

October 17, 2021

We are pleased to offer the Pfizer Booster vaccine to our residents, staff and volunteers! We're happy to offer this opportunity to our outside healthcare partners as well!

At this time, it is limited to **only the Pfizer COVID-19 vaccine if you received your 2nd dose of the Pfizer vaccine at least 6 months ago.**

The next opportunity is this Thursday, 10/21/2021. Estimated time is 10AM-Noon in Headland Friendship Commons; but this will be confirmed.

Attached, please find an Informed Consent for the COVID-19 Vaccination Additional Dose/Booster form. Forms are also available at the screening table in the Villas lobby. Please **complete and return this consent form by Tuesday morning, October 19th if you wish to be included in the October 21st clinic.** Consents received after October 19th will be scheduled for the following week.

We will also need a copy of (1) your vaccination card(s) and (2) your insurance cards, if you have insurance. There is NO COST for the booster vaccine.

This information can be returned in 1 of 2 ways:

- Email to covid19consent@sp1867.org
- Drop the completed form off at The Villas receptionist's desk, Attention: Tammy Lininger.

Please also refer to the attached **Pfizer Fact Sheet**. The CDC also has information available on its website regarding the Covid-19 Vaccine Booster Shot at <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/booster-shot.html#FAQs>.

Individuals may have some side effects, which are normal signs that their bodies are building protection. The most common side effects are pain at the injection site, fever, and chills. These side effects tend to be mild to moderate and go away on their own within 1–2 days.

As a reminder, the best defense against COVID-19 is ensuring that all individuals receive their primary vaccine series. Boosters as well as the primary vaccine series can all be administered. If you have not yet been vaccinated and wish to begin the series, please call me to obtain the appropriate consent form.

Please feel free to call me with any questions at (724) 588-7610 should you have any questions.

Sincerely,
Tammy J. Lininger, NHA
Administrator
