Needless to say, these past few months have been a new and challenging experience for all of us. However, during these unprecedented times we also have much to be grateful for. This month we’d like to focus on our team members and the remarkable care and compassion they have shown during such adversity.

Each day, team members from all departments have reported to work prepared to do their normal tasks, but each of them have been called out of their normal routines and responsibilities to do so much more. So many of our team members have shifted their responsibilities allowing time to help with new requirements and responsibilities related to COVID-19. In one way or another COVID-19 has affected every department and every team member.

Team members have invested time and attention to securing and purchasing needed specialized supplies and equipment, setting up stations and procedures for daily screenings and required testing, modifying processes for cleaning and disinfecting, adjusting routines to provide engaging activities and dining while maintaining social distancing, spent hours each week researching regulations, recommendations and requirements and developing plans to incorporate them into life at St. Paul's, and so much more.

In addition, those team members who provide direct care to residents and our home care clients have adjusted their procedures and daily practices to provide a safe and healthy environment for those in their care as well as their fellow team members.

We have more than 500 individuals who have continued to work throughout this pandemic displaying exceptional attention to detail and genuine concern for our residents and clients. Each of our team members have given sacrificially to uphold our mission, all while creating life worth living.

Although, we recognize the sacrifices that families have made due to visiting restrictions, we pray that you trust in knowing that your loved one is in good hands and our team members are caring for them as though they were their own family members.

As we look forward to July, we anticipate life will remain the same on our campus. Communities around us continue to open up which in many ways reminds us how vigilant we need to be to keep COVID-19 away from our campus, our residents, clients, and team members. We will continue to take the necessary measures to keep our St. Paul's family safe and healthy.

Please know that we continue to monitor requirements and recommendations provided by the PA Department of Health, Centers for Medicare and Medicaid and the Centers for Disease and
During the Coronavirus (COVID-19) Pandemic

Like so many around the world, the whole of St. Paul’s Senior Living Community is living in the midst of an historic moment. Years from now, some will want to know how we lived and experienced the Coronavirus (COVID-19) pandemic in 2020. The experiences of everyday people are essential to understanding the past and this moment in our lives is no different.

We have a collection of items that document the history of St. Paul’s as far back as the mid-1800s. We have thousands of photographs, albums, newsletters, and other memorabilia in our archives documenting the St. Paul’s experience. We want to add your story of how you and your family are understanding and experiencing the current “new normal.”

Why this is important?

Items in our collection let us hear the voices and see the people from our past and preserve individual and collective memories. We can appreciate the joys and disappointments, as well as achievements, failings and even life lessons or insights that have been learned. We can even understand the normalcies of everyday life – what the weather was like, how holidays were celebrated, or what someone ate for dinner.

What should we write about?

• How are you connected to St. Paul’s? (resident, family member, team member, alumnus, board member, other)
• Where are you located? (city, state, country)
• What was your reaction to the initial news about the Coronavirus (COVID-19) pandemic? Has your reaction/view changed over time? How?
• What was your reaction to state/federal government responses, guidelines, recommendations, restrictions? Has your reaction/view changed over time? How?
• What was your reaction to St. Paul’s initial response (screening employees, restricting visitors, etc.)? Has your reaction/view changed over time? How?
• How has your daily life changed? (i.e. social distancing, wearing masks, working from home/job loss)
• What have been your biggest challenges?
• What are some positive experiences or lessons that you’ve encountered?
• What societal shifts or changes do you expect or hope to see when things get back to “normal”?
• Can you compare this experience with other times in your life that you can remember?

Email your story to: jkather@sp1867.org. We invite you to include photos, copies of newspaper clippings or other relevant media that support your experience. Let us know if we can publish your name or if you’d like your response to remain anonymous.

Is there anything we should avoid writing about?

The information that you share may be used for current publications or may be used at a later date about the historical experience at St. Paul’s. Avoid including anything that you wouldn’t want us to share or others to read. Consider keeping your responses focused on your family’s experience not others’. **Future generations at St. Paul’s will thank you for sharing!**
Thank you to all of our gracious donors for being a Good Samaritan! A record breaking 200 supporters donated $37,847 to the 2020 Good Samaritan Appeal. Your support means so much to the residents at St. Paul’s who can no longer afford to pay the full amount of their care. You are helping to support our mission to provide meaning, richness of life and healthcare services to all residents residing at St. Paul’s.

If you have not yet donated to the Good Samaritan Appeal, there is still time!

At St. Paul’s the need for benevolent care is great! Last year, St. Paul’s provided $5.3 million in benevolent and unfunded care. That is 62% of residents in skilled nursing and 12% of those living in personal care who cannot afford to pay the entire amount of their care.

The Good Samaritan Fund is only possible through your support. Please help us to continue providing peace of mind for our residents and make a gift today! Together, we can make a difference!

**How to Donate:**

1. **TEXT-TO-DONATE**- Through your cellphone you can text the word GOODSAM20 to the number 44-321.

Opportunities for
Gifts of Appreciation to Staff

Many residents, clients and families often ask how they can give back and say "Thank You" to the staff who have provided excellent care to their loved ones while living at St. Paul’s. These three funds give you the opportunity to do so:

1. A donation may be made to the Staff Appreciation Fund. This fund enables St. Paul’s to recognize all staff. (i.e., to provide staff apparel, staff appreciation picnics, or gift cards for various occasions.)

2. A donation can be made to the Staff Education Fund. You can define the education opportunity or leave it to the administrator’s discretion.

3. A donation of appreciation can be made to the Annual Staff Christmas Party. This donation can be given to the administrator or director and identified for the Staff Christmas Party and will be used to offset the cost and for staff gifts the night of the party.

If you would like to make a donation to staff for anything outside of these three funds, please see your administrator or director to talk about specifics.

Employees may not accept individual gifts, cash or currency of any kind from a resident or family member. We appreciate your support of these guidelines in order for us to remain compliant with regulations and our corporate compliance policies.
To my St. Paul’s Family,
It has been an honor to be part of this awesome team. Many thanks for all of the kind words and warm wishes, the cards and gifts. I will be praying for you for God’s blessings and peace as well as Him keeping you safe.
God bless,
Pastor Bill

Summer Holy Communion

Across the month of July, ecumenical services of Holy Communion will be celebrated across campus as a source of spiritual nourishment for residents and staff and a continued reminder that Christ is with us in the midst of this and every difficult time.

We will again use the pre-filled sealed cups and wafers, gloves in serving, and observe appropriate distancing. Thanks in advance to the Life Enrichment staff who will assist with serving.

Holy Communion will occur:
• in The Colony on Wednesday, July 8 at 10:30 a.m. in the Rust Pavilion;
• at The Ridgewood on Tuesday, July 14 at 9:30 a.m. in resident rooms;
• at The Heritage on Tuesday, July 21 at 10 a.m. in resident rooms;
• in Jones Serenity Circle and Lane during weekly Devotions;
• in The Villas neighborhoods TBA during the last week of July.

Almighty God, you provide the true bread from heaven, your Son, Jesus Christ our Lord. Grant that we who receive the sacrament of his body and blood may abide in him and he in us, that we may be filled with the power of his endless life, now and forever. Amen

July Bible Study Broadcasts
Thurdays at 1 p.m. on Channel 1851
This month’s topic is Bible Barnyard
A few years back, we did an interesting series on food in the Bible and learned a lot about the (largely) vegetarian diet of people in the Scriptures. This month, we will be looking at farm animals and the way they figure practically and metaphorically in familiar Bible passages. Through this study we will learn what daily life and work was like in Bible times; how wealth and status were measured; and how people extended hospitality and celebrated important occasions—while at the same time reflecting on farm life as it exists now in our rural corner of the world and as it was practiced in a previous generation.

Hope you’ll tune in!

We have had a very a successful outcome to our search for a new Chaplain!

Pastor Nathan Seckinger will join the Spiritual Services Department at St. Paul’s beginning in early August. He is already well-known to many in the Greenville community having served for the past 10 years as pastor of the local Christian Missionary Alliance congregation.

We are pleased to welcome Pastor Seckinger and thank God for leading him into a new chapter of ministry among us here.

“I am so excited about joining the St. Paul’s community as chaplain,” Pastor Seckinger said. “I look forward to getting to know you in the days ahead. It will be an honor to serve you and I hope to be an encouragement.”

Pastor Bill Kirker (left) bid farewell to the residents at The Colony via golf court on a tour through the neighborhood on his last day before retirement, June 2.
A Message from Pastor Julia

This month, we have the opportunity to share Holy Communion together which many of us, I think, will experience as a greater blessing than ever before, given the disruption of customary worship practices (including weekly, monthly, and even holiday reception of Holy Communion) across the past couple of months.

I know I am hungry for this—both to receive the body and blood of our Lord Jesus Christ myself and also to serve it within our community which has always been such a deeply meaningful part of my pastoral ministry. Holy Communion, it seems to me, is always a wonderful spiritual opportunity to come before God thirsty, hungry, needy, and unashamed of any of that, with mouths and hearts open to whatever God, through his grace and bounty, wishes to provide.

In the midst of this present crisis, Holy Communion feels to me like manna in the wilderness, that miraculously provided bread from heaven intended to fill God’s people up body and soul and to take away fear and anxiety about whatever the future holds in store. Through this meal, God feeds his own with bread and wine, with love and care, with mercy, forgiveness, encouragement, holy help, and strength to serve. That sounds like quite a banquet, and I am looking forward to it!

Independence for All

Hundreds of years ago our independence won
Freedoms and liberties are no longer gone
Men went to battle, some not to return
They fought their hearts out, not so absurd
They had and took with them, The Almighty Word.

We remember them with our fireworks bright
Everyone had candles, rockets & sparklers at night
Firecrackers we had, often injuries we did dread
We wondered how awful the injury, better not dead
With glory we raise the red, white and blue.

With a field of stars means United States Flag
Many have tried, but failed to succeed
Almighty God watches over us all
We will stand up for Jesus! He gave it His all
United States a Republic, not one to fall.

(Above l. to r.) Audrey Bates, Life Enrichment; Glen Shollenberger, resident on the Gardens and Pastor Julia Fraser, Director of Spiritual Services pose for a photo at the first of four “Drive By Greetings” held outside of The Villas in June. We introduced you to Glen in last month’s issue of Campus Connections and shared his poem, “Springtime.” During this time when visitation is restricted and many activities around the community have changed, Glen has been inspired to write poetry and share his words. At left is the latest poem that Glen has offered to share with you.

Pet visits are back! Staff at The Villas know how much their residents love pet visits. A visit from a furry friend can certainly lift their spirits!
With very specific safeguards in place for safety and infection control, sibling chihuahuas Penny (she’s in the pink harness) and Pete came to visit and brought smiles and plenty of joy to residents Jennie Reinhardt (top) and Eileen Hanson. Thanks Betsy Klingensmith, receptionist at The Villas, for sharing your puppies!

Also - Did you know that Washington, D.C. was not the first capital? Philadelphia served as the temporary capital of the newly created United States of America between 1790 and 1800, while D.C. was being built. (BestLife.com/American Facts)

Drive by Greetings Parades are the current trend at St. Paul’s these days while visitation for our residents is still restricted. The Villas—by neighborhoods—held parades in June and have scheduled another set to be held in July (see page 15 for details). The Heritage also held two parades and Jones Serenity Lane and Circle will hold theirs on July 7 at 1:30 p.m. (rain date: Friday, July 10 at 1:30 p.m.) and July 21 at 1:30 p.m. (rain date: Friday, July 24 at 1:30 p.m.) respectively.

Families, friends and neighbors lined up in their cars decorated with signs, and balloons and even brought gifts for their loved ones and candy to share with their neighbors. They brought babies and pets to wave out the windows, too. Residents lined the sidewalks, also with signs and messages letting their families know they are all doing well. Enjoy these photos and check our web gallery for more! www.stpauls1867.org/about/photo-gallery
