On Wednesday, May 19, in a collaborative celebration, Mercer County’s four chambers of commerce – Greenville Area Chamber, Grove City Area Chamber, Mercer Area Chamber and Shenango Valley Chamber – recognized the 2020 Mercer County 40 Under Forty Honorees at an outdoor event in Buhl Park in Hermitage, Pa. And our very own Leann McCurdy, Director of Nursing, was one of them! Congratulations, Leann! “I was very humbled and honored to be nominated,” Leann said.

Leann’s 12 year (and counting) career at St. Paul’s began in 2009 when she was hired as the RN Manager on the Willows neighborhood at The Villas. In 2011 she was promoted to Assistant Director of Nursing and in 2017 was named Quality Assurance Coordinator. Leann was named Director of Nursing in May 2019.

Leann was asked to detail her greatest professional accomplishment for the printed program that was given to all who attended the event. Here is her answer: “My nursing career began in Intensive Care. Caring for those who are critically ill was obviously stressful at times but also very rewarding. I obtained a solid foundation of skills as well as a deepened compassion for those I cared for. However, nothing I learned throughout my career prepared me for the last year of it. Getting through the pandemic has definitely been my greatest accomplishment thus far. Working through my own fears, my family’s fears, and my work family’s fears is something I am proud of. The physical and emotional challenges as well as keeping up with ever changing guidance and recommendations has been challenging at best. Myself and my team have accomplished more in this past year than we ever imagined we were capable of accomplishing.”

“Leann is very smart, capable and talented,” said Tammy Lininger, Administrator at The Villas. “[Director of Nursing] is a big job that is not for the faint of heart. She has a calm and steady nature that helps her manage the multiple competing priorities and demands and St. Paul’s is blessed to have her!”

When Leann was asked about her hobbies, the short answer was “I don’t have a whole lot of time for hobbies.” (See photo at right!) “But I absolutely love watching my kids in their sports and other activities.” We’re beyond thankful that Leann shares her time with us, too!

Each year 40 honorees are nominated for their amazing accomplishments, their dedication and willingness to serve our community. St. Paul’s has been fortunate to have a representative named to this list each year for many years running. We’re very proud of our team!
Willie Nelson that is! Willie turned 88 years old on April 29 and the crew on the Springs neighborhood at The Villas celebrated with a birthday party with refreshments and entertainment.

The Willie impersonator, Fitness Specialist Ron Ashbaugh (who's NEVER shy about donning a costume!), team members and residents all had a great time honoring the Country Music Legend!
From left: Bev Knapp and Dawn French, Life Enrichment Coordinator; Dolly Minckler; and Ruth Hill and Brenda Hawk, Personal Care Attendant at the Mother’s Day Brunch at The Ridgewood on Sunday, May 9.

The ladies had a great time making (and modeling!) their Kentucky Derby hats—traditional accessories for the occasion. At right: Charlene McCullough, below left: Joan Capone and below right: Shirley Hildebrand.

Above: several residents gathered in Anderson Fellowship Hall to watch YouTube videos of former Kentucky Derby runs to get them in the spirit. At right: It looks like Twila Dodson cleaned up playing Kentucky Derby BINGO!
**Opportunities for Gifts of Appreciation to Staff**

Many residents, clients, and families often ask how they can give back and say “Thank You” to the staff who have provided excellent care to their loved ones while living at St. Paul’s. These three funds give you the opportunity to do so:

1. A donation may be made to the Staff Appreciation Fund. This fund enables St. Paul’s to recognize all staff, i.e., to provide staff apparel, staff appreciation picnics, or gift cards for various occasions.

2. A donation can be made to the Staff Education Fund. You can define the education opportunity or leave it to the administrator’s discretion.

3. A donation of appreciation can be made to the Annual Staff Christmas Celebration. This donation can be given to the administrator or director and identified for the Staff Christmas Celebration and will be used to offset the cost and for staff gifts the night of the party.

If you would like to make a donation to staff for anything outside of these three funds, please see your administrator or director to talk about specifics.

**Employees may not accept individual gifts, cash or currency of any kind from a resident or family member. We appreciate your support of these guidelines in order for us to remain compliant with regulations and our corporate compliance policies.**

---

**Historic Pews Available for Purchase**

In the midst of renovating the Keifer Chapel, the pews have been removed and are being repurposed. There are a limited number of 4 foot pews for sale for $250 each. If you’re interested in purchasing, please contact Rita Clemente at ext. 1238.

---

**Policy on gifts and gratuities**

While residents, clients, and family members often wish to show their appreciation for the care and services rendered by St. Paul’s staff, St. Paul’s must ensure that residents, clients, and family members do not feel obligated to give St. Paul’s or its staff gifts or gratuities in order to assure a resident or client receives quality care. In order to comply with this policy St. Paul’s has set forth the following guidelines:

1. Employees may not ask or suggest that a resident or client, or any person acting on behalf of a resident or client should offer or give gifts or gratuities to St. Paul’s staff.

2. Employees may not accept cash or currency of any kind, including but not limited to tips from any source or individual. Employee bonuses and/or gifts provided by St. Paul’s do not constitute gifts or gratuities.

3. Employees may only accept non-cash gifts that do not exceed $10.00, and/or are shared by the whole staff. In order to be considered a non-cash gift, the gift cannot be converted to currency.
During the month of June we will turn our attention to four important Old Testament figures: Moses, David, Elijah, and Jacob, looking at their fears, their regrets, their challenges, their helpers, and the opportunities God presented them to do great things.

A Message from Pastor Julia

This month I want to lift up a few Scriptural fathers—three J’s—whose faith, leadership, and good care is well worth noting.

First, Joseph of Nazareth, the earthly father of Jesus. He was a carpenter, an obedient citizen, and a good and decent man. Before and after Jesus’ birth, Joseph is divinely advised what to do through a series of dreams, and he takes such counsel seriously. He ultimately marries Mary, accepts Jesus as his son, and raises him up in the Jewish faith tradition. Evidence suggests that Joseph was a man of faith and character, a committed father, and one who sought to fulfill God’s purposes for the good of all involved.

Next comes Jairus, the synagogue leader. He was a man of faith and a father in great distress on account of his young daughter’s serious illness. Having heard of Jesus’ power to heal, Jairus seeks him out and throws himself at Jesus’ feet, begging him for help. He maintains faith through Jesus’ delayed arrival and when others assumed hers was a lost cause. In Jairus, we see a father from times past who cared for daughters as much as sons; a father who provided stability and also reached out for help when needed; and a religious traditionalist who opens his heart to new ways.

Finally, there’s Jacob, the father of the twelve tribes of Israel—perhaps a surprising choice because he was known to be such a rascal. He was the twin who tricked his brother out of his birthright; the one who wrestled with God rather than submit to his will; and the father who showed favoritism with truly awful results. However, fathers—even great ones—aren’t perfect people. They make mistakes and sometimes have to work hard to become leaders in the eyes of their families once again. Jacob is noteworthy because of the relationship that continued between him and God even in failure. In Jacob, we see an imperfect father to whom God is a father; a father who is also a child, growing in grace across a lifetime.

Music has been described as “…the language of the soul,” “…the medicine of the mind,” “…the strongest form of magic.” It is all that and more for some residents at The Villas who have been dabbling in songwriting with music therapist, Cindy Legwaila. Below, we hear from Mary Wachob as she recounts being young and living on her farm. Thank you for sharing your story, Mary!

“The Family that Lived on the Farm” by Mary Wachob

Timmie the Cat and Rip the Dog
were my pets when I was young.
Goldfish in the fish bowl;
Birds in the cage.
Pigs in the backyard
were butchered in the fall
And the chickens from the chicken coop
were Sunday dinner, too.
Late afternoon we’d gather the eggs
for a fine breakfast.
Bacon, eggs & buckwheat pancakes
were so delicious.

We could see the robins in the tree;
the crow in the cornfield.
And late at night the hootey hoot
of the old wise owl.

Lulubell the goose
was for Thanksgiving.
There were rabbits all around the woods
which we caught in a trap.
All throughout the year
the animals fed us well.
This is the life
of living on the farm.

**Joy & Times**

—by Glenn Shollenberger

The month for weddings – almost here. June is coming to hear people say, “I do.”

Love from the heart to heart, take that avenue.
That lifetime vow – till death do us part.

Planning and flowers, dresses and friends
Honeymoon planned to their joy and life anew.
Everyone gathers to hear a pastor say, “Man and wife.”
To send them off to a God-given life.

When back home, we serenade for a great start,
Many flowers bloom during summer – joy to them.
Hopefully a family will boom for the ‘weds
We all are family, the plan that God has planned.
Our team members strive to provide excellent care and are encouraged to treat others as they would want to be treated. We invite you to recognize staff members who make a difference in life at St. Paul’s.

St. Paul’s will be participating in the second annual PA OH Gives, Giving Week through the Community Foundation of Western PA and Eastern OH, June 19-25, 2021. All proceeds during this week will benefit benevolent care at St. Paul’s through the Good Samaritan Fund.

Last year, St. Paul’s provided more than $5 million dollars in unfunded and benevolent care and we expect that number to increase this year. Benevolent care ensures that a resident never has to leave because of financial reasons. As there are times when a resident may reach a point where they have expended their assets and need assistance paying for their care.

Because of COVID-19, we have decided to postpone our biennial Caring Hearts on Fire Gala for another year, which benefits benevolent care at St. Paul’s. All proceeds to Giving Week will help make up some of the loss from that event.

An exciting part about Giving Week is that any donation that is made during this time will be matched by the Community Foundation on a prorated basis! The Community Foundation is not charging any fees, therefore, St. Paul’s will receive 100% of all donations with a breakdown of who made each contribution.

There are two easy ways to give:

1. **Credit Card** - Simply go online to donate through the Community Foundation, June 19-25, 2021 at www.paohgives.org. Click Programs and choose St. Paul’s.

2. **Check** - must be made payable to the Community Foundation of W PA & E OH with “St. Paul’s” in the memo line. You can either mail to the Community Foundation of Western PA & Eastern OH at 7 West State Street, Suite 301, Sharon, PA 16146 or drop off at St. Paul’s to The Charitable Giving Office in The Keifer Building. (If dropping checks off at St. Paul’s, please make sure to do so by 3:00 p.m. on Friday, June 25th.)
The Pros and Cons of Charitable Trusts

A charitable trust is a way to use your assets to benefit you, your heirs and your favorite charity at the same time. It can be set up during your lifetime or after, as part of your will. A charitable trust can be started with an outright gift of cash, real estate or appreciated securities.

### CHARITABLE REMAINDER TRUST

Provides you or your designated beneficiary with an income from the trust for life or a designated term of years. After that, the remainder goes to the charities you choose like St. Paul’s and your church.

There are two ways the income can be distributed - a fixed dollar amount from the trust each year or a fixed percentage of the principal each year.

### CHARITABLE LEAD TRUST

Provides your favorite charities with an income from the trust for a designated number of years first. After that, the remainder returns to you as the donor or to the beneficiaries that you’ve designated, such as your children.

Like a charitable remainder trust, the annual income payments can be a set dollar amount or a set percentage of the principal.

### PROS

- **Steady income** for you or your beneficiary
- **Financial support for your favorite charities** that can be counted on, even after your lifetime
- **Income tax deduction** for you in the year the trust is created, or spread out up to five years.
- **No capital gains tax** if you transfer appreciated stock to set up your trust.
  
  Example: Jack owns stock worth $100,000. He paid $10,000 for it 20 years ago. If Jack sells the stock, he will owe capital gains tax on the $90,000 profit. Instead Jack uses the stock to fund a charitable trust. He owes no capital gains tax AND he will receive an income for life!
- **No estate tax on the assets** that are in the charitable trust.

### CONS

- **It’s irrevocable** which means once you set it up, you can’t change your mind and take your assets back. The only thing you can change is your beneficiaries.
- **You have to give up personal control of the assets** in the trust. However if you have a financial planner that you have confidence in, they can manage your trust for you.
- **There is a cost to set up** a charitable trust, depending on who does it for you. There is also typically a yearly management fee.

#### St. Paul’s recommends that you speak to your financial planner and/or estate attorney to confirm if a charitable trust would be the right option for you and your unique financial situation.

St. Paul’s offers free set-up of charitable trusts through our partners - the Community Foundation of Western PA & Eastern OH and the United Church Funds.
