The Auxiliary of St. Paul’s Announces New Project at Annual Meeting

The Auxiliary of St. Paul’s held its 46th annual meeting in the Headland Friendship Commons at The Villas on Saturday, May 18. Newly installed President Mary Ellen Bayuk (pictured at left) presented a check for $17,927 to CEO and President, Chris Wright completing the group’s current commitment for the purchase of a second transportation vehicle.

A new fundraising project was discussed and approved—the purchase of a new 14-passenger van that will benefit residents in all levels of care across campus. The van features a wheelchair lift, easy fold-away seating and a storage rack. The new vehicle will be used to transport residents to local community events, on weekly shopping trips and on special excursions throughout the year.

Since its inception, the Auxiliary has raised nearly a half million dollars for initiatives that have enhanced resident life on St. Paul’s campus including: The Garden of Love – Jones Serenity Circle Courtyard, a pergola at The Heritage, furnishings at The Villas, a kitchentte and rest room at the O.D. Anderson Pavilion, the dental suite at The Heritage, spas in various residences and more.

Installation of new board members also took place at the meeting. Pictured above, back row from left to right: Carole Langiotti, Treasurer; Mary Ellen Bayuk, President; Elaine Wilkins, Secretary; Rose Hoffman, Staff Liaison and Jennie Kather, Member at Large. In honor of Father’s Day, St. Paul’s would like to thank and recognize some of our gracious donors who have supported the annual Good Samaritan Appeal in memory of their father’s.

“My father, Harry Deter was, and still is, an inspiration in my life. He was a mild natured man who taught me the meaning of love, discipline, hard work and giving to others whenever the need was there. Many things that I do are a reflection of his life. He always put others first before himself and lived a long life until the young age of 96. We shared a special bond that I cherish to this day and when I think of him I can see his smile and the twinkle in his eyes.”

-Diane O’Brien
In loving memory of Harry Deter

“As I grew up to become a young adult he not only was my dad but became my best friend. He was the easiest going person I ever knew. He loved talking with people and visiting with friends and relatives. He came from a family of 9 siblings, served honorably in World War II as a marine and fought in the island of Saipan. One of the things I will always remember that he instilled in me, which I passed on to my children was, I quote, ‘no matter what you want to be in life always strive to be the best at what you do’. Another bit of advice from my dad was ‘always treat people the way you would like to be treated’.”

-Robert Jennings
In loving memory of Robert N. Jennings, Sr.

“My Mom and Dad, Adele and Franklin Lehosky, have been residents at St. Paul’s for some time. Over that time my dad developed Alzheimer’s disease and passed in 2010. I used to regret that we were not great communicators before he became ill. But, after his passing, I realize how much he has given me and I am truly grateful for that and am grateful for the care and support that St. Paul’s gave to him and continues to give to my Mom. I love donating to St Paul’s in Memory of my Dad. Happy Father’s Day, Dad.”

-Michael Lehosky
In loving memory of Franklin Lehosky

176 donors have answered the call so far, giving $23,359.61 to the Good Samaritan Appeal. You too can make a donation in honor or in memory of a loved one. These donors are helping to support St. Paul’s residents who can no longer afford to pay the full amount of their care.

How to Donate:
1.) Send a check payable to St. Paul’s to the Charitable Giving Department
2.) Donate on our website at www.stpauls1867.org

WELLNESS FAIR
Wednesday, June 19
10 a.m. - 2 p.m.
Headland Friendship Commons at The Villas
St. Paul’s Spiritual Council met for its quarterly meeting on Tuesday, May 7. The group welcomed Ann Fowler who will be coming on as a representative from The Colony. In addition to reviewing and previewing ministry plans, the Council authorized the following disbursements of weekly church offerings to the following charitable causes:

- $500 to the Good Samaritan Appeal
- $500 to Disaster Relief through the United Church of Christ
- $500 to the Greenville Relay for Life
- $500 for the summer fixer-upper ministry of His Work, His Way

We are grateful for the ability to share out of our bounty and respond to these various human needs.

Upon completion of our spring study of Paul’s Letter to the Romans, the weekly Bible Study groups were given a variety of possible themes to vote on as summer topics and have chosen two in particular. We will look at Women in the Old Testament (Deborah, Judith, Delilah, Jezebel) and then move on to study the Old Testament book of Daniel.

Newcomers are always welcome to join in! Both the study and the fellowship are good in all three locations:
- Heritage Bible Study in the Anderson Fellowship Hall on Wednesdays at 1 p.m.
- Ridgewood/Colony Bible Study in Harmony Hall at the Ridgewood on Thursdays at 10 a.m.
- Villas Bible Study in Headland Friendship Commons on Thursdays at 2 p.m.
A Message from Pastor Bill

Depends which foot the shoe is on

I was crossing College Avenue the other day after attending a meeting at Thiel College. I was in the crosswalk, approaching the middle of the street when I noticed that the car approaching from the north wasn’t slowing. State law requires vehicles to stop for pedestrians in the crosswalk.

As the car went speeding by, I noticed the handicapped placard hanging from the rearview mirror.

I have no idea why the driver was traveling fast and failed to yield, but I wondered how they would feel if they arrived at their destination and someone without a handicapped placard or license plate was parked in the handicapped spot.

People often are unhappy when others do things – or don’t do them – and it negatively impacts them. But I wonder if those people have done things that would sadden others.

We sometimes feel it is a great injustice or sin when we feel we have been wronged, yet we call our mistakes or omissions a slight mistake and say that it shouldn’t be a big deal.

In Chapter 6 of the Gospel according to Luke, Jesus says this in verse 31 about our treatment of each others: 31Do to others as you would have them do to you. In the verses prior to this, Jesus offers other words of wisdom: 27But to you who are listening I say: Love your enemies, do good to those who hate you, 28bless those who curse you, pray for those who mistreat you. 29Give to everyone who asks you, and if anyone takes what belongs to you, do not demand it back.

In chapter 13 of John’s Gospel Jesus announces to His disciples: 34A new command I give you: Love one another. As I have loved you, so you must love one another. 35By this everyone will know that you are my disciples, if you love one another.

It seems too often today we demand what we believe we are “entitled to” and do not care about others. Not only is this contrary to the Lord’s command, what does it say to those who we wish to encourage to become believers, and wonder why they don’t just jump at the opportunity?

The summer season offers many opportunities to share the love of God with others we engage, be they family, friends, those whom we have never met before. Will those we encounter come away sensing that the love of God has been shared with them and desiring to know more about what it means to follow Jesus, or hoping to avoid us if there are future opportunities for encounters.

May we go forth today and in the coming months to let others know that Jesus loves them, doing it through our actions as well as our words in how we encounter others.

— Pastor Bill

IMPORTANT: Securing Resident Valuables at The Villas

St. Paul’s strongly discourages keeping valuable jewelry, papers, money or other items considered of value at St. Paul’s. Should a resident of The Villas insist on keeping any valuables (monetary or sentimental) in their possession, the top drawer of each resident’s nightstand is equipped with a lock. Keys can be obtained from the admission office or through your social services coordinator. St. Paul’s also offers its residents the opportunity to open a resident fund account. This offers a convenient and safe alternative for keeping cash on hand. The money is kept in an interest bearing account and can be accessed through the receptionist from 8 a.m. – 9 p.m. daily for Villas residents.

Residents (or their family) should inform St. Paul’s of all valuable property upon admission and ongoing if new items are added to or removed from the resident’s possessions. Should any item be identified as lost or missing, it is important to notify the staff immediately upon discovery. St. Paul’s does maintain a lost and found log and will investigate any reports of missing items to the best of their ability. As per the admission agreement, the resident is responsible for obtaining at his or her own expense, any insurance coverage necessary to cover potential damage to or loss of any personal property.

Please feel free to contact Tammy Lininger, The Villas Administrator, with any questions.

Storage Units Available at Rust Colony Square

Rust Colony Square, located near The Keifer Building, includes storage units that are available for rent. We ask for a three-month minimum commitment with each rental agreement.

- 5’ x 10’ – $40/month
- 10’ x 10’ – $52/month
- 15’ x 20’ – $115/month (includes walk-in door + electric)

Contact Melissa Villard at 724-589-9613 ext. 1208 with questions or if you wish to rent a storage unit.

What is an occupational therapist?

Eating, dressing, getting in and out of a chair. In the course of daily life, we use many skills to accomplish even “simple” tasks. Standing up or using a fork is surprisingly complex. Nerve signals and muscles have to coordinate in a very specific order. A healthy body is a marvel!

We take these skills for granted until something interrupts our abilities. Arthritis, for instance, can make it hard to grasp a fork. A stroke may require a right-handed person to learn to do things with the left hand. The tremor of Parkinson’s can make dressing a challenge.

Occupational therapy can be used to help your loved one

- remain at home despite a chronic condition;
- recover from a surgery or other health event;
- relearn specific tasks or activities.

Occupational therapists have special training to help people overcome new challenges with the daily tasks of living. A therapist might show your loved one some exercises for better coordination. They might recommend special equipment or supplies. Maybe all that’s needed is a rearrangement of furniture in the house. Or a slightly different approach to doing the same thing.

Occupational therapy can be provided at home or in an outpatient clinic. It usually starts with a home visit. The therapist will

- watch your loved one perform various tasks;
- evaluate the home for safety and convenience;
- recommend exercises and/or home modifications;
- consider best options for transportation;
- develop goals based on your relative’s abilities, interest, and budget.

Participate in the visit if you can. That way you learn what might help your family member live to the fullest in spite of limitations.

Ask the doctor for a referral

If you think your loved one would benefit from knowledgeable guidance, ask the doctor for a referral. Occupational therapy is covered by Medicare. Also by Medicaid and most private insurances.

We are educating our staff that when pushing a resident in a wheelchair, they are to use foot pedals. We are strongly encouraging families to do the same. Regardless of the distance, whether 5 feet or 500 feet, our loved ones can get tired of holding their legs up and may unexpectedly put them down, creating the potential for injury.

It is understood that residents have personal preferences regarding the use of foot pedals, but with education and encouragement, most understand the reasons for our insistence. We wanted to share this information with you as friends and families to reinforce this practice of utilizing foot pedals when pushing residents.

As our ongoing staff education continues, we have some residents who often self propel themselves to where they are going. If they are self propelling, they don’t need the foot pedals; but we are encouraging the use of bags on the back of wheelchairs for convenient access to foot pedals should they need a helping hand to push them. If your loved one could benefit from a bag on the back of their chair for the pedals, and doesn’t currently have one, please let us know. We are happy to provide one.

If you have any questions, please feel free to speak with your neighborhood RN manager, Leann McCurdy, Director of Nursing or Tammy Lininger, Administrator. Thank you!

~ Resident Refrigerator Use at The Villas ~

While St. Paul’s does not encourage the use of personal refrigerators in resident rooms at The Villas, in keeping with our philosophy of person-centered care, should a resident desire to have a personal refrigerator, St. Paul’s will make every effort to accommodate the request should the resident and family agree to abide by the facility’s policy. It is important that you notify the admissions/social services department BEFORE you bring in a personal refrigerator. These personally owned refrigerators are subject to the same guidelines under Pennsylvania Department of Health, as those that belong to St. Paul’s. As such, these refrigerators are inspected by Department of Health during their annual survey and St. Paul’s is required to have a policy that delineates responsibility for ensuring that their standards are maintained.

The policy states the resident and/or family must provide and keep a thermometer inside their refrigerator so you can assure that the temperature is maintained below 41 degrees F. Furthermore, the resident and/or family are responsible for ensuring the refrigerator is kept clean and that perishable foods are discarded by expiration dates. St. Paul’s reserves the right to conduct periodic inspections of the refrigerators to ensure compliance with these guidelines. Failure to comply may result in the removal of the refrigerator from the resident’s room.

Please feel free to contact Tammy Lininger, Administrator at The Villas, 724-588-7610 with questions or concerns.

~ Clothing Reminder for Villas Families ~

If you are bringing in clothing for your family member, we like to be sure the items are labeled with the resident’s name. Please give them to your nurse or aide and they will make sure they are sent to the appropriate department for labeling. Note: all clothing should be labeled for inventory purposes. Thank you.

$ Casual Fridays were created to help support the Residents’ Life Enrichment Fund. Staff members participating in casual wear on Fridays are asked to please participate in the theme wear as listed and assist us in maintaining the Residents’ Fund through the purchase of a jeans sticker for $1.00. (Located at the reception area). Thank You!

We encourage family and friends to join us at any and all special activities planned at The Villas. If you’d like to take pictures, we ask you to please keep in mind that some of our residents have photo objections, and to limit your photos to only your loved ones enjoying the event.

~ Attention Dog Owners ~

St. Paul’s is proud to be an Eden Home, where families are able to bring their family pet in to visit with loved ones, but with so many dogs visiting, we ask that you please leash your pet while going from room to room. This is for the protection of our residents as well as for the other dogs here visiting. If you have any questions, please see Missy Nitch, Pet Committee leader. Thank you for your cooperation.

Also - a reminder: if you bring your pet to visit any of our residents, we must have a copy of their current vaccination record on file. The receptionists are able to make copies and will forward them to Rhonda Pipp. If you are unsure if there is already a current record on file, please feel free to contact Rhonda at 724-588-7610 ext. 1173.

Hud Artman (left), volunteer and resident at The Colony and Kathy Martorelli, volunteer and resident at The Heritage presented “A Resident Perspective of Living and Volunteering at St. Paul’s” at the 46th Annual Meeting of The Auxiliary of St. Paul’s on Saturday, May 18.

A very big THANK YOU to two resident/volunteers for sharing their stories and reminding all who were in attendance what a fulfilling and rewarding experience volunteering is.

Kathy enriches the lives of many by volunteering her time to visit with residents at The Villas, listen to their stories and find out about their lives. Kathy said, “I’ve truly found my niche. I am proud to be a part of St. Paul’s. I’ve lived here for six years and everyday has been a treasure.”

Hud has volunteered in many capacities since he became a volunteer nearly 11 years ago. Currently, he volunteers from home, scheduling appointment companions. “It’s a pleasure living here,” Hud said, “and volunteering is a great part of that.”

We thank Hud and Kathy for their constant dedication and for their part in making our community as great as it is! We’re often reminded that we couldn’t do what we do here without our volunteers and Hud and Kathy are great examples of that!

For more details, or to volunteer, contact Rose Hoffman at ext. 1135 or APPLY ONLINE at www.stpauls1867.org.
Celebrating Mother's Day at The Ridgewood

Painting Class at The Ridgewood

Elvis was in the building!
Residents, family members, staff and student volunteers enjoyed a very special evening on Saturday, May 18 at the Inaugural Spring Prom at The Heritage. The Reynolds Kiwanis Key Club, Builders and K-Kids escorted the residents into the Anderson Fellowship Hall for photos and helped serve snacks and punch. Everyone was dressed in their best and fun was had by all!

Elvis impersonator, Ronnie Navarra, entertained residents from all across campus on April 26. Residents sang along to their favorites and “The King” had people dancing in the aisles. He even handed out teddy bears and scarves to some enamored audience members.
