The before and after photos say it all—even after being doused with color, the participants were still all smiles! The St. Paul’s campus was alive with color again this year on Saturday, June 29 as we hosted the 3rd Annual Color Me Happy 5K Race, Roll & Stroll.

One hundred participants—including employees, family and community members—set off at 10 a.m. and ran or walked through the campus while our residents sprayed them with color and cheered them on!

As usual, runners and spectators shared much joy and laughter throughout the event. This has become a resident favorite — we hope to see you all (and even more participants) next year!

Thank you for being a Good Samaritan!

Thank you to the 202 supporters who have donated $27,181.61 to the 2019 annual Good Samaritan Appeal. Your support means so much to the residents at St. Paul’s who can no longer afford to pay the full amount of their care. You are helping to support our mission to provide meaning, richness of life and healthcare to all residents residing at St. Paul’s.

If you have not donated yet to the annual Good Samaritan Appeal, there is still time! The need for benevolent care at St. Paul’s is great! More than $5.1 million was spent last year to benefit residents in skilled nursing and personal care who could no longer afford to pay the full amount of their care. The Good Samaritan Fund is only possible through your support. Please help us to provide peace of mind for our residents and make a gift today.

ST. PAUL’S
SENIOR LIVING COMMUNITY

- An estimated 38 percent of Americans are eligible to give blood, but of those, less than 10 percent actually donate each year.
- If you are healthy and eligible, please come out to donate.
- Most donations take about an hour, so book your appointment, roll up your sleeve and become a part of the lifesaving mission of the Red Cross and St. Paul’s.
- If you don’t know if you’re eligible, show up to find out.
- If you can’t donate blood, we would love to have you as a volunteer at our drive.

Welcome Gregg Buchanan, Vice President of Information Technology

Gregg started his career in IT in 1983 as a computer programmer at Ross Perot’s Electronic Data Systems near Washington, DC. Since then he has worked coast-to-coast in computer and network operations, system administration and consulting. He has worked for many Fortune 500 companies including GTE (now Verizon), Coke, VISA USA and CSX Transportation among others.

Gregg is eager to become part the St. Paul’s community and said, “St. Paul’s has a good reputation throughout the community as being a great place to work. The longevity of the employees is impressive.” Gregg’s mother- and father-in-law were residents for nearly three years—first in The Heritage and eventually The Villas. “My wife got to know a lot of employees and she’d bring stories home of how they enjoyed working here. And when I visited, I always noticed how professional and courteous the staff are. I’m glad to be a part of that.”

Gregg applauded the current IT staff for how they have kept things running smoothly over the last few months and said, “I feel my primary responsibility is to keep the information technology at St. Paul’s at a constant, reliable state to ensure that the organization can provide the excellent quality of care that our residents and families are used to. All systems have to be available at all times.” Gregg said, “I also plan to become involved with other professional organizations to explore innovative and new technology to support senior care.”

In his free time, Gregg enjoys playing golf, riding his Harley, being outdoors, gardening and going dancing with his wife, Lee Anne.

Spiritual Services

Holy Communion will be celebrated at all three Sunday worship services at St. Paul’s on Sunday, August 4.

Additionally, our Eucharistic Ministers will take Holy Communion to residents, staff, and family members who are unable to be at the service in the various neighborhoods of The Villas following the 10 a.m. service.

Thanks in advance to those who will be serving as Eucharistic Ministers on that day: Nola McGranahan, Marge Fenton, Ann Fowler, Gordon Fraser, Pr. Glenn, Sadler, and Janet Kirk.

Thanks also to our Life Enrichment Staff who assist the Eucharistic Ministers in their serving. Jesus said, “I am the bread of life. Those who come to me will not hunger, and those who believe in me shall never thirst.”

St. Paul’s Spiritual Council will meet for its quarterly meeting on Tuesday, August 6 at 10 a.m. in the Heritage Conference Room.

The Spiritual Council provides oversight to Pastor Bill and Pastor Julia in their ministry at St. Paul’s. Current members of the Spiritual Council include Pr. Glenn Sadler, Pr. Ray Brugler, Ann Fowler, Bert Heckman, Shirley Brown, George Erwin, and Ruth Ann Jones.

A Message from Pastor Bill

How Is Your Spiritual Garden doing?

When I was growing up, my parents and I went to the County Fair every year. I wanted to see and sit on all of the tractors and other farm equipment, we checked out the livestock barns and walked through display tents where you came away with a significant amount of free stuff – pencils, a variety of other gadgets and my mother’s favorite – a yardstick.

One place that was not a priority for me to visit was the tent with the produce competition. But it is an important part of the fair. Growers have lovingly planted seeds in the spring and then carefully watered, fertilized and tended the plants hoping that their tomatoes, potatoes, peppers, and other entries would win the blue ribbons.

Today, I always try to visit the building with the produce, not only to see how the growers did, but also to acknowledge that a lot of time and work is involved by the competitors in seeking the perfect entry.

There is a message there beyond how tasty home-grown produce is. Becoming mature believers in Christ is likewise a process. We begin when a seed of faith is planted in our hearts, but growth and maturity require a continuing regimen of watering and fertilizing.

In faith matters this requires daily reading of God’s Word, regular communication with our Lord through prayer and meditating on His goodness and how much He loves us, and regularly gathering together with other believers to worship our Lord.

While Jesus doesn’t give us blue ribbons, it is evident to others how we are growing and maturing. Part of that maturing process comes from offering encouragement to other believers. I like the way that The Message translations offers the Apostle Paul’s comments in his first letter to the Thessalonian believers: So speak encouraging words to one another. Build up hope so you’ll all be together in this, no one left out, no one left behind. 1 Thes. 5:11.

Paul then ends this verse with the words: I know you’re already doing this; just keep on doing it.

Are we cultivating our Spirit Man/Woman to reach and maintain maturity? And is this evident to others we are in relationship with?

— Pastor Bill

Opportunities for Gifts of Appreciation to Staff

Many residents, clients and families often ask how they can give back and say “Thank You” to the staff who have provided excellent care to their loved ones while living at St. Paul’s. These three funds give you the opportunity to do so:

1. A donation may be made to the Staff Appreciation Fund. This fund enables St. Paul’s to recognize all staff. (i.e., to provide staff apparel, staff appreciation picnics, or gift cards for various occasions.)

2. A donation can be made to the Staff Education Fund. You can define the education opportunity or leave it to the administrator’s discretion.

3. A donation of appreciation can be made to the Annual Staff Christmas Party. This donation can be given to the administrator or director and identified for the Staff Christmas party and will be used to offset the cost and for staff gifts the night of the party.

If you would like to make a donation to staff for anything outside of these three funds please see your administrator or director to talk about specifics.

Employees may not accept individual gifts, cash or currency of any kind from a resident or family member. We appreciate your support of these guidelines in order for us to remain compliant with regulations and our corporate compliance policies.

We are educating our staff that when pushing a resident in a wheelchair, they are to use foot pedals. We are strongly encouraging families to do the same. Regardless of the distance, whether 5 feet or 500 feet, our loved ones can get tired of holding their legs up and may unexpectedly put them down, creating the potential for injury.

It is understood that residents have personal preferences regarding the use of foot pedals, but with education and encouragement, most understand the reasons for our insistence. We wanted to share this information with you as friends and families to reinforce this practice of utilizing foot pedals when pushing residents.

As our ongoing staff education continues, we have some residents who often self propel themselves to where they are going. If they are self propelling, they don’t need the foot pedals; but we are encouraging the use of bags on the back of wheelchairs for convenient access to foot pedals should they need a helping hand to push them. If your loved one could benefit from a bag on the back of their chair for the pedals, and doesn’t currently have one, please let us know. We are happy to provide one.

If you have any questions, please feel free to speak with your neighborhood RN manager, Leann McCurdy, Director of Nursing or Tammy Lininger, Administrator. Thank you!

~ Resident Refrigerator Use at The Villas ~

While St. Paul’s does not encourage the use of personal refrigerators in resident rooms at The Villas, in keeping with our philosophy of person-centered care, should a resident desire to have a personal refrigerator, St. Paul’s will make every effort to accommodate the request should the resident and family agree to abide by the facility’s policy. It is important that you notify the admissions/social services department BEFORE you bring in a personal refrigerator. These personally owned refrigerators are subject to the same guidelines under Pennsylvania Department of Health, as those that belong to St. Paul’s. As such, these refrigerators are inspected by Department of Health during their annual survey and St. Paul’s is required to have a policy that delineates responsibility for ensuring that their standards are maintained.

The policy states the resident and/or family must provide and keep a thermometer inside their refrigerator so you can assure that the temperature is maintained below 41 degrees F. Furthermore, the resident and/or family are responsible for ensuring the refrigerator is kept clean and that perishable foods are discarded by expiration dates. St. Paul’s reserves the right to conduct periodic inspections of the refrigerators to ensure compliance with these guidelines. Failure to comply may result in the removal of the refrigerator from the resident’s room.

Please feel free to contact Tammy Lininger, Administrator at The Villas, 724-588-7610 with questions or concerns.

~ Resident Council ~

Resident Council meets the fourth Tuesday of each month at 10:15 a.m. All residents in The Villas are invited to attend.

~ Clothing Reminder for Villas Families ~

If you are bringing in clothing for your family member, we like to be sure the items are labeled with the resident’s name. Please give them to your nurse or aide and they will make sure they are sent to the appropriate department for labeling. Note: all clothing should be labeled for inventory purposes. Thank you.

~ Attention Dog Owners ~

St. Paul’s is proud to be an Eden Home, where families are able to bring their family pet in to visit with loved ones, but with so many dogs visiting, we ask that you please leash your pet while going from room to room. This is for the protection of our residents as well as for the other dogs here visiting. If you have any questions, please see Missy Nitch, Pet Committee leader. Thank you for your cooperation.

Also - a reminder: if you bring your pet to visit any of our residents, we must have a copy of their current vaccination record on file. The receptionists are able to make copies and will forward them to Rhonda Pipp. If you are unsure if there is already a current record on file, please feel free to contact Rhonda at 724-588-7610 ext. 1173.
