MEMBERS AND TEAM MEMBERS

3/9/2020 COVID-19 UPDATE – *please read this in its entirety.*

St. Paul's Senior Living Community, Greenville, PA, continues to evaluate its preparedness in response to information and recommendations shared by the Centers for Disease Control (CDC), Centers for Medicare and Medicaid Services (CMS) the Pennsylvania Department of Health (PA-DOH) and others. As you know, St. Paul's serves a fragile population and we have a responsibility to implement a plan of action to protect our population and our workforce.

COMMUNITY LIVING HOUSES

In light of several new bulletins from Governor Wolf's office and the Centers for Disease Control and Prevention the following guidelines now apply in our community living homes on Jamestown Rd. and Oakview Dr.

1. Effective immediately, residents may gather in small groups in the home WITHOUT masks or social distancing. Good hand hygiene is still important.
2. Community Living team members are now required to ONLY wear a surgical mask while working in the house. There is no further need to wear face shields or goggles.
3. Visitors from out of state are permitted to visit. All visitors in the home are still required to wear a mask and social distance during their visit.
4. Families are encouraged once again to assist in scheduling medical appointments and providing transportation to the appointments. Masks and social distancing apply when possible.
5. Families and friends are welcome to take residents out of the house. In public, residents should still wear a mask, maintain social distance and avoid crowds and poorly ventilated spaces. Remember to use good hand hygiene when in public.
6. Please keep in mind that all of these guidelines are subject to change with future guidance released from the regulatory bodies listed above.

As always, we encourage you to refer to the CDC, CMS and PA DOH websites for more information. Please monitor our website (www.stpauls1867.org) and Facebook page (stpaulsseniorlivingcommunity) for updated information.
