125 donors have answered the call so far, giving $11,054.12 to the Good Samaritan Appeal. These donors are helping to support St. Paul’s residents who can no longer afford to pay the full amount of their care.

Joan Waldschmidt of Pittsburgh, has supported St. Paul’s for more than 20 years. Her mother, Marie Waldschmidt, moved to the Health Center at St. Paul’s in 1987. Marie lived in the neighborhood for individuals with dementia for eight years until she passed in 1995.

“I feel as though St. Paul’s is a great place,” said Joan. “I would love to end up living there one day.” Joan continues to support St. Paul’s because she believes in the mission and that they provide quality care to their residents. “The residents are so involved there,” said Joan. “The administration and staff want the residents to feel as though they are participating in their own care. People go there to live not to die.”

Joan is affiliated with the Allegheny Open Arms United Church of Christ and has been a member of The Auxiliary of St. Paul’s for 23 years. The Auxiliary of St. Paul’s provides financial support through fundraising efforts to purchase items that enhance the lives of residents at St. Paul’s.

Joan is a true good samaritan. She provides peace of mind for residents at St. Paul’s who can no longer afford to pay the entire amount of their care. Thank you Joan for your kindness and generosity.

Thank you to everyone who has donated so far to the Good Samaritan Appeal!

PLEASE NOTE DATE CHANGE for the May Grief and Loss Support Group meeting.

Weekly Bible Studies welcomed newcomers during Lent

Our three weekly Bible Study groups at St. Paul’s are finishing up our Lenten Study of Paul’s Letter to the Romans. We learned that, different from his letters to other congregations, Paul didn’t write Romans in order to pastorally address issues they were dealing with as new Christians. Instead, Paul wrote to the Romans—Christians who had been evangelized by someone else—in order to introduce himself and his understanding of the faith, in hopes of their becoming partners together in future mission endeavors. Romans is, thus, a systematic exploration and explanation of subjects like sin, justification, and newness of life, all of which made for spirited and seasonally-appropriate study for the Lenten season. We held out two passages—Romans 6 in which Paul speaks of our dying and rising with Christ and Romans 12 where Paul talks about ethical implications of life in the Spirit—for after Easter.

Also in the post-Easter mix is some follow-up study and discussion on questions arising out of some of our recent class meetings. I just love it when our time together leads to further thought and when further thinking results in questions! I look forward to our coming together around such questions across the weeks ahead. When we’re done dealing with those, we’ll move on to other topics.

We were glad to welcome several newcomers to the Ridgewood Bible Study across the Lenten season and are glad for the participation of our residents all across campus.
Honoring and loving

It seems that the month of May has become a month devoted to honoring others. Sunday, May 12 is Mother’s Day. Who deserves our honor and love more -- other than our Lord – than mothers?

Monday, May 27 is Memorial Day, a day to honor those who have paid the supreme sacrifice to keep our nation safe and strong. I would suggest not only honoring deceased veterans, but also lovingly thanking a living veteran for his or her sacrifices.

But at the beginning of the month there is also a special day: Thursday, May 2 is this year’s National Day of Prayer. The theme for this year is “Love One Another.” It is based on the Scripture passage found in the Gospel according to John 13:34 – “Love one another just as I have loved you.”

In announcing the theme, Dr. Ronnie Floyd, president of the National Day of Prayer, said, “Love can change America.” The pastor and former president of the Southern Baptist Convention continued, “We need a baptism of love by the Holy Spirit that will immerse the entire Church of Jesus Christ in America and a baptism of love that will immerse all of America today, from the church house to the state house and all the way to the White House, we need to learn to love one another.”

So, what should be our response? Pray for our nation, on May 2. Pray in your home, or wherever you may be. If possible, join with others in a NDP event or other places where believers concerned for our nation have gathered. It is estimated that across the nation last year, more than 50,000 prayer observances were held, including one here in Greenville that is coordinated annually by the local Kiwanis Club.

But, don’t limit your prayer for our nation to this one day. Pray daily that God would bring unity and restoration to our nation, that His love would be felt by all.

In 2 Chron. 7:14 we read: “If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.”

— Pastor Bill

Keeping your marbles: reducing dementia risk

If you have a relative with Alzheimer’s or one of many other dementia conditions, it’s natural to wonder about your own risk.

While there is no cure as yet, there is increasing evidence that lifestyle changes in middle age may do a lot to delay the onset of memory loss.

The plaques and tangles of Alzheimer’s, for instance, appear to start accumulating in the brain decades before symptoms show up.

There is plenty you can do.

One of the foremost findings of prevention research is that heart health and brain health are strongly related.

- **Get physical.**
  Brain cells need lots of oxygen to fire properly. This is probably why 20% of the blood pumped by the heart goes to the brain. Aerobic exercise keeps the blood circulating well. This supports overall brain function and reduces high blood pressure and the chance of stroke or vascular dementia.

- **Guard your sleep.**
  Evidence is mounting that sleep is essential to brain health. It’s when our brains do important cleanup, getting rid of the daily buildup of sludge. While it’s tempting to squeeze more hours out of the day, your brain needs you to sleep!

- **Take depression seriously.**
  Mental health also affects brain health. Depression is very common in middle age, and it’s treatable. If you find yourself feeling blue and apathetic, talk with your doctor.

- **Learn new things.**
  “Use it or lose it” applies to our brains and thinking capacity too. Continue to learn new skills, especially in social settings. Taking classes seems to delay the onset of memory and thinking problems. Challenge yourself!

It looks like it’s never too early to start your own risk reduction program. And it’s also never too late. The benefits accrue no matter when you start, but get going now for the best advantage.
Transportation Reminder

We ask that all residents be ready and waiting 30 minutes before their appointment time unless otherwise notified. Residents at The Villas, Heritage and Ridgewood are asked to wait in the lobby.

Every day might seem like “the longest day” to an individual suffering from Alzheimer’s disease—and likewise for their caregiver. Each year, the Alzheimer’s Association uses June 21 (the summer solstice and the longest day of the year) to promote Alzheimer’s awareness and raise funds for the fight to end Alzheimer’s disease.

There will be a table in The Villas Lobby from sunrise (5:48 a.m.) to sunset (8:59 p.m.) on Friday, June 21 with treats available for a donation, a gift basket raffle, educational information and information on how to join St. Paul’s team for this year’s Walk to End Alzheimer’s.

All monies collected on The Longest Day will support the St. Paul’s team in the Walk.

PLEASE NOTE: THE DATE FOR THE 2019 WALK TO END ALZHEIMER’S HAS BEEN MOVED TO SATURDAY, OCT. 12

~ Resident Refrigerator Use at The Villas ~

While St. Paul’s does not encourage the use of personal refrigerators in resident rooms at The Villas, in keeping with our philosophy of person-centered care, should a resident desire to have a personal refrigerator, St. Paul’s will make every effort to accommodate the request should the resident and family agree to abide by the facility’s policy. It is important that you notify the admissions/social services department BEFORE you bring in a personal refrigerator. These personally owned refrigerators are subject to the same guidelines under Pennsylvania Department of Health, as those that belong to St. Paul’s. As such, these refrigerators are inspected by Department of Health during their annual survey and St. Paul’s is required to have a policy that delineates responsibility for ensuring that their standards are maintained.

The policy states the resident and/or family must provide and keep a thermometer inside their refrigerator so you can assure that the temperature is maintained below 41 degrees F. Furthermore, the resident and/or family are responsible for ensuring the refrigerator is kept clean and that perishable foods are discarded by expiration dates. St. Paul’s reserves the right to conduct periodic inspections of the refrigerators to ensure compliance with these guidelines. Failure to comply may result in the removal of the refrigerator from the resident’s room.

Please feel free to contact Tammy Lininger, Administrator at The Villas, 724-588-7610 with questions or concerns.

Resident Council meets the fourth Tuesday of each month at 10:15 a.m. All residents in The Villas are invited to attend.

~ Clothing Reminder for Villas Families ~
If you are bringing in clothing for your family member, we like to be sure the items are labeled with the resident’s name. Please give them to your nurse or aide and they will make sure they are sent to the appropriate department for labeling. Note: all clothing should be labeled for inventory purposes. Thank you.

Casual Fridays were created to help support the Residents’ Life Enrichment Fund. Staff members participating in casual wear on Fridays are asked to please participate in the theme wear as listed and assist us in maintaining the Residents’ Fund through the purchase of a jeans sticker for $1.00. (Located at the reception area). Thank You!

We encourage family and friends to join us at any and all special activities planned at The Villas. If you’d like to take pictures, we ask you to please keep in mind that some of our residents have photo objections, and to limit your photos to only your loved ones enjoying the event.

~ Attention Dog Owners ~
St. Paul’s is proud to be an Eden Home, where families are able to bring their family pet in to visit with loved ones, but with so many dogs visiting, we ask that you please leash your pet while going from room to room. This is for the protection of our residents as well as for the other dogs here visiting. If you have any questions, please see Missy Nitch, Pet Committee leader. Thank you for your cooperation.

Also - a reminder: if you bring your pet to visit any of our residents, we must have a copy of their current vaccination record on file. The receptionists are able to make copies and will forward them to Rhonda Pipp. If you are unsure if there is already a current record on file, please feel free to contact Rhonda at 724-588-7610 ext. 1173.

“Compassionate, Little Angels, Very Accommodating, Comforting” are just a few words Nancy McWhorter used to describe the Without Walls (WOW) Staff.

Nancy learned about WOW during a brief stay in the Meadows at The Villas after a brief illness in 2017. When she returned to her home she realized she needed a little help and the WOW Companions could assist her with laundry, shopping, taking her to the bank, grocery store, and post office until she got back on her feet.

In 2018, she contacted WOW again for a ride to an appointment in Pittsburgh. With her trusted companion by her side she was given the diagnosis of cancer. “I was devastated, it was like my doctor handed me a death sentence. Without my companion by my side I would not have been able to make it out of the doctor’s office that day.” A year later, Nancy is recovering at home, cancer-free and thriving.

She still uses WOW services when she needs to travel to Pittsburgh for appointments. One of her companions, when asked of Nancy said, “She just loves life and everyone involved with her. She is thankful for everything, just a positive, inspiring lady.”

Nancy described her feelings about WOW companionship this way: “Being wrapped up in a big warm blanket on a cold wintery day is what it feels like when I’m with my WOW companions!”
