As we continue to navigate through these challenging days and decipher the ever-changing messages we receive from many different directions, there is a noticeably consistent theme that keeps appearing throughout our community — positivity! It’s been nearly eight months of living an unprecedented existence at St. Paul’s, but we continue to hear positive reinforcement, see thoughtful gestures and feel confident that we have a strong community in which we can trust to support us all through this extraordinary time.

“I am thankful for my family and friends, but during this pandemic, I am most thankful that I live in The Colony at St. Paul’s. These days many of my loved ones and friends feel disconnected and isolated but that is something I have never felt, and least of all now. It’s amazing how creative our Life Enrichment Specialist is in providing activities that meet our needs. Thanks to the staff and residents in The Colony, living here enables me to engage in activities with other residents while complying with social distancing requirements.”

— Mary Ellen Bayuk, resident at The Colony

“Adjusting to change can be difficult on its own merit, much less contemplating gratefulness beyond it! Hearing idioms such as ‘look on the bright side’ sounds trite when we are in such challenging times, but there truly is value in keeping our focus on what good may come out of hardship. Here is what I have seen—heroes: staff who have worked innumerable hours to keep our home safe. Without hesitation, I have seen the St. Paul’s family rally to help when there have been personal tragedies. Outcomes such as creativity, ingenuity, comradery and resilience give us reason to have faith in our journey, no matter the terrain.”

— Mimi Dreher, Director of Life Enrichment, Villas

“Months later after missed vacations and family gatherings, etc. we continue to keep going forward. We all miss our ‘normal’ lives, but staying positive is the only thing we can do. I’m thankful and fortunate for working with caring, devoted, selfless coworkers. Mornings at the screening table are enjoyable for me, welcoming everyone to a new day and telling night shift ‘thank you for working last night,’ makes me feel good! A great thing that has come out of this, is that I got to know each of my team members, I got to know know their names and I will continue to greet them in the mornings while we get through this together!”

“I am thankful that I have been able to continue to work for the last eight months in an environment that provides me with the education and the equipment to keep me as safe as possible. And even though I really don’t look forward to being nasal swab tested, I am grateful that I am not waiting in my car for hours in a very long line so that a complete stranger will do the testing on me AND that I am not financially responsible for the test! (I can’t believe this is on my thankful list but it is!) And finally, I am thankful for my teammates. When I get frustrated with the challenges we face every day, someone will always make me laugh and that helps to get me re-focused.

— Robyn Weaver, Executive Assistant

We will continue to post updates and videos of Life at St. Paul’s on our website: www.stpauls1867.org/contact/covid-19-updates

To be added to a text message distribution list that notifies you when updates are posted to our site, please email your name, cell phone number and your resident’s name to: rclemente@sp1867.org.
We believe in the magic of Christmas at St. Paul's and would like to make Christmas extra special and memorable for the residents this year due to the many restrictions the pandemic has caused.

You can help keep Christmas merry and bright at St. Paul’s by giving to the annual Resident Christmas Appeal, which will be coming to your mailboxes and inboxes soon! Your generosity can ensure a Christmas gift for all residents at The Villas, The Heritage and The Ridgewood. For some this may be the only gift they receive. Any money raised beyond the cost of gifts go toward “wish list” items for all residents to enjoy throughout the year.

Please help us make this a Christmas to remember at St. Paul’s!

For more information, please call Teresa Findley, Director of Annual Giving at 724-588-7610 ext. 1237

If you are at least 70 1/2 years old, you can make charitable gifts directly from your IRA to St. Paul’s. This is called a qualified charitable distribution. This type of gift can satisfy your annual required minimum distribution.

What is a required minimum distribution?
When you turn 72, you must withdraw a required minimum distribution from your IRA by December 31 each year. The amount you have to take out is calculated by dividing your account balance at the end of the previous year by your life expectancy factor, which is set by the IRS. The required minimum distribution is taxable income. If you don’t need the income or don’t want it to raise your taxable income, you could make a charitable gift from that money instead.

Please note: the CARES Act eliminated the required minimum distribution for 2020.

Why should I still consider making a gift from my IRA if there’s no required minimum distribution in 2020?
It’s an easy and tax-efficient way to make a charitable gift without affecting your checking or savings accounts. During a time when you may want to keep your cash reserves on hand, you can still support the residents and the mission at St. Paul’s. When you make a gift from your IRA, you are giving away assets that haven’t yet been taxed, completely tax-free. You also lower your taxable IRA balance, which in turn reduces the your future required minimum distributions.

How much can I give?
There is no minimum amount for your gift. The maximum you can give is $100,000 annually.

For more information, please call Dawn Hartman at 724-588-9613 ext. 1214.
Opportunities for Gifts of Appreciation to Staff

Many residents, clients and families often ask how they can give back and say "Thank You" to the staff who have provided excellent care to their loved ones while living at St. Paul's. These three funds give you the opportunity to do so:

1. A donation may be made to the Staff Appreciation Fund. This fund enables St. Paul’s to recognize all staff. (i.e., to provide staff apparel, staff appreciation picnics, or gift cards for various occasions.)

2. A donation can be made to the Staff Education Fund. You can define the education opportunity or leave it to the administrator’s discretion.

3. A donation of appreciation can be made to the Annual Staff Christmas Celebration. This donation can be given to the administrator or director and identified for the Staff Christmas Celebration and will be used to offset the cost and for staff gifts the night of the party.

If you would like to make a donation to staff for anything outside of these three funds, please see your administrator or director to talk about specifics.

*Employees may not accept individual gifts, cash or currency of any kind from a resident or family member. We appreciate your support of these guidelines in order for us to remain compliant with regulations and our corporate compliance policies.*
November Bible Study: Harvest Themes in the Bible

Harvest season is a wonderful time of year in northwestern Pennsylvania. It’s also a rich Scriptural image which speaks of blessing, provision, and abundance brought to pass by grace, perseverance, and faith in God’s good plans.

This month we will look at Harvest themes in the Bible, favorite fall hymns, and enjoy special harvest-season treats together!

It is our hope that weekly Bible Study groups at St. Paul’s will be able to meet as scheduled for discussion and good fellowship.

When that is not the case in any given residence, keep reading your Bibles and remember one another in prayer!

A Special Thank You

Special thanks are extended to St. Paul’s Board member Larry Redfoot for a generous donation which helps to underwrite an ongoing bereavement outreach ministry carried out by the Spiritual Services department. Whenever a resident dies in our care, a book entitled, When You Lose Someone You Love is sent by St. Paul’s to their family members or personal representative as a means of support in their bereavement.

We want to lift up this outreach because many will, otherwise, never know about it and also because we regularly receive so much appreciative feedback for these books from those on the receiving end. Larry, a quiet and behind-the-scenes kind of guy, supports this outreach as one acquainted with grief himself and is glad, through it, to have a helpful impact on the grief journeys of others. We thank Larry for his kindness and pray that God will bless all bereaved persons with comfort and with peace.

Spiritual Council Sends Gift for Disaster Relief

St. Paul’s Spiritual Council has approved a gift in the amount of $500 to be given for Disaster Relief through the United Church of Christ. We thank those who have contributed offerings even though we are not gathering for in-person worship and are glad to share with those in need. Along with this gift, we offer our prayers for those along the Gulf Coast who have been hard-hit by tropical storms and hurricanes and those on the West Coast who are facing a fierce wildfire season.

Evening Devotions
with Pastor Nathan
A Message from Pastor Julia

Sunday, Nov. 1, is an important day at St. Paul’s in two different ways. Within the larger Church, Sunday, November 1 is All Saints’ Day, the day on which Christians give thanks for God’s saving promises given in Holy Baptism and ultimately fulfilled, upon death, by a welcome into his home in heaven. On All Saints’ Day people of faith rejoice in a life with God that extends beyond this earthly existence and pray in a special way for those who have died across the past year. This will be our focus during our Sunday morning worship broadcast at 10 a.m.

The first Sunday in November is also the date for our annual Service of Remembrance for residents who have died in our care—a somber, but meaningful service for the family members, staff and residents who take part. We have, in the past, held this service in-person on Sunday afternoon; this year the service will be prepared in advance and presented virtually, beginning November 1, via a link to our website. We give thanks for Colony staff and our IT Department with whose help we will continue to be able to lift up the lives of residents we have loved and cared for and connect with their families around gratitude and loss. We are also grateful for Colony resident Donovan Curtis and Meadows CNA Denise Brown who will be providing special music.

Grief is never easy, but this has been a year like no other. Many lives have been lost to the pandemic, and even non-Covid-related deaths have been affected by it in terms of restrictions on the rituals through which we conventionally share with the bereaved our comfort and support. We can’t help any of this, but we can be cognizant, first of all, of the sadness of loss in any season and, secondly, of the importance of personal connection as an aid through all life’s troubles. I think, this year, repeated check-ins with bereaved persons, sincere expressions of sympathy, and willingness to offer help and support are more valuable than ever as means by which God works healing in individual hearts and in the world at large. Ours is a community rich in compassion and love, and I think God can use these gifts mightily at this time.

Thank the Almighty for Our Needs

This month winter season begins. All is gathered in. Corn husked or shelled, grain in their bins. Thank God for bountiful crops and everything else. Everything comes from above. His blessing is love.

In November, Thanksgiving day comes. Special times like this, prayer and praise not amiss. Like everyday we live is bliss. A friendly kiss From heaven above is given so free. We don’t ask.

Fruit from gardens and orchards, wild on a hill, Give such enjoyment when gathering in to fill. Jars and jars of natures yield, what a thrill. Thanks for food during winter time, we can eat our fill.

Indians and pilgrims thanked God first. Everything peaceful and plentiful our history books list. I hope they will continue to give thanks daily. Some may forget or poverty give to brighten the way.

Thanks once again to Glen Shollenberger for sharing his perspective on the season and the spirit of gratitude!

Much yearned for live instrumental entertainment in The Villas courtyard on Friday, Oct. 9, was brought by Bonnie Campbell on a beautiful autumn afternoon. The warm sun and blue sky really boosted the residents’ spirits!

September 29 was “Inks and Drinks Day” at The Villas. Residents had a lot of fun and enjoyed some creative expression choosing colorful, temporary tattoos. Above (left) BFFs Brittany Little and Mark Sanderson got matching anchor tattoos!

SUNDAY, NOV. 1 — ALL SAINTS DAY — A day to honor the memory of those who have passed away. It is also time to change your clocks to Fall Back one hour. “Time has a necessary affinity with both heaven and the earthly reality. Pythagoras, when he was asked what time was, answered that it is the “soul of the world.” Plato said that time and heaven must be coexistent. Without time nothing can be created or generated in the universe, nor is anything intelligible without eternity. “Time is no accident or affection, but the cause, power, and principle of the symmetry and order that confines all created beings, by which the animated nature of the universe moves.” ~Kilroy J. Oldster Simply said, all in God’s timing.

A: They use fowl language! Wear your favorite HUNTING/CAMO COLORS!
