Let’s go way back to January 2020 – when things were “normal” at St. Paul’s. The Life Enrichment Team at The Villas was busy putting together the annual Snowflake Ball. Each year in late January, the Headland Friendship Commons gets decorated to look like a winter wonderland. Special hors d’oeuvre are plated, the chocolate fountain is filled and a band sets up for an evening of live music and dancing. On the neighborhoods, residents are getting dressed up in their finest. Team members are busy doing make up and hair and adorning the residents with jewelry and corsages. The residents’ escorts will be arriving soon! The annual mid-winter event gives residents and staff alike a chance to shake the winter blues for an evening.

The inaugural Snowflake Ball was held on January 25, 2007. Our Joining Generations partnership with Thiel College was only two years old at the time and the football coach offered to have the team participate in a community service activity. The first year, ten Thiel Tomcat football players were highlighted as “special guests” and the Snowflake Ball was born. Since then, the volunteer group has more than tripled!

“Each year has its own unique dynamics because of those who attend—students and residents,” said Mimi Dreher, Director of Life Enrichment at The Villas. “The young adults who participate sometimes are surprised and enlightened that age does not diminish spirit. I always have a hopeful feeling at the end of the night—the students are generous, courteous and respectful and the residents reminisce about the evening for quite some time.”

This event has not only been impactful to our residents, but the students also have lasting memories. Last year, one former student volunteer, Adam Mott, left a comment on our Facebook page after we shared some photos from the 2020 event: “Graduated back in 2013, and still have memories of the residents we visited for the Snowflake Ball. Now that I’m coaching, I’m [going to have] my athletes do a similar event. Such a great event to impact young adults!”

Mott (pictured above, back left in 2012) majored in communication and media studies at Thiel College and was a member of the football and wrestling teams. Currently he is a football and wrestling coach at Shaker Heights High School near Cleveland, Ohio.

“I remember to this day, the impact it had on me and...
it’s something I want to instill in my athletes,” said Mott. “All of the community service projects we participated in through the Thiel Football program showed me what kind of effect young people can make in their communities and I want my athletes to understand that.”

He fondly recounted some of the stories that residents shared with him and memories from several years attending the Ball. “I remember a 100-year-old woman told me she had ridden a motorcycle across the country! The ladies were the most energetic on the dance floor and some jokingly told us they wished we could stay for a night cap when we escorted them back to their rooms! I loved the interactions and the relationships that were built.”

Mott had several service projects with local nursing homes in his area set up, but COVID-19 restrictions halted their plans. Unfortunately, due to our restrictions and safety guidelines, there was no Snowflake Ball this year, but there is great hope that enjoyable events will be happening again and perhaps other, similar activities in communities near and far will be held to give youth an opportunity to engage with older adults in lasting and meaningful ways!

Until then, enjoy these fun photos from the archives!
The annual “It’s All About Heart” campaign will kick-off online in February to raise funds to support the Eden Alternative, the philosophy of care we embrace at St. Paul’s.

Through the Eden Alternative we strive to create a caring, inclusive and vibrant community that enables all of us, regardless of age or ability, to experience well-being, which is the path to a life worth living.

Your donation to “It’s All About Heart” will be used to support meaningful activities that help residents and team members build relationships, experience personal growth, and find purpose and meaning in their lives.

Make your personal gift in February and it WILL BE MATCHED DOLLAR FOR DOLLAR by a generous donor, up to $5,000! Your $25 gift can become $50!

St. Paul’s Billing Specialist Sandi Landfried donated to last year’s campaign. “I donate to support the Eden Alternative because I know how much joy it brings the residents. And as a team member, it gives me pleasure seeing the smiles on their faces,” said Sandi.

Each team member and resident at St. Paul’s are part of an Eden family with whom they can build meaningful relationships, celebrate life, and support each other through the ups and downs.

How did COVID 19 affect our Eden activities in 2020?
Although our Eden families were unable to do all the things they normally would, they still came up with some creative ways to help residents live a meaningful and enriching life.

To name just a few, families enjoyed pizza parties, popcorn parties, ice cream treats and gardening. The Bluebirds family welcomed a new house cat Flower, who loves living at The Heritage with all her new friends. Eden funds were also used to help make Christmas extra special for the residents at The Heritage, The Ridgewood and The Villas.

In 2021, we will continue to seek creative ways to utilize the “It’s All About Heart” funds while still dealing with the pandemic. We look forward to the days when safety restrictions are lifted, and we can truly embrace all aspects of the Eden lifestyle once again.

Policy on gifts and gratuities

While residents, clients and family members often wish to show their appreciation for the care and services rendered by St. Paul’s staff, St. Paul’s must ensure that residents, clients and family members do not feel obligated to give St. Paul’s or its staff gifts or gratuities in order to assure a resident or client receives quality care. In order to comply with this policy St. Paul’s has set forth the following guidelines:

1. Employees may not ask or suggest that a resident or client, or any person acting on behalf of a resident or client should offer or give gifts or gratuities to St. Paul’s staff.

2. Employees may not accept cash or currency of any kind, including but not limited to tips from any source or individual. Employee bonuses and/or gifts provided by St. Paul’s do not constitute gifts or gratuities.

3. Employees may only accept non-cash gifts that do not exceed $10.00, and/or are shared by the whole staff. In order to be considered a non-cash gift, the gift cannot be converted to currency.

Opportunities for Gifts of Appreciation to Staff

Many residents, clients and families often ask how they can give back and say “Thank You” to the staff who have provided excellent care to their loved ones while living at St. Paul’s. These three funds give you the opportunity to do so:

1. A donation may be made to the Staff Appreciation Fund. This fund enables St. Paul’s to recognize all staff. (i.e., to provide staff apparel, staff appreciation picnics, or gift cards for various occasions.)

2. A donation can be made to the Staff Education Fund. You can define the education opportunity or leave it to the administrator’s discretion.

3. A donation of appreciation can be made to the Annual Staff Christmas Celebration. This donation can be given to the administrator or director and identified for the Staff Christmas Celebration and will be used to offset the cost and for staff gifts the night of the party.

If you would like to make a donation to staff for anything outside of these three funds, please see your administrator or director to talk about specifics.

Employees may not accept individual gifts, cash or currency of any kind from a resident or family member. We appreciate your support of these guidelines in order for us to remain compliant with regulations and our corporate compliance policies.
**Wednesday Evening Worship Broadcasts**

**Wednesday Service of Holy Communion at The Colony in the Keifer Gym at 2:30 p.m.** Pastor Nathan will be the preacher at both services, and Pastor Julia will preside.

It is our fervent hope to be able to serve Holy Communion to residents in The Villas, The Heritage, and The Ridgewood across that week, if health circumstances allow. We will be consulting with the various Administrators as it gets closer to time and scheduling through Life Enrichment if we have permission to do so. It will be our joy to bring the sacrament to residents in our care, and we look forward to serving you in that way.

**Annual Women’s Retreat Re-imagined**

**Tuesday, March 2**

**Channel 1851**

**10 a.m.**

This year’s Women’s Retreat will take place via broadcast, but will still include the majority of its usual component parts: devotions, special music, a teaching presentation by Pastor Julia Fraser, and favors to enjoy at home. Unfortunately, we will not be able to share a delicious luncheon together, but there will be a goodie bag for each participant which will include light refreshments.

The theme of this year’s Women’s Retreat will be from Proverbs 27: “A Sweet Friendship Refreshes the Soul.” Across our hour-long broadcast, we will look at Bible teaching about friendship; special friendships featured in the Bible; and how our own friendships enhance our lives, from beginning to end.

Be on the look-out for Registration Information available through Life Enrichment Staff.

Hope to see you then!
A Message from Pastor Julia

A few years back, I preached an Ash Wednesday sermon about artist Robert Rauschenberg’s all-white paintings, many of which were then gathered for a retrospective exhibit in a gallery in New York. Though we often think about Ash Wednesday as a dark day—a day to reflect on human mortality and to be marked with ashes as a sign of that—Rauschenberg’s all-white canvases spoke to me about the clean, fresh start made possible for us as God’s people through the act of repentance and forgiveness that is also an important focus of the Lenten season. Indeed, Rauschenberg himself sensed a spiritual source of inspiration for these works. He felt they were about creation, newness, the possibility of “today,” and about God, up against whose purity and goodness, both the light and the shadow of human life is revealed.

Rauschenberg painted many all-white canvases in the 1950s—and then painted over some of them later on! He did this partially for reasons of economy, but mindful of theological truth as well. He didn’t feel the white paintings ceased to exist when painted over, but that they continued to be a living concept, with the potential to be made new all over again in the future. I like what this suggests about the process of a life of faith over time, about the good and godly image in which we were originally made, and about the opportunities God subsequently provides for creative change and renewal across our lives.

Psalm 51 says, “Create in me a clean heart, O God, and renew a right spirit within me.” May our observance of Ash Wednesday on February 17 prepare us for a clean, fresh start within ourselves, in our life with God, in our common life with others, and in the life of the world at large.

TUESDAY, FEBRUARY 2—NATIONAL GROUNDHOG DAY Legend has it that if the groundhog sees his shadow, he’ll return to his hole and winter will last another six weeks. Other names for the groundhog include woodchuck, whistle-pig and a land-beaver. Their burrows can consist of nearly 50 feet of tunnels, buried five feet underground, with multiple exits in case the animals need to escape from predators. Groundhogs will sleep in their burrows, raise their young there, and hibernate through the winter. (sarahsscience.com) Whether Phil sees his shadow or not, the hope of Springtime Renewal in 6 weeks endures! Wear a favorite shirt! If you were in the movie Groundhog Day… what shirt could you wear over and over and over?

FRIDAY, FEBRUARY 5—SWEATER WEATHER Warm up the season with a deliciously decadent Hot Cocoa Bar & Treats! Marshmallows, whipped cream, spices, shaved chocolate & cookie dippers! "A midwinter duet of cozy blanket cuddles and a mug teeming with hot cocoa complements the chill of February's refrain." ~ Jane Stratford Long. Wear a sweater or snuggly shirt.

SUNDAY, FEB 7—SUPERBOWL SUNDAY Even if your favorite team didn’t make it to Superbowl LV, wear a team favorite this day. Turn in the Superbowl Matching Game for a chance at a Soup-er Bowl of a Basket!

FRIDAY, FEBRUARY 12—CELEBRATE VALENTINE FRIDAY Wear reds or pinks for the upcoming holiday! Valentine’s Day celebrates love…not only romance, but friendship. “Love is patient and kind; love does not envy or boast; it is not arrogant or rude. It does not insist on its own way; it is not irritable or resentful; it does not rejoice at wrongdoing, but rejoices with the truth. Love bears all things, believes all things, hopes all things, endures all things. Love never ends.” ~ I Corinthians 13: 4-8, English Standard Version. We will also be getting Valentine “advice” from residents. Staff can enjoy Valentine treats for lunch and supper at staff caf! Residents will have their goodies on February 14!

FRIDAY, FEBRUARY 19—IT’S IN OUR NATURE In 1856, the tintype camera was patented by Professor Hamilton L. Smith. Photography continues to be not only an art form, but captures moments in time that secure memories. We would like to see your best shots, whether from cell or camera. To narrow it down, we are going to “focus” (ha ha) on nature: skies, waters, fields, forest, fauna, etc. We’ll collect them and put on our in-house channel for residents and staff to enjoy together! Choose your best one and send to either mdreher@sp1867.org or any of the Life E staff by February 15. Feel free to send a title with your pic! Wear something that expresses your creative side.

FRIDAY, FEBRUARY 26—WILD WEST William “Buffalo Bill” Cody was born on this date in 1846. He was an American soldier, bison hunter, and showman. He also was a recipient of the Medal of Honor, a performer, a purported rider for the Pony Express, and a civilian scout for the U.S. Army. He strongly influenced the idea of the ‘Wild West’ through his popular tour which also included Annie Oakley, Will Rogers, Calamity Jane and Sitting Bull (Wikipedia.com). We’ll be ‘round the neighborhoods for a Quick Draw Black Jack game! Try to win against the dealer if you dare. Prizes for wins! Add a western flair to your wear!

Happy Birthday
When days seem dark and dreary
Open your heart, look up! to tease
Rays from the loving sunshine and breeze
Heaven sent us all we need, free love
From the storehouse of eternity

Love is kind, love is true
Love is never alone or behind
Love is kind, almost sure to bind
Your heart has love, faith and hope too
Trust the Lord you will understand

Love is so amazing to the youth
It captures souls when two become one
With truth and hope, faith too a life begins
God’s peace, friends forever, Heaven sent
Love is the access to grace—and saved be

Happy 2021
Volunteers! We are looking forward to the moment when you are able to join us on campus once again! We miss you! There are several guidelines related to the pandemic that influence your return. Those guidelines are set forth by the PA Department of Health and the Centers for Disease Control. According to the PA Dept of Health, the percentage of community spread of COVID-19 and conditions on campus determine when volunteers and visitors may return. Currently, those statistics reveal that we must still practice an abundance of caution and continue to postpone volunteering. We will keep in touch with information and let you know when we can see your smiling faces! I am looking forward to meeting you in person and getting to know you well! Let’s keep our chins up for a bright future of volunteering at St. Paul’s!

Please call or send an email if you have questions.

With appreciation,
Wendy Vaughn

Q: What do two oceans say when they meet one another?
A: Nothing—oceans don’t speak...they only wave!

Q: Why do bees have sticky hair?
A: Because they use honeycombs.

Q: Why did the golfer bring two pairs of pants?
A: In case he got a hole in one!

Q: What do you call a fake noodle?
A: An impasta.

There’s always a joker in the pack! And Judy Nashtock is the resident comedian on Gardens B at The Villas. She says that she tells jokes, “because it makes people smile and happy!” Here are a few of her “cheeky” selections she wanted to share with our readers.

Thanks again Glenn, for another timely message in poem form. Glenn is pictured here showing a photo of his “Love.”
