

ATTENTION: HERITAGE AND RIDGEWOOD RESIDENTS, FAMILY MEMBERS AND TEAM MEMBERS

IMPORTANT – 12/4/2020 COVID-19 UPDATE – *please read this in its entirety.*

In accordance with shared recommendations from the Centers for Disease Control, Centers for Medicare and Medicaid Services (CMS), the Pennsylvania Department of Health (PA DOH) and others, St. Paul's is in the process of administering our weekly widespread team member COVID-19 testing.

We have received the majority of our test results for staff and all of our results for residents from our weekly resident and team member testing for the week ending December 4, 2020. We also continue to screen staff and residents daily for signs and symptoms and recommend consultation with a clinician to determine whether symptomatic testing is necessary.

Since our last update we have had no residents or staff at either the Heritage or Ridgewood test positive for Covid-19.

We will continue weekly testing for both residents and team members next week and will keep you posted as to those results. We are also continuing to maintain a "Yellow Zone" status for most of the residents at this time as per guidance and recommendations set forth by CMS and PA DOH. Please refer to our website for additional information relating to "Zones."

If you have any questions regarding this communication or St. Paul's plan of action please contact Dianna Jones, Administrator at The Heritage or Mickie Chapman, Administrator at The Ridgewood.
