Summer 2020 has been a different time at St. Paul’s, but our team continues to give our residents opportunities to smile and enjoy the beautiful summer weather we’ve been having. Parades have been held all over campus, giving friends and family a chance to show support and deliver waves, smiles, blown kisses and goodies to their loved ones.

Westcoat Retires After 55 years of Service to St. Paul’s Board

On Wednesday, July 15, St. Paul’s Board of Directors recognized and honored Rev. Dr. Paul Westcoat for his 55 years of service to the Board. In April 2020, the Board of Directors ratified Dr. Westcoat as Board Member Emeritus. Dr. Westcoat retired in July 2020 activating his Emeritus status.

Dr. Westcoat served on a number of committees during his service to St. Paul’s including the Farm committee early on and most recently the Development Committee. Dr. Westcoat always prioritized his representation of the Penn West Conference. Significant memories during his years of service include the closing of the Children’s Home in 1971 and hiring G. Bryan Oros as our Executive Director.

Mr. Oros was the first Executive Director that was not a pastor and was not a member of the United Church of Christ. Mr. Oros was in fact a Catholic but according to Dr. Westcoat, “Bryan was the best man for the job and we needed the best leadership in the field to carry us into the future.”

Dr. Westcoat shared, “I view these 55 years as great years but I’ve come to a place in my life where I recognize there is a lot that I need to quit doing and traveling long distances is one of those things.” Dr. Westcoat traveled from Greensburg to Greenville. For many years, committees would meet at Kaufman’s Restaurant in Zelienople, Pa., making it easier for board members in that region to take part.

Bryan Oros, Chris Wright, CEO and President; and Julie Hills, Vice Chair, shared memories of Dr. Westcoat’s service. Rev. June Boutwell presented Dr. Westcoat a certificate for years of service.

In closing, Chris Wright reminded Dr. Westcoat that he can remain as engaged in the business of St. Paul’s as much as he desires and is able to. That’s something he will look forward to saying, “When I began my tenure with St. Paul’s I didn’t think about this day and now that it’s here I have a yearning to stay connected!”
Donor Advised Funds have grown in popularity in recent years. They are like your own personal charitable giving savings account. You open an account, add some funds and then designate when and where you want them to go. It’s an easy way to support your favorite charities like St. Paul’s, even past your lifetime.

**SETTING UP A DONOR ADVISED FUND**

1. Contact our friends at the Community Foundation of Western PA & Eastern OH, who would be happy to assist you. They manage hundreds of Donor Advised Funds that do amazing things in Mercer County.

2. Make an irrevocable contribution of cash or appreciated securities **of any amount** to start your fund. There is no minimum contribution at the Community Foundation.

3. Give your fund a name, designate your advisors or successors, and charitable beneficiaries.

**SUPPORTING YOUR CHARITIES**
You can recommend grants from your fund for your favorite IRS-qualified charities like St. Paul’s. You could create a set schedule for grants to go out or just do it whenever you desire.

**TAX ADVANTAGES**
There are several tax advantages to having a Donor Advised Fund. Your fund will be invested, and any growth is tax-free, which means even more dollars for your favorite charities.

Every time you make a contribution to your fund, you can claim an immediate income tax deduction. If you make a contribution with appreciated securities that have been held more than one year, you will avoid capital gains tax.

A Donor Advised Fund is also a great way to reduce your tax liability if you receive a large inheritance or sell a business. You could effectively pre-fund years of charitable giving by contributing a portion or all of your one high income event to a Donor Advised Fund.

**A LEGACY THAT CONTINUES**
If you set up your fund as permanently endowed, only the income from your fund will be granted out to your favorite charities. The principal will be invested and continue to grow. This means your legacy of charitable giving will continue in perpetuity even after your lifetime.

**ALREADY HAVE A FUND?**
Please consider making a grant recommendation for St. Paul’s. You can direct your gift to any fund or program you desire. To make it simple, here is the info you will need:

- **Tax ID Number:** 25-0773080

**Opportunities for Gifts of Appreciation to Staff**

Many residents, clients and families often ask how they can give back and say "Thank You" to the staff who have provided excellent care to their loved ones while living at St. Paul's. These three funds give you the opportunity to do so:

1. A donation may be made to the Staff Appreciation Fund. This fund enables St. Paul’s to recognize all staff. (i.e., to provide staff apparel, staff appreciation picnics, or gift cards for various occasions.)

2. A donation can be made to the Staff Education Fund. You can define the education opportunity or leave it to the administrator's discretion.

3. A donation of appreciation can be made to the Annual Staff Christmas Party. This donation can be given to the administrator or director and identified for the Staff Christmas Party and will be used to offset the cost and for staff gifts the night of the party.

If you would like to make a donation to staff for anything outside of these three funds, please see your administrator or director to talk about specifics.

**Employees may not accept individual gifts, cash or currency of any kind from a resident or family member. We appreciate your support of these guidelines in order for us to remain compliant with regulations and our corporate compliance policies.**
The Spiritual Council will NOT meet the first Tuesday in August due to continued visitation restrictions. We continue to be grateful for those who serve on the Council: from the Colony, Pastor Glenn Sadler, Ann Fowler, Bert Heckman, and Dee Henley; from the Ridgewood, Ruth Ann Jones; from the Heritage, Pastor Ray Brugler and Kathy Martorelli and from the Villas, Mary Alice Dean. We look forward to resuming quarterly meetings when that becomes possible.

Meet our New Chaplain, Pastor Nathan Seckinger

Greetings St. Paul residents, family, friends and staff—
I’ve been asked to share a little more about myself. To do that I need to introduce my wife to you all. Her name is Joyce and we’ve been married 34 years. As I used to tell our kids, she is the love of my life. A friend, partner, helpmate and confidant. We live on Coal Hill Rd, in Greenville on what my grandfather would call a gentleman’s farm. I’ve decided that means not big enough to make a profit, but large enough to spend on all sorts of wonderful things! Right now we have three dogs: Winnie a 100 plus pound border collie mix, Bandit a shi-poo, and Tucker a Boston terrier which is less than a year old. We also have a cat named Elmer and two goats and a bunch of chickens. We did have three geese and some guinea hens, but they walked off our property.

We have been in ministry for 32 years serving in Maine, New York, New Jersey and now in Pennsylvania. Each place had its blessings and challenges, which is the norm in all of life!

As I said before we have a son and daughter-in-law and a granddaughter named Elaina and another on the way! There is always excitement on the homefront! We also have a son whose name was Jed who passed away four years ago.

We are excited about this next chapter of ministry at St. Paul’s. We are looking forward to getting to know you all. Hopefully after this Covid thing settles down, you’ll get to meet Joyce in person. Also, know you have already been prayed for, that the Lord would bless you and show you favor and courage for the days ahead and bring joy into everyday situations.

Thank you all for the warm welcome we have already experienced.

Blessings,
Pastor Nathan Seckinger (and Joyce)

“Bible Meet and Greets”
Across the month of August, we will all begin to introduce ourselves and get acquainted with Pastor Nathan Seckinger, our new chaplain at St. Paul’s. As we do so in various settings, we will take the opportunity in our weekly Bible Studies to look at how new relationships get started in the Scriptures, how these develop, and what attitudes and actions encourage good growth in them. We will look at Moses and God; Jesus and Zaccheus; Ruth and Naomi; Elijah and Elisha; the fellow travelers on the road to Emmaus; the Risen Lord and the Apostle Paul, and others and see what we can learn together about making friends and being good partners with one another all our lives long.
A Message from Pastor Julia

In years past, we have put out a call this time of year for donations of school supplies to be distributed to students in need through the Good Shepherd Center. This year, I ask for a different kind of in-kind donation: prayers for the new school year ahead and all the children, young people, teachers, administrators, support staff, and family members who will be involved.

We have a rich history of education here at St. Paul’s. Many of our residents were themselves school teachers or professors across their professional careers, among them, Villas resident, Evelyn Kaufman, 105, who began teaching at the Columbia School in the Greenville School district and taught subsequently in other schools as well. Many others are proud and successful graduates of local school districts, colleges, or universities, not to mention grand/great-grand/ or even great-great-grandparents of current students. We have been blessed with youth volunteers across the years from St. Michael’s, East Elementary, and Commodore Perry, Greenville, Jamestown, Conneaut Lake and Reynolds High Schools and have regularly welcomed interns from Thiel College. And, of course, many of our staff members are parents of school-aged children and in the thick of it all.

Support for education and concern about how that will happen this fall in the midst of the coronavirus pandemic is something that unites us all. Regardless of our opinions as to how to go about it, we are united by a desire for children and young people to learn and grow intellectually, emotionally, and socially in a safe and healthy environment. We are united by a desire for teachers and other school personnel to enjoy good health and well-being as they use their gifts to encourage, challenge, mold, and inspire. And, I believe, as people of faith and goodwill, we have a lot to offer in terms of prayer resources: an ongoing relationship with the God who hears all prayer, time to do it, and confidence in its benevolent effect.

I’m sure every school year comes with its own hurdles, but it’s hard to imagine any more complex than this year’s, with such important needs like education and socialization, on the one hand, and health and safety, on the other, in potential conflict. Let us pray regularly and in a heartfelt manner for a good outcome for the school year ahead and for creativity, patience, good judgment, and divine help for all who work together in pursuit of that.

Resident of the Month:
Gerald “Rip” Campbell

Rip Campbell was born September, 19, 1931 in Greenville to Ralph and Alberta Campbell. He grew up with one sister, one brother, and two half-brothers. Rip attended Hempfield school as a child and remembered always going to Papa Wheely's roller skate.

On July 29, 1950, he married Dorothy Walker and they had three children together. They had a business called Campbell-Peterson Trail and Turf in Greenville for 23 years.

If you asked Rip what he enjoyed doing in his spare time, he would say going hunting. He and his wife also enjoyed spending time in Florida during the winter.

On July 18, the Pymatuning Outboard Motor Club held its first “Christmas in July” event. The club members had decided to get together for fellowship and to use the event as an effort to support a need in the community. St. Paul’s was selected as the recipient. Several residents of St. Paul’s have been members of the boating club in the past.

In June, Mimi Dreher, Director of Life Enrichment at The Villas, provided the club membership with a list of suggested items that residents would enjoy and find useful. Club members filled boxes and bags of items that were delivered to St. Paul’s on July 23 by members Sandy Scott and Judy Tarr.

Items included puzzles, playing cards, greeting cards and stationary, lotions, snacks and much more. In addition, some club members gave a monetary gift to be used for hair care. Residents will surely appreciate this gift when our St. Paul’s salons re-open!

A big shout out of thanks to all of the members of the Pymatuning Outboard Motor Club for such a special gift. The club has decided this event will be annual and similar gifts will be gathered each year for residents at The Villas, The Heritage and The Ridgewood.

The club’s membership consists of more than 200 members with nearly 185 boats docked at Pymatuning Lake. The first Christmas in July gathering was much smaller than usual club gatherings most likely due to COVID-19. Pictured above right are some of the club members who attended the event and above at right are Sandy Scott (left) and Judy Tarr who delivered the gifts.

August a Mystery Month

Batter up! Here comes August – the first pitch, Hit a home run let’s make somebody rich. Smash August days as hard as you can So dog days will fly and get cool in the wind.

Cool summer breezes are a month long gone, Now it gets chilly after sunset, sun just went down. Days getting shorter, yes long days, “So long.” Fall days, rain beginning, springtime is gone.

The harvest mostly in and everything in place Shuck or shell corn this month a little bit late Soybean and some seeds need a good frost First good frost and soybeans are harvested. Quite different from spring season, we sow, Abundant harvest we must reap before snow All from the storehouse up alone. God did keep Opened the doors of Heaven.

What a wonderful treat!

~ Thanks again, Glenn! ~

We’re getting used to hearing from Glen Shollenberger, resident on the Gardens, each month with a new poetic inspiration. Stay tuned for more installments in the coming months!

SUNDAY, AUGUST 9 — POSITIVE QUOTES AND INSPIRATIONS DAY — “Faith Sees the Invisible, Believes the Unbelievable, and Receives the Impossible.” ~ Corrie ten Boom. “A Dutch Christian watchmaker, Corrie and other family members helped hundreds of Jewish people escape during the Holocaust of World War II by hiding them in her home. She believed her actions were following the will of God. They were betrayed and caught. She was arrested and sent to the Ravensbrück concentration camp. Her most famous book, The Hiding Place, is a biography that recounts the story of her family’s efforts and how she found hope in God while she was imprisoned at the concentration camp.” (Wikipedia.org). Perseverance of the human spirit in difficult times…Inspiring!

PARADES OF GREETINGS IN AUGUST

Residents from the designated neighborhood will be escorted to the sidewalk strip starting at the round-a-bout by staff entrance/Meadows courtyard by the designated time noted below. (With proper distancing). Family may drive by with a cavalcade of waves, air hugs & greetings!

Wednesday, August 12 – 10:30 a.m. – Orchards Neighborhood

Wednesday, August 19 – 10 a.m. – Willows Neighborhood

FRIDAY, AUGUST 21 — “EMBRACE YOUR WEIRD” DAY! — What you think is weird is really your super power! Our quirks are what make us unique, so harness your super powers and embrace your weird! We will have some unusual activities on the neighborhoods today. Fly Swat Tennis, Believe It or Not Trivia and Buzzard Bingo. Odd Fact…Did you know that the “Windy City” name has nothing to do with Chicago weather? This nickname was coined by 19th-century journalists who were referring to the fact that its residents were “windbags” and “full of hot air.”

FRIDAY, AUGUST 28 — DREAMSICLES AND OUTDOORS DAY — Enjoy the day with Dreamsicles and other Frozen Treats! If the weather is nice, enjoy the outdoors! On this day in 1963 in Washington, D.C., Martin Luther King, Jr. delivered what is known as “I Have a Dream” speech. It is widely known as one of the most iconic and pivotal speeches in American History.
Drive by Greetings Parades continue all around campus! The Villas—by neighborhoods—held four parades in July and have scheduled another set to be held in August (see page 16 for details).

Families, friends and neighbors lined up in their cars decorated with signs, and balloons and even brought gifts for their loved ones and candy to share with their neighbors. They brought babies and pets to wave out the windows, too. Residents lined the sidewalks, also with signs and messages letting their families know they are all doing well.
