A Couple of Colony Crafters Donate Profits to St. Paul’s Initiatives

An inspiring friendship and business venture, “Nola’s Knits & Bits,” is the collaborative craft business of Nola McGranahan and Marge Fenton, two residents in The Colony. They presented CEO and President, Chris Wright with a check for $1,000 at the annual meeting of The Auxiliary at St. Paul’s on Saturday, May 19.

The donation is slated as the first payment toward the auxiliary’s new project – a second transportation vehicle to take residents to appointments, out for errands, on trips, outings and to events.

Nola’s husband, Lynn, was a resident at The Villas for more than four years. The couple had many experiences riding in the older wheelchair van, and Nola recalls them being “bumpy rides that were cold in the winter.”

The duo have been donating their profits back to St. Paul’s since they began their venture. Monies have been given to the Keeping the Promise campaign, to help purchase tables and chairs in the Rust Colony Square Pavilion and the fire pit project at Colony Square.

Nola and Marge are getting ready to embark on another season of craft shows. Marge sews everything from aprons to wine bottle bags, and Nola knits accessories like scarves, hats and boot cuffs and household items like wash cloths and dish scrubbies. Nola schedules the craft shows and handles the paperwork, and Marge delivers the wares and helps with setting up and packing up at the various venues.

“I’m so excited that our great partnership can help get more comfortable transportation for the residents, especially those in wheelchairs,” Nola said.

Alzheimer’s Association

JUNE 21, 2018

Join us in the lobbies of The Ridgewood, The Heritage and The Villas on Thurs., June 21—the summer solstice and “the longest day”—to help end Alzheimer’s.

Together, we will raise funds and awareness for care and support while advancing research toward the first survivor of Alzheimer’s.

We’ll also be recruiting walkers for our Walk-to-End Alzheimer’s team.

Good Samaritans Needed!

Residents, Family Members, Volunteers & Friends:
You are needed!

The annual Good Samaritan Appeal that was mailed in April hasn’t raised what it normally does for benevolent care. Yet more and more residents, who cannot afford to pay for the full cost of their care, count on benevolent care each year. Today, that’s 60% of the residents who live in The Villas and 22% of the residents in The Heritage and The Ridgewood.

You make that possible by giving to the Good Samaritan Fund. Will you consider making a gift today to help residents who run out of financial resources? It’s easy to give online at wwwstpauls1867.org. Just click on the Good Samaritan banner. You can also mail a check to:

A Message from Pastor Bill

“What’s the word?”

I knew a fellow some years ago who would regularly greet people with the phrase above. It was his way of asking what was new or what was happening in the person’s life he was speaking with, as well as did that person have anything important to share with him.

In chapters 2 and 3 of the Book of Revelation, we see Jesus offering “the word” to each of the seven churches. He speaks of what pleases Him with each, as well as what He is unhappy about.

There are some words that the Lord offers that cause me to reflect when I read them. The first is in His words to the church of Ephesus, (Rev. 2: 4) which in the Message – a contemporary translation – says, “But you walked away from your first love—why? What’s going on with you, anyway?

Jesus pointed out the importance of keeping our Lord first in our lives in the Sermon on the Mount, 33 But seek first the kingdom of God and His righteousness, and all these things shall be added to you. Matt. 6:33 (NKJV). He is specific that it is about His kingdom and His righteousness. His Kingdom where He will dwell with His followers for eternity, and His righteousness, in other words each of us being in right standing with Him personally. And we are assured as we do this, all the other things that we need will be taken care of by the Lord.

The second is found in the letter to the Laodicean church. In Revelation 3:15 15 “I know your works, that you are neither cold nor hot. I could wish you were cold or hot. Rev. 3:15 (NKJV). And then Jesus goes on to say that they are lukewarm, neither hot or cold, (the Message says they are stale and stagnant) that He has no time for them.

If asked how we should respond in matters of faith, I am guessing that most believers would say that the Lord wants us to be passionate about it – what we might call hot. Yet note that Jesus says He would prefer if they can’t be hot that they would be cold – rejecting things – than sort of lukewarm and wishy-washy.

Jesus’ words to these two of the seven churches remind me that we need to put matters of our faith, especially as it regards our relationship with our Lord and the Kingdom before all else, trusting Him to take care of our other needs. And, in this day when those who take a stand about matters of faith or other topics often receive criticism and rejection, we need to be passionate for our faith, never lukewarm which I see as taking no position for fear of offending someone.

So the Word is let us seek to put the Lord first in our lives and trust Him for other things, and to speak the word of faith boldly, not being lukewarm on such matters, to the glory of God.

—Pastor Bill Kirker

### IMPORTANT:
Securing Resident Valuables

St. Paul’s strongly discourages keeping valuable jewelry, papers, money or other items considered of value at St. Paul’s. Should a resident of The Villas insist on keeping any valuables (monetary or sentimental) in their possession, the top drawer of each resident’s nightstand is equipped with a lock. Keys can be obtained from the admission office or through your social services coordinator. St. Paul’s also offers its residents the opportunity to open a resident fund account. This offers a convenient and safe alternative for keeping cash on hand. The money is kept in an interest bearing account and can be accessed through the receptionist from 8 a.m. – 9 p.m. daily for Villas residents.

Residents (or their family) should inform St. Paul’s of all valuable property upon admission and ongoing if new items are added to or removed from the resident’s possessions. Should any item be identified as lost or missing, it is important to notify the staff immediately upon discovery. St. Paul’s does maintain a lost and found log and will investigate any reports of missing items to the best of their ability. As per the admission agreement, the resident is responsible for obtaining at his or her own expense, any insurance coverage necessary to cover potential damage to or loss of any personal property.

Please feel free to contact Tammy Lininger, The Villas Administrator, with any questions.

### IS A NEW MEDICARE CARD IN THE MAILBOX?

Beginning in April, Medicare started sending out new cards to all its members. The mailings will take place in waves. The person you care for may not receive theirs until later in the year.

You don’t need to do anything. The new card will arrive automatically. (The only exception to this is people who are enrolled in a Medicare Advantage plan. Those cards will remain the same, so no mailing expected.)

**Medicare benefits have NOT changed!** The program your loved one is enrolled in stays the same. Just the card is changing.

**Why change the card?** Primarily, it’s for security reasons. When Medicare first started, it made sense to use Social Security numbers as the identifying number for beneficiaries. That was before the age of identity theft.

**The Medicare Beneficiary Identifier (MBI).** Medicare is giving everyone new numbers. There will be no rhyme or reason or hidden meaning to the combination of numbers and letters assigned. Nothing to reveal information about the cardholder.

**Destroy the old card securely.** Shredding or burning the card is best. It does have your relative’s Social Security number. You don’t want that getting into the wrong hands!

**Watch out for scammers.** Sadly, there are always those who prey on elders during a change like this. Be aware that Medicare will telephone only if the beneficiary has phoned in and left a message requesting a call back. The insurance company for Part D (drugs) or Medicare Supplemental Insurance (Medigap) may call. But they will not ask for the Medicare Beneficiary Identifier. They will already know it. If someone calls and requests verification of the number, hang up immediately. Then call Medicare at 1-800-MEDICARE (1-800-633-4227).

You can sign up for notifications about the new card at medicare.gov/newcard/.

If you would like to register for access to the resident portal, please email jkather@sp1867.org or call 724-589-4646.

~ Resident Refrigerator Use at The Villas ~

While St. Paul’s does not encourage the use of personal refrigerators in resident rooms at The Villas, in keeping with our philosophy of person-centered care, should a resident desire to have a personal refrigerator, St. Paul’s will make every effort to accommodate the request should the resident and family agree to abide by the facility’s policy. It is important that you notify the admissions/social services department BEFORE you bring in a personal refrigerator. These personally owned refrigerators are subject to the same guidelines under Pennsylvania Department of Health, as those that belong to St. Paul’s. As such, these refrigerators are inspected by Department of Health during their annual survey and St. Paul’s is required to have a policy that delineates responsibility for ensuring that their standards are maintained.

The policy states the resident and/or family must provide and keep a thermometer inside their refrigerator so you can assure that the temperature is maintained below 41 degrees F. Furthermore, the resident and/or family are responsible for ensuring the refrigerator is kept clean and that perishable foods are discarded by expiration dates. St. Paul’s reserves the right to conduct periodic inspections of the refrigerators to ensure compliance with these guidelines. Failure to comply may result in the removal of the refrigerator from the resident’s room.

Please feel free to contact Tammy Lininger, Administrator at The Villas, 724-588-7610 with questions or concerns.

~ Attention Dog Owners ~

St. Paul’s is proud to be an Eden Home, where families are able to bring their family pet in to visit with loved ones, but with so many dogs visiting, we ask that you please leash your pet while going from room to room.

This is for the protection of our residents as well as for the other dogs here visiting. If you have any questions, please see Missy Nitch, Pet Committee leader. Thank you for your cooperation.

Also - a reminder: if you bring your pet to visit any of our residents, we must have a copy of their current vaccination record on file. The receptionists are able to make copies and will forward them to Rhonda Pipp. If you are unsure if there is already a current record on file, please feel free to contact Rhonda at 724-588-7610 ext. 1173.

FRIDAY, JUNE 1 — GONE FISHIN' Andy Griffith, who starred as Sheriff Andy Taylor of Mayberry, was born on this day in 1926. Did you know that the theme song that is whistled in the beginning of The Andy Griffith Show is called “The Fishin’ Hole”? “What a fine day to take a stroll and wander by The Fishin’ Hole, I can’t think of a better way to pass the time o’ day.” Romeo, the cockatiel on the Gardens neighborhood, has a rendition of this in his repertoire of whistles! Wear your fishin’ shirt or a green tee along with jeans/shorts of appropriate length! In the afternoon, we’ll be taking a trip to the local fishin’ hole.

FRIDAY, JUNE 8 — LEMONADE OUT OF LEMONS DAY. Q: What do you get when you cross a cat and a lemon? A: A sour puss. Q: Why did the lemon go out with a prune? A: Because she couldn’t find a date. Patti & Bob Chovan—Thank you for all that you do for our residents. The men loved the shirts that you provided. One of them expressed not having a new shirt in a REALLY long time. I appreciate you both very much.

St. Paul’s will soon launch a new service model called Community Living that fills a void in the services we currently offer. We are excited to share the details!

**What is Community Living?**
St. Paul’s Community Living places three residents in a three-bedroom ranch-style home located in the Greenville community with Without Walls Care Partners providing services 24 hours/day. Care Partners will assist with all activities of daily living, including meal preparation, housekeeping, etc.

**Who will be served by Community Living?**
Residents who are no longer able to live at home alone, are nursing home eligible, but are not in need of skilled nursing-level care will be candidates for Community Living.

**When will Community Living begin at St. Pauls?**
We are currently renovating two homes in Greenville that are scheduled to be ready for occupants by the end of June. We are hopeful that licensing requirements are also in place at that time.

**Why Community Living?**
Community Living will enable us to reach a population in need of services that we haven’t been able to reach before and will also fill a great need in the community.

**How will Community Living be staffed?**
Without Walls Care Partners will staff the community residences. St. Paul’s Community Living will be under St. Paul’s Without Walls in our organizational structure.

**Who will pay for the services?**
Residents will have the option to pay privately and qualifying residents may also utilize Medicaid Aging Waiver dollars to help cover the costs of services.
