President & CEO Chris Wright addresses community members, staff at Lunch & Learn presentation

On Thursday, March 21, St. Paul’s hosted a community Lunch & Learn event where President and CEO Chris Wright presented, “Health Care Today: Taking Ownership of Your Health Care.”

Wright’s presentation covered such topics as: the delivery of health care today compared to five to ten years ago; the benefits and reasons behind regionalization of health care; and understanding the options today’s health care consumers have regarding choosing physicians and preplanning and scheduling therapy or short-stays for rehabilitation.

The main messages Wright shared were for people to take a proactive approach to their health care and to “be good patients” by doing your part in understanding your health and following doctor’s orders. With changes occurring at such a rapid pace, “we need to make sure that we are comfortable with the treatment we are receiving and getting the care that we deserve,” said Wright. “As health care consumers, it is up to us to get the care that we want and/or need. Be your own advocate.” Asking questions and using your voice is very important in making informed decisions at such a tumultuous time within the health care industry.

The St. Paul’s model and the way we’ve repositioned our services in response to current needs and trends in health care was also addressed. Beginning this spring, Wright along with other members of the Leadership and Outreach Teams at St. Paul’s, will present this topic for community groups in surrounding communities. If you know of a group or service organization that would benefit from hearing this information, please contact Rita Clemente (rclemente@sp1867.org or 724-589-6909) to schedule a presentation date.

Approximately 40 community members and employees were in attendance for the Lunch & Learn in the Headland Friendship Commons at The Villas. The presentation was followed by a question and answer session.

The "It's All About Heart" Facebook campaign, St. Paul's first attempt at crowdfunding, raised $8,135 in February to support the Eden Alternative.

Crowdfunding is a newer form of fundraising that seeks to raise gifts from a large group of people via the internet.

The Eden Alternative is the philosophy of care at St. Paul's. Its goal is to create a meaningful life for all residents through opportunities to grow, to build relationships with others, to give as well as receive care, and to enjoy variety in daily life.

The campaign consisted of a series of videos shared on Facebook of residents and staff telling their stories about why the Eden Alternative is so special.

"We weren't sure what to expect for our first attempt," said Dawn Hartman, Director of Planned & Major Giving. "I think the story of what we were raising money for resonated with a lot of people."

Kelly Beh of Ardmore, Pa., was one of those people. Kelly’s grandfather Alfred Goodlin lived at The Ridgewood from 2016-2017. “One of my grandad’s favorite things about The Ridgewood was when he went on the train ride,” said Beh. “It was wonderful for us to see him so happy there.” Alf joined around 100 residents and staff on the Cuyahoga Valley Scenic Railroad. This is just one example of the special moments made possible through donors.

Thank you so much to everyone who gave and shared on Facebook!!

The Good Samaritan Appeal is currently underway! This annual appeal raises money for benevolent care. The need for benevolent care is great. 60% of our residents in skilled nursing and 13% of those living in personal care cannot afford to pay the entire amount of their care. The Good Samaritan Fund is only possible through your support. Please help us to provide peace of mind for our residents and make a gift today.

Pastor Julia Reflects on Dementia Training Presentations

Along with many other staff and community members, I attended the second St. Paul’s-sponsored Lunch-and-Learn dementia training session in mid-March and was supremely glad for the opportunity. Lori Dierolf is both a knowledgeable presenter and also a compassionate one, and, though I still have much to learn, I feel like listening to her has improved my pastoral ministry to residents in our care.

It was quite saddening to me when Lori, in last fall’s presentation, said that, from the perspective of a person with dementia, much oral communication directed their way sounds like the teacher’s voice in a Charlie Brown movie: “Waa waa waa waa waa.” I was saddened because I am a lover of words in reading, teaching, preaching, and discussion, and it was hard to hear that the words I love, no matter how well-intentioned, may not realize their intended purpose of illumination with all audiences.

But I was not totally given over to despair. That’s because of Lori’s reminder during her presentation that “Language, which is a Left-brain activity, Leaves, while Rhythm, which is a Right-brain activity Remains.” Her emphasis is always on doing the best with what still functions, and here she encouraged me and others to remember that there is still much left with which to work. Language skills may diminish over time, but activities which involve rhythm continue for a longer time to be easy and engaging.

I realized that this is why my long-term neighbor who had suffered with dementia could, to her dying day, recite a 10-verse poem she had learned when she was 12 years old; that this is why our residents in every worship setting can, whenever prompted, recall, with confidence, the Lord’s Prayer, the Apostles’ Creed, the 23rd Psalm, and John 3:16; that this is why most all persons of faith enjoy hymn singing forever and can often sing the first verse of favorite hymns without the help of a song-sheet.

Hearing that Language Leaves, but Rhythm Remains encouraged me, with the help of JSC Life Enrichment Director Patti Arensberg, to rethink my monthly devotional time with residents there. Beginning last fall, it morphed into a hymn sing (sprinkled with a little commentary and prayers), and this has become a monthly visit that I look forward to with great anticipation. We usually sing according to a theme: hymns of thanks in November, Christmas carols in December, hymns about the cross during Lent. The singing is strong, the atmosphere is joyful—and often playful as well, as when we try to guess the title of a well-known hymn by its familiar chorus or when residents call out a request for their particular favorite.

Through the dementia training sessions offered at St. Paul’s, I have learned how to change my approach in a way that makes best use of what still functions well and which seems to nurture meaning and fellowship in a better way. I see God at work for good in this process and give thanks for the happy result.

PLEASE NOTE DATE CHANGE for the May Grief and Loss Support Group meeting. It will be held on May 9 rather than May 2.

Thank you to the Eucharistic Ministers who served Holy Communion in The Villas neighborhoods and Jones Serenity Circle and Lane on Ash Wednesday: Nola McGranahan, Janet Kirk, Ann Fowler, Helen Nichols, Gordon Fraser, Robyn Weaver, and Pastor Bill, along with our friends and helpers in this work from the Life Enrichment staff.
**A Message from Pastor Bill**

**In the midst of our Lenten journey**

We are now in the midst of our Lenten season, a time of preparation and a good time to seek a deeper relationship with our Lord. What evidence might we discover that demonstrates such a deepening relationship?

One example that you may not be familiar with is found in 2 Chronicles 14. This Old Testament doesn’t appear on any list of the 10 most popular books in the Bible that I have seen. It tells of Asa, King of Judah. Asa is the son of Abijah, grandson of Rehoboam, and great-grandson of Solomon.

Verse 2 of this chapter tells us: Asa did what was good and right in the eyes of the LORD his God. The verses following this offer more detail: He removed the foreign altars and the high places, smashed the sacred stones and cut down the Asherah poles. He commanded Judah to seek the LORD, the God of their ancestors, and to obey his laws and commands. He removed the high places and incense altars in every town in Judah, and the kingdom was at peace under him. 2 Chron. 14:3-5 (NIV)

We see that Asa also built up and fortified the towns and raised a good sized army. Yet, when the Cushites with a larger army marched against them, this is what King Asa did: Then Asa called to the LORD his God and said, “LORD, there is no one like you to help the powerless against the mighty. Help us, LORD our God, for we rely on you, and in your name we have come against this vast army. LORD, you are our God; do not let mere mortals prevail against you.” 2 Chron. 14:11 (NIV)

And God responded by striking down the Cushites. And when they fled, Asa and his army pursued them, crushed them, destroyed their cities and carried off plunder. Verse 13 says they were crushed before the Lord and Asa’s forces.

May we consider Asa as a model of one who seeks a deep and full relationship with our Lord. First, are we willing to do what is right and good according to the Lord, including publicly as well as privately? And will we encourage others to seek the Lord and obey His commands?

Next, are we preparing so that our life is built up and fortified spiritually before we encounter a challenge? Then when challenges come, in the midst of our preparations, will we call on the Lord, affirming that we are powerless and God is all-powerful? And we expect to see God undertake on our behalf.

Then are we willing to partner with the Lord as He calls us to as He defeats our enemies and restores order? And finally, will we continue to praise the Lord and obey Him each day?

Perhaps as part of your Lenten devotions, you will read 2 Chronicles 14, and ask the Lord to make you a follower and disciple like King Asa.

**Dementia: safety and independence**

Everyone with a memory loss condition deserves the opportunity to stay engaged in life for as long as possible. Early in the disease, your loved one will continue to do many things quite well. Your challenge is to balance respect for your relative’s independence with the need to ensure safety. All this while preserving a trusting relationship.

In the beginning, just keep an eye on things. Encourage engagement and support self-esteem. Over time, you may need to provide some assistance. Not to do things “for” him or her, but “with.” As abilities decline, suggest alternative approaches. And when you notice risky and unwise decisions, transition into taking over. Respectfully.

**Finances.** Managing mail and doing calculations can become confusing early on. Watch for unopened bills, an unbalanced checkbook, utility shut-off notices, or difficulty calculating the tip at a restaurant. Offer to “make life easier” by putting bills on autopay. At tax time, suggest doing it together. Or that you take it on, as he or she has “done that chore long enough.” Poor judgment may leave your relative open to scams. Look for odd purchases or erratic spending. Work with your loved one’s financial advisors to talk about money management options. Eventually, if you have power of attorney, you may need to activate that.

**Driving.** If your loved one is still driving, be the passenger frequently to check his or her capability. Dementia affects reaction time, spatial judgment, and decision making under pressure. Typical problems include
- not following right-of-way rules, for example at stop signs or when making a left turn.
- getting flustered at intersections or stopping midstreet when feeling uncertain.

You might suggest driving simpler routes and when traffic is less busy. Or facilitate rides from friends, public transit, etc. Eventually, call the doctor and ask for a driving evaluation.

**IMPORTANT:**

Securing Resident Valuables at The Villas

St. Paul’s strongly discourages keeping valuable jewelry, papers, money or other items considered of value at St. Paul’s. Should a resident of The Villas insist on keeping any valuables (monetary or sentimental) in their possession, the top drawer of each resident’s nightstand is equipped with a lock. Keys can be obtained from the admission office or through your social services coordinator. St. Paul’s also offers its residents the opportunity to open a resident fund account. This offers a convenient and safe alternative for keeping cash on hand. The money is kept in an interest bearing account and can be accessed through the receptionist from 8 a.m. – 9 p.m. daily for Villas residents.

Residents (or their family) should inform St. Paul’s of all valuable property upon admission and ongoing if new items are added to or removed from the resident’s possessions. Should any item be identified as lost or missing, it is important to notify the staff immediately upon discovery. St. Paul’s does maintain a lost and found log and will investigate any reports of missing items to the best of their ability. As per the admission agreement, the resident is responsible for obtaining and replacing his or her own expense, any insurance coverage necessary to cover potential damage to or loss of any personal property.

Please feel free to contact Tammy Lininger, The Villas Administrator, with any questions.

We are educating our staff that when pushing a resident in a wheelchair, they are to use foot pedals. We are strongly encouraging families to do the same. Regardless of the distance, whether 5 feet or 500 feet, our loved ones can get tired of holding their legs up and may unexpectedly put them down, creating the potential for injury.

It is understood that residents have personal preferences regarding the use of foot pedals, but with education and encouragement, most understand the reasons for our insistence. We wanted to share this information with you as friends and families to reinforce this practice of utilizing foot pedals when pushing residents.

As our ongoing staff education continues, we have some residents who often self propel themselves to where they are going. If they are self propelling, they don’t need the foot pedals; but we are encouraging the use of bags on the back of wheelchairs for convenient access to foot pedals should they need a helping hand to push them. If your loved one could benefit from a bag on the back of their chair for the pedals, and doesn’t currently have one, please let us know. We are happy to provide one.

If you have any questions, please feel free to speak with your neighborhood RN manager, Tami Kost, Director of Nursing or Tammy Lininger, Administrator. Thank you!

~ Resident Council ~
Resident Council meets the fourth Tuesday of each month at 10:15 a.m. All residents in The Villas are invited to attend.

~ Clothing Reminder for Villas Families ~
If you are bringing in clothing for your family member, we like to be sure the items are labeled with the resident’s name. Please give them to your nurse or aide and they will make sure they are sent to the appropriate department for labeling. Note: all clothing should be labeled for inventory purposes. Thank you.

Casual Fridays were created to help support the Residents’ Life Enrichment Fund. Staff members participating in casual wear on Fridays are asked to please participate in the theme wear as listed and assist us in maintaining the Residents’ Fund through the purchase of a jeans sticker for $1.00. (Located at the reception area). Thank You!

We encourage family and friends to join us at any and all special activities planned at The Villas. If you’d like to take pictures, we ask you to please keep in mind that some of our residents have photo objections, and to limit your photos to only your loved ones enjoying the event.

~ Attention Dog Owners ~
St. Paul’s is proud to be an Eden Home, where families are able to bring their family pet in to visit with loved ones, but with so many dogs visiting, we ask that you please leash your pet while going from room to room. This is for the protection of our residents as well as for the other dogs here visiting. If you have any questions, please see Missy Nitch, Pet Committee leader. Thank you for your cooperation.

Also - a reminder: if you bring your pet to visit any of our residents, we must have a copy of their current vaccination record on file. The receptionists are able to make copies and will forward them to Rhonda Pipp. If you are unsure if there is already a current record on file, please feel free to contact Rhonda at 724-588-7610 ext. 1173.

~ Resident Refrigerator Use at The Villas ~
While St. Paul’s does not encourage the use of personal refrigerators in resident rooms at The Villas, in keeping with our philosophy of person-centered care, should a resident desire to have a personal refrigerator, St. Paul’s will make every effort to accommodate the request should the resident and family agree to abide by the facility’s policy. It is important that you notify the admissions/social services department BEFORE you bring in a personal refrigerator. These personally owned refrigerators are subject to the same guidelines under Pennsylvania Department of Health, as those that belong to St. Paul’s. As such, these refrigerators are inspected by Department of Health during their annual survey and St. Paul’s is required to have a policy that delineates responsibility for ensuring that their standards are maintained.

The policy states the resident and/or family must provide and keep a thermometer inside their refrigerator so you can assure that the temperature is maintained below 41 degrees F. Furthermore, the resident and/or family are responsible for ensuring the refrigerator is kept clean and that perishable foods are discarded by expiration dates. St. Paul’s reserves the right to conduct periodic inspections of the refrigerators to ensure compliance with these guidelines. Failure to comply may result in the removal of the refrigerator from the resident’s room.

Please feel free to contact Tammy Lininger, Administrator at The Villas, 724-588-7610 with questions or concerns.

Lovely ladies from all corners of campus gathered in the Headland Friendship Commons for the annual women’s retreat at the end of February. The group sang hymns, shared gardening tips and enjoyed fellowship and lunch after a presentation led by Pastor Julia Fraser.

The name is “Patty Pig” for this particular photo. The Colony’s traveling pig was featured in Tom & Nancy Hoffacker’s yard decorated for St. Patrick’s Day. Thanks to Carol Hosmer for keeping tabs on the festive lawn ornament. Where will the pig be next month and what will it be wearing??
