St. Paul's Senior Living Community, Greenville, PA, continues to adjust its action plan in response to information, recommendations and requirements shared by the Centers for Disease Control (CDC), Centers for Medicare and Medicaid Services (CMS) the Pennsylvania Department of Health (PA-DOH) and the Pennsylvania Department of Human Services (DHS). As you know, St. Paul's serves a fragile population and we have a responsibility to implement a plan of action to protect our population and our workforce. ***Please keep in mind that all of the steps we are taking are in the best interest of the health and safety of residents and staff.*** Also note, that our plan of action is subject to change as new information becomes available.

We continue to perform covid-19 testing on all team members in accordance with guidelines provided to us by CMS, PA DOH and PA DHS. Team members who present with symptoms consistent with Covid-19 are taken off the schedule and advised to consult with their clinician. In addition, we are testing residents who present with symptoms consistent with Covid-19.

As of today, we have received the results for all of our weekly testing of residents and team members. We are happy to report that all tests are negative. ONLY Jones Serenity Circle remains closed to visitors.

All other residential areas in The Heritage are open to visitation. Please note the expanded weekend visiting hours for this weekend – Mother's Day weekend.
