The Relay for Life in Greenville was held on Saturday, July 14. For the 13th year in a row, St. Paul's was represented with great pride. We had a team of 36 walkers, including five residents who are cancer survivors. The team exceeded their fundraising goal of $5,000, raising $6,137 for the fight against cancer.

Thanks to all who donated and participated in this important community event!

Special thanks to staff members Jenna Cordek, Leann McCurdy, Dawn Hartman and Diane O'Brien, who worked so hard to coordinate St. Paul’s team, fundraising efforts and campsite activities.

This year’s theme was holidays/seasons. St. Paul’s chose Easter for the campsite theme and the tagline “St. Paul’s is Hoppin’ for a Cure.” Colony resident Margie Hays and Ridgewood resident Adele Lehosky crocheted and donated adorable bunny and chick hats to sell. There are still some available for sale at the Bistro at St. Paul’s for $5 - $10, depending on the size.
Jones Serenity Lane to Open

You may have noticed a flurry of activity on the 4th floor of The Heritage in recent months. Thanks to a generous $100,000 gift from Richard & Patti Jones, renovations are underway to expand St. Paul's memory care neighborhood.

Jones Serenity Circle opened in 2015 with accommodations for 24 individuals with memory loss. Since that time, it has remained full, often with a waiting list. With the World Health Organization projecting that the number of people living with dementia worldwide is expected to almost triple by 2050, the need for memory care is only going to grow.

“We’ve been receiving more and more inquiries for people with memory issues,” said Vice President of Personal Care Services Robin Knight. “Secure dementia neighborhoods are few and far between in our area.”

After careful consideration, St. Paul's made the decision to convert the remainder of the 4th floor to memory care. The new neighborhood will be called Jones Serenity Lane and will accommodate up to 25 more residents.

When complete, the neighborhood will have secure keypad entry, more common living space with an expanded lounge and sitting room, aesthetic improvements, a new spa and updated dining room.

Renovations are expected to be complete this month. For more information, please contact Knight at 724-588-7610 ext. 1151 or rknight@sp1867.org.

We are always looking for ways to be more efficient in order to meet the needs of our residents—especially in the ever-changing field of nursing. In July, nursing staff at The Villas were trained on two new technologies: Wi-Fi cell phones and Vital Towers.

The Wi-Fi cell phones will first be used by our RNs and LPNs to increase overall communication in the neighborhoods. The cell phone functions as a desktop phone but is portable and will enable staff on the floor to communicate with each other in a more timely and effective manner. Ultimately, this will enhance and advance the teamwork, which benefits our residents. The cell phones have a variety of advanced options that we are exploring for the future.

Nine Vital Towers (pictured above) were purchased for the neighborhoods at The Villas. The towers are integrated with our electronic health record and allow staff to obtain vitals and the information is automatically sent to the respective resident’s electronic record. Both of these new technologies were implemented at the end of July.

Reflections from Pastor Julia on Ecclesiastes, daily bread, and Holy Communion

The weekly Bible Study groups at St. Paul’s are studying the Old Testament book of Ecclesiastes across July and August. In late July we discussed Ecclesiastes 2: 24 which reads, according to the Revised Standard Version, “There is nothing better than for us to eat and drink and find enjoyment in our toil.” This verse is the origin of the phrase “Eat, drink, and be merry!” which was used by William Shakespeare in A Midsummer Night’s Dream and also, more recently, by the Dairy Queen as a marketing slogan for their ice cream treats. Taken out of context, the verse sounds rather hedonistic and centered on pleasure-seeking, but its intent is to remind all people of God’s provision for our daily needs and to encourage the receiving of his gifts with joy.

In 1938, the German pastor and theologian Dietrich Bonhoeffer wrote about this verse in his book, Life Together. Bonhoeffer said, “The breaking of bread has to it a festive quality. It is a reminder to us in the midst of the working day that our life is not only a great deal of trouble and hard work, but also an opportunity to find refreshment and joy in God’s goodness. We labor, but God nourishes and sustains us. People should not eat the bread of anxious toil, but, rather, eat with enjoyment, for there is, indeed, reason to celebrate.”

Bonhoeffer, here, is talking about eating lunch and dinner, but much of what he says also applies to the Holy Communion meal which we will share at St. Paul’s on Sunday, August 5. Holy Communion is likewise a reminder that, in the midst of sickness, aging, suffering, and despair, God continues to provide richly and abundantly in all manner of ways—through spiritual food, fellowship, comfort, guidance, visits, good care, and opportunities to serve. In Holy Communion we are encouraged to “Eat, drink, and be merry!” and, thus, enabled to find refreshment and joy in God’s goodness.

Our study of Ecclesiastes continues at The Heritage on Wednesday afternoons at 1 p.m. in the Anderson Fellowship Hall; at The Ridgewood on Thursday mornings at 10 a.m. in Harmony Hall; and at The Villas on Thursday afternoons at 2 p.m. in Headland Friendship Commons. Newcomers are always welcome!

Our Summer Eucharistic Ministry will take place following worship services on Sunday, August 5. Our Eucharistic Ministers, assisted by Life Enrichment staff, will take Holy Communion to residents, family members, and staff who are unable to attend worship in all Villas neighborhoods and in Jones Serenity Circle. Ongoing thanks to our Eucharistic Ministers (pictured above from left to right with Pastor Julia Fraser, far left and Pastor Bill Kirker, far right): Gordon Fraser, Millie McLaughlin, Helen Nichols, Nola McGranahan, George Erwin, Ann Fowler, and Marge Fenton.

Almighty God, you provide the true bread from heaven, your Son, our Lord Jesus Christ. Grant that we who receive the sacrament of his body and blood may abide in him and he in us, that we may be filled with the power of his endless life, now and forever. Amen
A Message from Pastor Bill

The Pause that Refreshes Us

As a child my friends and I in the neighborhood were active outside from just after breakfast until dark or later. Sure there were breaks for meals and an occasional chore like running to the nearby meat market to pick up what my mother ordered, but most of the time we were active children in one way or another.

As the date for returning to school approached, we tried to pack every possible minute of fun into each day. We never thought of taking time to rest and relax before the busy school year began.

Sometimes we continue this way in our adult lives. And even in our faith walk, we take part in worship services, participate in Bible studies, serve on church committees and are busy in other ways in ministry and service. Sometimes we can do this to the point that we tend to ignore our Lord, especially spending quiet time meditating on Him and His word, listening for His still small voice.

Why not devote some time this month to pausing and quietly seeking the Lord. You may have been meaning to read that book that you had bought that will offer peace and encouragement. It may be reading and reflecting on some favorite Scripture passages. Or it may be quietly experiencing the beauty of His presence on a warm summer day, whether at home or away somewhere.

A refreshing pause not only quiets our spirit and brings peace, but can prepare us for the next season of our lives.

— Pastor Bill

**IMPORTANT:**
Securing Resident Valuables

St. Paul’s strongly discourages keeping valuable jewelry, papers, money or other items considered of value at St. Paul’s. Should a resident of The Villas insist on keeping any valuables (monetary or sentimental) in their possession, the top drawer of each resident’s nightstand is equipped with a lock. Keys can be obtained from the admission office or through your social services coordinator. St. Paul’s also offers its residents the opportunity to open a resident fund account. This offers a convenient and safe alternative for keeping cash on hand. The money is kept in an interest bearing account and can be accessed through the receptionist from 8 a.m. – 9 p.m. daily for Villas residents.

Residents (or their family) should inform St. Paul’s of all valuable property upon admission and ongoing if new items are added to or removed from the resident’s possessions. Should any item be identified as lost or missing, it is important to notify the staff immediately upon discovery. St. Paul’s does maintain a lost and found log and will investigate any reports of missing items to the best of their ability. As per the admission agreement, the resident is responsible for obtaining at his or her own expense, any insurance coverage necessary to cover potential damage to or loss of any personal property.

Please feel free to contact Tammy Lininger, The Villas Administrator, with any questions.

**Opioid addiction and serious illness**

Morphine, hydrocodone, fentanyl . . . with the opioid crisis in our country, it can be scary to hear that a frail or seriously ill relative needs this type of medicine. What are the risks of addiction?

Fortunately, addiction is rarely an issue for individuals dealing with cancer or a painful terminal condition.

**Understanding addiction.** People who are “addicted” have such an intense desire for a drug, they do whatever it takes to get more of it. Their craving overpowers their concerns about relationships and their ability to function in the world. People with a painful, serious illness rarely behave this way.

**The need for more medication.** Over time, the body develops a “tolerance.” This means that a higher dose of the drug is needed to achieve the same relief. This is just a biological truth. A legitimate need for more medication is a far cry from an addictive craving that sparks irrational behavior.

**Breakthrough pain.** It is also very common with cancer and other conditions to have pain spikes in between doses. A booster dose of the medication is then essential. It is not a sign of addiction. Simply part of the unpredictability of pain.

**Possible signs of addiction**

- Going to multiple doctors for pain medicine
- Going to multiple pharmacies to fill prescriptions
- Using up a prescription early
- Taking ALL the breakthrough doses

**If you are worried.** Ask your relative’s health provider if they are concerned. If your loved one has a history of substance abuse, let the doctor know early on. Ask about trying different types of pain medication. Perhaps the opioid can be used in rotation with others. Spiritual distress can also be a source of physical pain. If medication is not enough, ask if a visit with a chaplain—a medical member of the clergy—is possible.

~ Attention Dog Owners ~
St. Paul's is proud to be an Eden Home, where families are able to bring their family pet in to visit with loved ones, but with so many dogs visiting, we ask that you please leash your pet while going from room to room. This is for the protection of our residents as well as for the other dogs here visiting. If you have any questions, please see Missy Nitch, Pet Committee leader. Thank you for your cooperation.

Also - a reminder: if you bring your pet to visit any of our residents, we must have a copy of their current vaccination record on file. The receptionists are able to make copies and will forward them to Rhonda Pipp. If you are unsure if there is already a current record on file, please feel free to contact Rhonda at 724-588-7610 ext. 1173.

~ Resident Refrigerator Use at The Villas ~
While St. Paul's does not encourage the use of personal refrigerators in resident rooms at The Villas, in keeping with our philosophy of person-centered care, should a resident desire to have a personal refrigerator, St. Paul's will make every effort to accommodate the request should the resident and family agree to abide by the facility's policy. It is important that you notify the admissions/social services department BEFORE you bring in a personal refrigerator. These personally owned refrigerators are subject to the same guidelines under Pennsylvania Department of Health, as those that belong to St. Paul's. As such, these refrigerators are inspected by Department of Health during their annual survey and St. Paul's is required to have a policy that delineates responsibility for ensuring that their standards are maintained.

The policy states the resident and/or family must provide and keep a thermometer inside their refrigerator so you can assure that the temperature is maintained below 41 degrees F. Furthermore, the resident and/or family are responsible for ensuring the refrigerator is kept clean and that perishable foods are discarded by expiration dates. St. Paul's reserves the right to conduct periodic inspections of the refrigerators to ensure compliance with these guidelines. Failure to comply may result in the removal of the refrigerator from the resident's room.

Please feel free to contact Tammy Lininger, Administrator at The Villas, 724-588-7610 with questions or concerns.

Promoting a Culture of Caring & Recognizing our Team Members

The members of our team strive to provide excellent care and are encouraged to treat others as they would want to be treated. We invite you to recognize staff members who make a difference in life at St. Paul’s. One way to recognize the good works of our staff is to submit a Caring Heart. Caring Hearts are listed bi-weekly in the employee newsletter, and monthly in Campus Connections.

Each fall, we host our Distinguished Staff Awards recognizing staff who excel in several areas. We invite and encourage you to nominate staff members who meet the criteria for any of these awards.

We’ve created a link on our homepage to make it even easier for employees, residents, family and friends to recognize those who exemplify our culture of caring.

CARING HEARTS - CRITERIA

OUR MISSION
The mission of St. Paul’s formed and sustained by the Judeo-Christian faith and historically related to the United Church of Christ, is to provide meaning, richness of life, health care, and other support services, while maintaining and enhancing the dignity of human life.

OUR VISION
Our vision is to create a sense of purpose and belonging by providing a place to call home to everyone who chooses to become part of our family.

OUR CORE VALUES
Security — A condition of being protected from danger or loss; being safe.

Compassion — Showing special kindness to those who suffer; recognizing their suffering and wanting to help.

Person-Centered Care — Striving to place the resident at the center of decision making; focusing on the person’s gifts, skills and capabilities and enabling these to be expressed; getting to know residents better; enable residents to direct own services/support rather than attempt to fit within preexisting services.

Please Note: Submit ONE caring heart for EACH staff member you’d like to recognize.

DISTINGUISHED STAFF AWARDS - CRITERIA

Leader Award — This award will recognize one St. Paul’s staff member who has exhibited strong leadership skills and serves as an example to fellow staff. This individual must be employed with St. Paul’s for at least one year and can work in any area or department of the organization.

Extra Effort Staff Award — This award will recognize one St. Paul’s staff member who has gone beyond his or her normal job description, consistently exceeds the expectations of the position and has had a positive impact on the lives of the residents at St. Paul’s. This individual must be employed with St. Paul’s for at least one year and can work in any area or department of the organization.

Dining Staff Award — This award will recognize one St. Paul’s staff member working in dining services who has gone beyond his or her job description consistently providing exemplary services to the residents at St. Paul’s. Nominations for Distinguished Staff Awards must be submitted no later than Friday, Sept. 7, 2018.
