Every day might seem like “the longest day” to an individual suffering from Alzheimer’s disease—and likewise for their caregiver. Each year, the Alzheimer’s Association uses June 21 (the summer solstice and the longest day of the year) to promote Alzheimer’s awareness and raise funds for the fight to end Alzheimer’s disease.

St. Paul’s Senior Living Community is proud to be a partner in the fight and on June 21 we had an information station in The Villas Lobby from sunrise (5:48 a.m.) to sunset (8:59 p.m.) with treats available for a donation, a gift basket raffle and educational information.

Mark your calendars and plan to join us for this year’s Walk to End Alzheimer’s on October 12 at Linden Point in Hermitage, Pa. For more information on how you can join St. Paul’s in the fight to end Alzheimer’s, and information on how to join St. Paul’s team for this year’s Walk, please contact Tammy Lininger.

We collected nearly $550 in our “Change for a Change” jar! Thank you to everyone who supported our efforts on The Longest Day!
The members of St. Paul’s team strive to provide excellent care to our residents and are encouraged to treat others as they would want to be treated. We wouldn’t be able to create a meaningful life for our residents without our committed and dedicated team members.

Many residents, clients, and families often ask how they can give back and say “Thank You” to the staff who have provided excellent care to their loved ones while living at St. Paul’s.

The Staff Appreciation Fund allows individuals to formally recognize the exceptional care and attention that is received. Gifts may be given to this fund throughout the year.

“I gave to the Staff Appreciation Fund not only because of the high quality care that was provided to my father while he resided at the Ridgewood, but also because the staff showed genuine compassion which is so important to me,” said Brenda Connelly. Brenda’s parents Horace “Dutch” and Alyce Reichard moved to the Ridgewood in March 2017. Dutch recently passed in October and Alyce still happily resides there. The Ridgewood staff enjoyed a pizza party in honor of this generous gift.

If you are interested in donating to the Staff Appreciation Fund you can do so by sending a check to St. Paul’s Charitable Giving Office or through our website at www.stpauls1867.org/donate.

Tim attended Thiel College, received a bachelor’s degree from Graceland College in Iowa, completed a Masters of Science Degree in Wildlife Biology at Michigan State University, a Doctor of Veterinary Medicine Degree at Washington State University and a Zoo Animal Residency at the San Diego Zoo and Wild Animal Park.

He has worked as a wildlife consultant in several states, a zoo veterinarian at the Woodland Park Zoo in Seattle, Ore., and the Toledo Zoo. He has conducted wildlife veterinary medicine field research, taught veterinary and veterinary technician students and practiced exotic animal pet medicine through his Dr. Tim’s Wildlife and Exotic Care LLC.

Keifer Chapel Service Summer Recess
There will be no monthly Wednesday Morning Worship Services at the Keifer Chapel during the summer months of July and August.

Weekly Bible Study groups are beginning a new summer study of the Old Testament Book of Daniel.
This book, based on the activities and visions of a noble Jew exiled in Babylon, is written in two parts. This first portion, comprised of Chapters 1-6, tells the story of Daniel in the Lion’s Den, a story of witness to faith and protection from danger occurring during the Babylonian Exile. The second portion, comprised of Chapters 7-12, records visions of the end times similar in spirit to those found in the New Testament book of Revelation. Our study of Daniel is intended to be good follow-up to our recent look at the stories of Esther and Judith, which also relate, in place or time, to periods of Persian rule in the Middle East.

Newcomers are always welcome to join us!
Heritage Bible Study in the Anderson Fellowship Hall — Wednesdays at 1 p.m.
Ridgewood/Colony Bible Study in Harmony Hall at the Ridgewood — Thursdays at 10 a.m.
Villas Bible Study in Headland Friendship Commons — Thursdays at 2 p.m.
A Message from Pastor Bill

With gladness and simplicity of heart

Acts 2 is an important passage for the church. It tells of the Holy Spirit descending on those in the Upper Room on Pentecost, of Peter bolding preaching, and beginning in verse 42 an idea of what the early church was like.

They met daily in the temple courts rather than once a week. They sold possessions and generously gave the proceeds for the benefit of any of the believers who had a need. They regularly ate meals together going from house to house.

The second part of verse 46 notes, “they ate their food with gladness and simplicity of heart,” as they praised God and enjoyed the favor of all the people.

Gladness means feeling joy or pleasure, delighted, pleased, glad about the good news, while simplicity of heart refers to freedom from subtlety and is said to bring freedom.

Summertime is a time for picnics and other gatherings. Yet, I can think of times when I was gathered eating with others that I felt like it was an obligation or requirement rather than a time of gladness. So what led those in Acts 2 to feel a sense of gladness and simplicity?

We see they were daily gathered to worship the Lord. Their commitment to one another included eating together in each other’s homes and being willing to sell their possessions to take care of each other. They even had favor with everyone.

They clearly put God first place in their lives and then humbly sought to care for one another. They were living what Jesus said in Matthew 22 about the greatest commandment:

37Jesus said to him, “‘You shall love the LORD your God with all your heart, with all your soul, and with all your mind.’ 38This is the first and great commandment. 39And the second is like it: ‘You shall love your neighbor as yourself.’

Food for thought!

— Pastor Bill

**Important:**

**Securing Resident Valuables at The Villas**

St. Paul’s strongly discourages keeping valuable jewelry, papers, money or other items considered of value at St. Paul’s. Should a resident of The Villas insist on keeping any valuables (monetary or sentimental) in their possession, the top drawer of each resident’s nightstand is equipped with a lock. Keys can be obtained from the admission office or through your social services coordinator. St. Paul’s also offers its residents the opportunity to open a resident fund account. This offers a convenient and safe alternative for keeping cash on hand. The money is kept in an interest bearing account and can be accessed through the receptionist from 8 a.m. – 9 p.m. daily for Villas residents.

Residents (or their family) should inform St. Paul’s of all valuable property upon admission and ongoing if new items are added to or removed from the resident’s possessions. Should any item be identified as lost or missing, it is important to notify the staff immediately upon discovery. St. Paul’s does maintain a lost and found log and will investigate any reports of missing items to the best of their ability. As per the admission agreement, the resident is responsible for obtaining at his or her own expense, any insurance coverage necessary to cover potential damage to or loss of any personal property.

Please feel free to contact Tammy Lininger, The Villas Administrator, with any questions.

**Common Elder Scams**

Financial abuse of the elderly is thriving. Advise your loved ones to be on the alert for these common scams:

**Government impostors**

Individuals call saying they represent Social Security, Medicare, the VA, or the IRS. They describe a problem with an account. Or taxes owed. Then they ask for name, date of birth, and Social Security number for “verification.” They may claim that arrest is pending and money is required. Another variation requests bank account information to “direct deposit an increase in monthly payments.”

**Grandparent scam**

Someone claiming to be a grandchild calls. They are distressed and say they are in trouble and need a money transfer. Then a “policeman” or “doctor” gets on the phone. They may add credibility by mentioning details gleaned from the true grandchild’s Facebook page. Another tip-off? The “grandchild” will likely say, “Don’t tell Mom or Dad!” (Thieves thrive on secrecy.) Average scam: $2000!

**Loans taken out**

Scammers can use personal information to secure a loan at any bank. It could be months before your relative finds out a car loan, mortgage or line of credit has been taken out under his or her name. Your loved one could be liable.

**Tips for your relative:**

- Never give out sensitive information unless you initiated the contact. Official organizations do not initiate calls. Even an official-looking email with a link to an official-looking website can be a scam. Most legitimate communication comes by regular mail.
- Hang up immediately if they talk about jail or cutting off payments. Threats like these are bogus. Social Security, Medicare, and the VA do not suspend accounts or stop payments like this.
- Put a freeze on all credit reports. New loans or accounts cannot be opened without personal authorization.
- Sign up with AARP Watchdog Alerts. Go to aarp.org/money/scams-fraud/ to learn about current scams. Or call 877-908-3360.

Each pink Appointment Reminder Slip has this same request noted on the bottom of the paper as a reminder.

We are educating our staff that when pushing a resident in a wheelchair, they are to use foot pedals. We are strongly encouraging families to do the same. Regardless of the distance, whether 5 feet or 500 feet, our loved ones can get tired of holding their legs up and may unexpectedly put them down, creating the potential for injury.

It is understood that residents have personal preferences regarding the use of foot pedals, but with education and encouragement, most understand the reasons for our insistence. We wanted to share this information with you as friends and families to reinforce this practice of utilizing foot pedals when pushing residents.

As our ongoing staff education continues, we have some residents who often self propel themselves to where they are going. If they are self propelling, they don’t need the foot pedals; but we are encouraging the use of bags on the back of wheelchairs for convenient access to foot pedals should they need a helping hand to push them. If your loved one could benefit from a bag on the back of their chair for the pedals, and doesn’t currently have one, please let us know. We are happy to provide one.

If you have any questions, please feel free to speak with your neighborhood RN manager, Leann McCurdy, Director of Nursing or Tammy Lininger, Administrator. Thank you!

~ Resident Refrigerator Use at The Villas ~

While St. Paul’s does not encourage the use of personal refrigerators in resident rooms at The Villas, in keeping with our philosophy of person-centered care, should a resident desire to have a personal refrigerator, St. Paul’s will make every effort to accommodate the request should the resident and family agree to abide by the facility’s policy. It is important that you notify the admissions/social services department BEFORE you bring in a personal refrigerator. These personally owned refrigerators are subject to the same guidelines under Pennsylvania Department of Health, as those that belong to St. Paul’s. As such, these refrigerators are inspected by Department of Health during their annual survey and St. Paul’s is required to have a policy that delineates responsibility for ensuring that their standards are maintained.

The policy states the resident and/or family must provide and keep a thermometer inside their refrigerator so you can assure that the temperature is maintained below 41 degrees F. Furthermore, the resident and/or family are responsible for ensuring the refrigerator is kept clean and that perishable foods are discarded by expiration dates. St. Paul’s reserves the right to conduct periodic inspections of the refrigerators to ensure compliance with these guidelines. Failure to comply may result in the removal of the refrigerator from the resident’s room.

Please feel free to contact Tammy Lininger, Administrator at The Villas, 724-588-7610 with questions or concerns.

~ Resident Council ~

Resident Council meets the fourth Tuesday of each month at 10:15 a.m. All residents in The Villas are invited to attend.

~ Clothing Reminder for Villas Families ~

If you are bringing in clothing for your family member, we like to be sure the items are labeled with the resident’s name. Please give them to your nurse or aide and they will make sure they are sent to the appropriate department for labeling. Note: all clothing should be labeled for inventory purposes. Thank you.

$ Casual Fridays were created to help support the Residents’ Life Enrichment Fund. Staff members participating in casual wear on Fridays are asked to please participate in the theme wear as listed and assist us in maintaining the Residents’ Fund through the purchase of a jeans sticker for $1.00. (Located at the reception area). Thank You!

We encourage family and friends to join us at any and all special activities planned at The Villas. If you’d like to take pictures, we ask you to please keep in mind that some of our residents have photo objections, and to limit your photos to only your loved ones enjoying the event.

~ Attention Dog Owners ~

St. Paul’s is proud to be an Eden Home, where families are able to bring their family pet in to visit with loved ones, but with so many dogs visiting, we ask that you please leash your pet while going from room to room. This is for the protection of our residents as well as for the other dogs here visiting. If you have any questions, please see Missy Nitch, Pet Committee leader. Thank you for your cooperation.

Also - a reminder: if you bring your pet to visit any of our residents, we must have a copy of their current vaccination record on file. The receptionists are able to make copies and will forward them to Rhonda Pipp. If you are unsure if there is already a current record on file, please feel free to contact Rhonda at 724-588-7610 ext. 1173.

How GoSafe 2 Detected A Fall

By Michelle Bish

Meet Orville Dean—he is 98 years old and lives independently with help from his Without Walls Care Partner, Gayle. As I was welcomed into his home it was apparent he has a large, loving family. There's more than 100 snap shots covering his kitchen wall. I was surprised to find his care partner and Orville setting up their music instruments. Orville with a banjo, older than he is, and a harmonica held in place with a special device so he could play both instruments. With Gayle on her keyboard, they started to play music together as they have for years (Orville and Gayle have attended the same church for decades). The connection between the two of them is a great friendship.

Gayle had approached me a few months ago with a concern about a recent fall Orville had. She was inquiring about the Philips GoSafe 2 pendant. After speaking with Orville and his family, they decided this product would benefit Orville because the GoSafe 2 pendent allows coverage both in and out of the home. The pendant is equipped with AutoAlert fall detection technology. If a fall is detected, AutoAlert automatically places a call for help if the client can't push the button. GoSafe 2 uses more than GPS to find you in an emergency situation. With the GoSafe 2 pendent, Philips Lifeline can engage up to five different locating technologies to help responders identify your location. With two-way voice communication you speak directly into the pendant to a Lifeline response associate, providing fast and easy access to help.

One month after installing Orville's GoSafe 2 pendant, he tripped over his coffee table and fell at 2 a.m. His button detected his fall alerting Philips. When he didn't respond to their calls, Philips contacted EMS and his family. Orville was taken to the hospital for treatment. Orville and his family are grateful for Philips GoSafe 2 technology.

Today, Orville still lives independently in his home where he is known as the “Top Dog” in his building complex for holding the highest score of 300 on Wii bowling. He is always up for a challenge on his checker board and still enjoys playing music with Gayle.

For product information or questions please call St. Paul’s Without Walls at 724-589-4740. Michelle Bish will be able to help you.
