At St. Paul’s, we are focused on creating a better tomorrow for our residents. Worry often brings people to our doors. That was the case for Lloyd and Helen Clark. “Mom had osteoarthritis, and it was getting to the point where Dad was having a hard time taking care of her,” said daughter Kathy McDonald. “He didn't want to leave her alone to go anywhere.” He also started to struggle to care for their home.

“It was the perfect storm,” said Kathy. “Dad was not excited at all about the prospect of moving to St. Paul’s. He wanted to stay in his own home forever.” It didn’t take long for the Clarks to realize though they chose a better tomorrow by moving to The Heritage.

Lloyd was once again able to get out to go bowling and attend Kiwanis Club without having to worry about Helen. “Once he knew Mom was safe, he felt much better,” said Kathy.

As for Helen, she blossomed after the move. “She got spoiled. The staff was so good to her,” said Kathy. “She was able to do things she hadn't been able to do at home. She had her hair done every week. She felt good about herself again.”

The move to The Heritage was also a blessing for Kathy, who lives near Harrisburg. “The care that was given to Mom and Dad really gave me peace of mind,” she said. “I just felt so comfortable with the care. I knew I didn't have to worry.”

At St. Paul’s, we believe it’s our mission to help ease worry today, as well as tomorrow, whatever it may bring. The Good Samaritan Fund was established to ensure that a resident never has to leave St. Paul’s if they exhaust their financial resources. Good Samaritans like the McDonalds and like YOU ensure we can take care of their tomorrow.

“I like giving to the Good Samaritan Appeal because it helps those who might not have the resources for a place like St. Paul’s,” said Kathy. She has seen friends with limited means in other facilities, and it made her appreciate all the more what St. Paul’s has to offer and that they have a benevolent care fund.

The need for benevolent care is great! 58% of those living in skilled nursing care and 24% of those in personal care receive help through benevolent care.

Please make your gift TODAY to help take care of tomorrow.

Meet our New Rehab Program Manager

Jessie Reavis joined St. Paul’s in mid-January. She is the manager and newest member of our Therapy team from Symbria Rehab—our partner in post-acute and long-term-care rehabilitation. Symbria offers a uniquely integrated rehab and wellness model and delivers comprehensive physical, occupational, speech-language, and respiratory therapy programs.

Jessie oversees a staff of 17 therapists and works as a liaison between St. Paul’s and Symbria to make sure all our therapy needs are being met. She is looking forward to educating the staff and residents on what different types of therapies are offered and the differences between them.

When asked how her first few months on the job have been going, she replied, “I love it here! I love that there are so many new and different things to keep the residents busy.”

It is Jessie’s plan to have a therapy theme every month—some months the theme will be general and connected with the time of year (i.e. “Summer Fun” in June, “Be Thankful” in November) and some months the theme will focus on specific therapies (April is Occupational Therapy Month). The therapy theme for March was “March Madness” and for an entire day, the Headland Friendship Commons was full of residents participating in basketball-based therapy drills.

She earned her Bachelor in Health Science from Gannon University and her Master’s in Occupational Therapy. She resides in Polk, Pa.

339 EAST JAMESTOWN ROAD | GREENVILLE, PA 16125
Sixty-five individuals, including female residents from all across our campus and guests from the community at large, gathered in Headland Friendship Commons on Tuesday, February 27 for St. Paul’s Annual Women’s Retreat. This year’s theme was “The Church’s Work in Disaster Relief.”

Following Opening Devotions led by Pastor Julia, guest speaker Karl Jones, a retired United Church of Christ pastor who serves as the Penn SouthEast Conference’s Disaster Minister, talked about his long-time interest in this ministry area and about his current work. Karl shared that disaster response is both ecumenical and local, with regional and national church-wide bodies engaged mainly to encourage and support community efforts undertaken by congregations. He offered as an example the way United Church of Christ congregations in the Penn SouthEast Conference are currently coordinating to resettle 16 Puerto Rican families and also lifted up important ways Methodist, Lutheran, Presbyterian, Mennonite, Roman Catholic, and Church of the Brethren Christians work together towards the total effort.

Karl additionally spoke to the group about disaster preparedness, offering good counsel as to how to prepare homes, cars, and important documentation to withstand weather-related disasters.

Following the presentation, those present enjoyed a lovely luncheon prepared and served by St. Paul’s Food Service.

Special thanks to those who contributed towards a free will offering to the United Church of Christ’s Disaster Relief Ministry. We received almost $250 to which was added a $500 donation approved by the St. Paul’s Spiritual Council, for a total Disaster Relief offering of $750! Thanks as well to women from the Heritage and Colony who were involved in the making of 16 tied fleece blankets which Karl took back to Philadelphia with him as a gift of bedding supplies for families in the resettlement process.

Thanks go to the NWPA Synod of the ELCA which provided grant monies for this year’s Women’s Retreat, to Carol Hosmer who helped out as Song Leader, and to all who attended. We had a great day!

Pastor Julia shared the history of St. Patrick with residents in Jones Serenity Circle on March 13 at the monthly Bible Study and Devotion. The group sang hymns and each resident was given a shamrock made of three hearts that read “Jesus, God’s Son”, “God the Father” and “God’s Holy Spirit” to representing the Trinity.

~ Lay Visitor’s Meeting ~

Back row standing: Millie McLaughlin (left) and Nancy Hoffacker. Front row seated (l. to r.) Dee Henley, Phyllis Haynes and Ruth Hill.
A Message from Pastor Bill

Growing up, I looked forward to April because it meant that I would be going outside to enjoy riding my bicycle, playing ball, and enjoying the outdoors. Yet, April in western Pennsylvania is normally not one of the drier months.

When rain curtailed my outside activities, my mother would remind me that April showers brought May flowers. There are some other sayings related to rain that I recall. One tells us that at least a little rain falls in all of our lives. Another tells us that rain falls on the just and unjust, yet only the just get wet because the unjust took the umbrellas.

We may consider the times of rain falling in our lives as those times when things aren’t going as well as we planned. While it is easy to rejoice in our Lord in times of good for His blessings, challenging times can leave us frustrated and wondering where our God is.

It is often easier for us to profess our faith in a loving God and trust Him when things are going well, than in those challenging times. Yet in the midst of the valleys is when we should seek our Lord’s face. Psalm 105:4 proclaims, “Look to the LORD and his strength; seek his face always.” (NIV) and we are also encouraged in Proverbs 3: 5-6 “Trust in the LORD with all your heart, And lean not on your own understanding; In all your ways acknowledge Him, And He shall direct your paths.” (NIV)

Whenever showers or downpours come into our lives, let us remember that our Lord is our shelter in the time of storm.
— Pastor Bill Kirker

**IMPORTANT:**
Securing Resident Valuables

St. Paul’s strongly discourages keeping valuable jewelry, papers, money or other items considered of value at St. Paul’s. Should a resident of The Villas insist on keeping any valuables (monetary or sentimental) in their possession, the top drawer of each resident’s nightstand is equipped with a lock. Keys can be obtained from the admission office or through your social services coordinator. St. Paul’s also offers its residents the opportunity to open a resident fund account. This offers a convenient and safe alternative for keeping cash on hand. The money is kept in an interest bearing account and can be accessed through the receptionist from 8 a.m. – 9 p.m. daily for Villas residents.

Residents (or their family) should inform St. Paul’s of all valuable property upon admission and ongoing if new items are added to or removed from the resident’s possessions. Should any item be identified as lost or missing, it is important to notify the staff immediately upon discovery. St. Paul’s does maintain a lost and found log and will investigate any reports of missing items to the best of their ability. As per the admission agreement, the resident is responsible for obtaining at his or her own expense, any insurance coverage necessary to cover potential damage to or loss of any personal property.

Please feel free to contact Tammy Lininger, The Villas Administrator, with any questions.

**EMPATHY: CAN YOU HAVE TOO MUCH?**

Our brains are predisposed to feel the emotions of others. This capacity, called “empathy,” fuels our most altruistic acts as humans. And it fosters sweeter and deeper relationships. But it is possible to be overly empathetic. If the doorway to your heart is always open to feeling another’s emotions—pain, sadness, anger, fear—you are on a sure path to burnout when caring for an ailing elder.

**Signs of too much empathy**

- **Inability to identify your own needs or feelings.** Can you answer these questions: “What am I feeling right now?” “What would I like to do?” “What do I need?” If this seems difficult—or impossible—you may be overly empathetic.

- **Unexplained physical or psychological exhaustion.** Taking on the emotions of others is deeply tiring.

- **Generalized anxiety (overwhelm) and low-level depression.** A lack of boundaries leaves you at the mercy of another person’s situation. Feeling powerless is a precursor to anxiety and depression.

**What you can do**

Retain your compassion: care deeply but hold enough self-awareness that you don’t lose your own identity.

- **Pay attention to the signals of your body.** Do you get tense when someone you care about is troubled? Learn to distinguish between your own feelings and the distress of another.

- **Practice relaxation techniques.** Release physical and emotional tension. Deep breathing, guided imagery, and progressive relaxation are simple and easy to implement.

- **Get support from others.** Talk with other family caregivers to gain and maintain perspective. They share your need to care and to set healthy personal boundaries.

**Keep track of things you do for yourself.** When you are overly tuned in to others, it’s easy to unconsciously ignore your own needs. The upshot is burnout, and then everyone loses. Strive for balance. Each day do at least one thing that is just for you.

~ News from The Villas ~

~ Attention Dog Owners ~

St. Paul’s is proud to be an Eden Home, where families are able to bring their family pet in to visit with loved ones, but with so many dogs visiting, we ask that you please leash your pet while going from room to room. This is for the protection of our residents as well as for the other dogs here visiting. If you have any questions, please see Missy Nitch, Pet Committee leader. Thank you for your cooperation.

Also - a reminder: if you bring your pet to visit any of our residents, we must have a copy of their current vaccination record on file. The receptionists are able to make copies and will forward them to Rhonda Pipp. If you are unsure if there is already a current record on file, please feel free to contact Rhonda at 724-588-7610 ext. 1173.

~ Resident Refrigerator Use at The Villas ~

While St. Paul’s does not encourage the use of personal refrigerators in resident rooms at The Villas, in keeping with our philosophy of person-centered care, should a resident desire to have a personal refrigerator, St. Paul’s will make every effort to accommodate the request should the resident and family agree to abide by the facility’s policy. It is important that you notify the admissions/social services department BEFORE you bring in a personal refrigerator. These personally owned refrigerators are subject to the same guidelines under Pennsylvania Department of Health, as those that belong to St. Paul’s. As such, these refrigerators are inspected by Department of Health during their annual survey and St. Paul’s is required to have a policy that delineates responsibility for ensuring that their standards are maintained.

The policy states the resident and/or family must provide and keep a thermometer inside their refrigerator so you can assure that the temperature is maintained below 41 degrees F. Furthermore, the resident and/or family are responsible for ensuring the refrigerator is kept clean and that perishable foods are discarded by expiration dates. St. Paul’s reserves the right to conduct periodic inspections of the refrigerators to ensure compliance with these guidelines. Failure to comply may result in the removal of the refrigerator from the resident’s room.

Please feel free to contact Tammy Lininger, Administrator at The Villas, 724-588-7610 with questions or concerns.

~ Clothing Reminder for Villas Families ~

If you are bringing in clothing for your family member, we like to be sure the items are labeled with the resident’s name. Please give them to your nurse or aide and they will make sure they are sent to the appropriate department for labeling. Note: all clothing should be labeled for inventory purposes. Thank you.

~ Resident Council ~

Resident Council meets the **fourth** Tuesday of each month at 10:15 a.m. **All residents** in The Villas are invited to attend these meetings.

We encourage family and friends to join us at any and all special activities planned at The Villas. If you’d like to take pictures, we ask you to please keep in mind that some of our residents have photo objections, and to limit your photos to **only your loved ones** enjoying the event.

Casual Fridays were created to help support the Residents’ Life Enrichment Fund. Staff members participating in casual wear on Fridays are asked to please participate in the theme wear as listed and assist us in maintaining the Residents’ Fund through the purchase of a jeans sticker for $1.00. (Located at the reception area). Thank You!

More hats for babies . . .

The “ladies who loom” at The Ridgewood keep cranking out those baby bonnets! Along with the more than 200 red baby hats that were donated in February in support of the American Heart Association and The Olivia Reagan Project (see Feb. issue of Campus Connections for the full story), the women at The Ridgewood keep busy with other colors of yarn for all the holidays throughout the year! When the ladies arrived at Sharon Regional Hospital, they got a special treat and were taken into the newborn nursery to see the babies up close.

All That and a Bag of Chips!

Residents at The Heritage celebrated National Potato Chip Day on March 14. Residents enjoyed a potato chip bar and trivia questions about potato chips. A survey was taken of staff’s and resident’s favorite flavor of a potato chip to snack on. The results: #1 Plain/Regular, #2 Salt and Vinegar, #3 Cheddar and Sour Cream. And it looks like everyone had a great, snackable time!

The customized bags come as a part of Lay’s ‘Smile with Lay’s’ campaign that kicked off early March, which featured newly packaged bags featuring 40 different smiles plastered on them. For each one of the limited-edition packaged bags purchased, Lays will make a donation to Operation Smile, an international medical charity that aids in providing safe surgical care to children with cleft conditions in underprivileged parts of the world.
