

ATTENTION: VILLAS RESIDENTS, FAMILY MEMBERS AND TEAM MEMBERS

IMPORTANT – 4/30/2021 COVID-19 UPDATE – please read this in its entirety.

In accordance with shared recommendations for the Centers for Disease Control (CDC), Centers for Medicare and Medicaid Services (CMS), the Pennsylvania Department of Health (PA DOH) and others, we are required to notify you each time there is a change or development in our Covid-19 status, including new cases among residents and/or team members. We are also required to notify you if we admit a resident with a Covid-19 diagnosis even if they have met the criteria for discontinuation of transmission-based precautions.

We continue to perform widespread testing of all team members once per week. Team members who present with symptoms consistent with Covid-19 are taken off the schedule and advised to consult with their clinician. In addition, we are testing residents who present with symptoms consistent with Covid-19.

We've been notified that one of our team members from an ancillary department tested positive for Covid-19. The results of our contact tracing indicated that there was no close contact with residents or direct care workers within the defined transmission window. Therefore, visitation is open in all neighborhoods in The Villas including the Gardens B effective today. Visiting hours are listed below. Please make note of these times especially for Saturday and Sunday.

- Monday through Friday –9:00 a.m. to 11:00 a.m. and 2:00 p.m. to 4:00 p.m.
- Mondays and Wednesdays - 6:00 p.m. to 7:30 p.m.
- **Saturdays –9:00 a.m. to 11:00 a.m. ONLY**
- **Sundays –2:00 p.m. to 4:00 p.m. ONLY**

Since November 2020, we have had a total of 55 residents and 81 team members at the Villas test positive for Covid-19. We have also had six third party health care workers who provide services to our residents test positive for Covid-19. Furthermore, we have admitted twelve residents who have tested positive and had met the criteria for discontinuation of transmission-based precautions upon admission and one resident from elsewhere on campus who tested positive.
