

ATTENTION ST. PAUL'S RESIDENTS AND FAMILY MEMBERS

7/24/2020 COVID-19 UPDATE – *please read this in its entirety.*

St. Paul's Senior Living Community, Greenville, PA, continues to adjust its action plan in response to information, recommendations and requirements shared by the Centers for Disease Control (CDC), Centers for Medicare and Medicaid Services (CMS) the Pennsylvania Department of Health (PA-DOH) and others. As you know, St. Paul's serves a fragile population and we have a responsibility to implement a plan of action to protect our population and our workforce. ***Please keep in mind that all of the steps we are taking are in the best interest of the health and safety of residents and staff.*** Also note, that our plan of action is subject to change as new information becomes available.

Weekly Update:

- We have no significant updates for this week. **However, in reference to the guidance that was released on June 26, 2020 by The PA Department of Health, we are in the final stages of the development of our plan of action. This action plan will provide details to allow for outdoor family visitation, the reopening of the beauty shops, and relaxation of some restrictions related to dining and activities for residents. Our goal is to share the plan next week.** Keep in mind, our focus is the safety and health of our residents and team members so we are taking this guidance very seriously. Just a reminder, we have posted both The Interim Guidance for Skilled Nursing Facilities 6-26-2020 and The Interim Guidance for Personal Care Homes 6/26/2020 on our website for your reference.
- Meanwhile, the following guidance still applies:
 - Family visits remain limited to End-of-Life visits
 - There are NO OUTSIDE VISITS PERMITTED for The Villas, The Heritage, The Ridgewood or Community Living homes.
 - We are transporting residents out for ESSENTIAL medical appointments ONLY.
 - ALL team members must continue to wear masks while on duty.
 - Residents should be wearing a mask when outside of their rooms or apartments as tolerated.
 - Visits through a glass door or window are still permitted – however, the door or window MUST remain closed.
 - Life Enrichment team members continue to coordinate video calls via Facetime or Skype. Please reach out to them to schedule a visit in advance.
- Just a reminder - If you'd like to add other family members to our text distribution list please email Rita Clemente, VP of Community Relations at rclemente@sp1867.org and include the contact's name and cell phone number and the resident's name and the location in which the resident resides.

OVER

As always, we encourage you to refer to the CDC, CMS and PA DOH websites for more information.

We continue to stress the importance of handwashing, social distancing and wearing a cloth mask when in public or unable to social distance and as the best defense in preventing the spread of COVID-19.

If you have any questions regarding this communication or St. Paul's Plan of Action please contact one of our administrators: Tammy Lininger, The Villas; Dianna Jones, The Heritage, Jones Serenity Circle and Jones Serenity Lane; Mickie Chapman, The Ridgewood; or Rita Clemente, The Colony.

Please monitor our website (www.stpauls1867.org) and Facebook page (stpaulsseniorlivingcommunity) for updated information as our guidelines are subject to change.

Our efforts continue as we review We are currently reviewing that guidance and discussing
