Many thanks to everyone who participated in supporting our St. Paul’s team in the Walk to End Alzheimer’s on September 8. We had an amazing representation of residents, families, staff and friends! Seven additional walkers registered that day and brought our team representation up to 43 registered walkers! To date, our team has raised $12,357. When all monies are collected and recorded we will be well-past our goal of $12,000!

We had several “champions” who raised in excess of $500 each for the cause; but every amount big or small all adds up to make a difference!

A Charitable Gift Annuity offers the best of both worlds. It’s a way to make a meaningful gift to St. Paul’s while providing you with an income for life at the same time! There are two parts to a charitable gift annuity. To get started, you make an investment of at least $1,000 in cash or through the transfer of securities. You will then receive these benefits:

1) Fixed Income for Life
When you establish a charitable gift annuity, you are setting up a steady income source for yourself for the rest of your life. Every year, you will receive a fixed, guaranteed payment from your annuity. How often you receive payments - annually, semi-annually or quarterly - is up to you.

2) A Safe and Secure Investment
St. Paul’s charitable gift annuities are administered through the United Church Funds, established in 1909 to manage the assets of hundreds of churches, conferences, associations and ministries of the United Church of Christ and faith-based organizations. The minimum you can invest is $1,000 and the maximum is $100,000.

3) Tax Savings
Establishing a charitable gift annuity may make it possible for you to save under the new 2018 tax law. The new standard deduction increased to $12,000 for individuals and $24,000 for couples. When you establish a charitable gift annuity, you will be able to take a charitable deduction that year. This could help you meet the new requirement to be able to itemize your deductions.

An added bonus - if you start a charitable gift annuity by transferring appreciated assets, such as stock, you will get to take a charitable deduction for the full value of the appreciated assets and you’ll avoid capital gains tax.

In addition to these initial tax savings, a portion of the annual income you receive from a charitable gift annuity is tax-free.

4) Make a Difference
After your passing, what remains in your charitable gift annuity becomes your gift to St. Paul’s. So in addition to the financial benefits, you will also have the satisfaction of knowing that you are supporting and enhancing the lives of St. Paul’s residents.

Here are the NEW RATES you can take advantage of now, and a sample illustration of the benefits you’d receive from setting up a $10,000 charitable gift annuity.

BLOOD DONATION FACTS FROM THE AMERICAN RED CROSS

- Every two seconds someone in the U.S. needs blood.
- Blood cannot be manufactured – it can only come from generous donors.
- The average adult has about 10 pints of blood in his body. Roughly 1 pint is given during a donation.
- A single donation can potentially save up to 3 lives.
- The number one reason donors say they give blood is because they “want to help others.”
- The Red Cross supplies about 40 percent of the nation’s blood supply and provides blood for patients in approximately 2,600 hospitals across the U.S.

This group welcomes: Caregivers, Care Partners, Family Members, Friends, Neighbors, Community Members and Professionals.
In September, our three weekly Bible Study groups began a fall study of St. Paul’s Letter to the Philippians. Early on, we have considered the many things the new believers in this congregation needed to learn about the teachings and practice of Christian faith and how Paul teaches these through word and example. We enjoyed good discussion around Paul’s opening prayer (1: 3-11) in which he lifts up regular prayer for one another’s spiritual progress as an important expression of life in Christian community. We went on to talk about the spiritual discernment which Paul hopes God will prosper in these believers. To that end we looked at the folk art painting “Wisdom’s Path” by Jan Richardson pictured at right.

The hands over the heart in this painting remind us that spiritual discernment represents a coming together of what’s in our heads and what’s in our hearts; the night sky of the background reminds us that discernment, like the stars, offers light and guidance in the midst of darkness and threat; and the swirling symbols beneath remind us that discernment is less often an instantaneous reality and more often a meandering path into greater meaning and understanding. Each week’s lessons are accompanied by examples of artwork, poetry, and hymnody which help to illustrate our theme, and we are enjoying this rich presentation.

Paul’s prayer for the Philippians and for all believers is “that love will abound more and more, with knowledge and all discernment, so that you may approve what is excellent and may be pure and blameless for the day of Jesus Christ, filled with the fruits of righteousness to the glory and praise of God.”

We’ll be continuing with Philippians all across the month of October. Newcomers continue to be welcome at our Bible Study sessions: 1 p.m. on Wednesdays at the Heritage in the Anderson Fellowship Hall; 10 a.m. on Thursdays at the Ridgewood; and 2 p.m. on Thursdays in the Villas.

St. Paul’s will celebrate World Communion Sunday 2018 on Sunday, October 7. Holy Communion will be served at all three worship services at the Heritage, Villas, and Ridgewood. Additionally, our Eucharistic Ministers, with the help of Life Enrichment Staff, will take Holy Communion to residents, family members, and staff in the Villas neighborhoods following the 10:00 a.m. service.

It is a blessing every week at St. Paul’s to be able to come together as Christian believers from a variety of backgrounds to worship, praise God, learn, pray, and sing. It is a special blessing on World Communion Sunday to gather around God’s table of grace, giving witness to our common spiritual hunger and to our common joy in being fed with love and forgiveness.
A Message from Pastor Bill

Who are you?

There are many ways that we can answer that question. And various ways that we can let people know who we are. Here at St. Paul’s our staff members wear badges that have our name, title and a photo. This serves a number of purposes.

First, it identifies that we are part of the St. Paul’s team both to the public and one another. And it lets others know what our role is here at St. Paul’s. These badges also allow us to access certain entrances to our buildings and places within each facility that are not open to everyone.

So, about now you are asking what does this have to do with our faith walk?

For believers in Christ, God knows us personally and completely, without the need for any type of name badge. In the Gospel according to Luke, chapter 12, Jesus speaks of our value and how well we are known by the Father, even to the point that God knows even how many hairs are on each of our heads.

Not only does the Lord know about us, He also knows what our needs are and He knows the plans and purposes that He has for us. God says through the prophet Jeremiah, chapter 29, that He knows the plans that He has for us, that they are plans to prosper us, to give us hope and a future.

In John’s Gospel, chapter 14, as Jesus is telling His disciples about Him going to the Father, He says in verse 6: “I am the way and the truth and the life. No one comes to the Father except through me.”

The access that we have to Father God through Jesus is so many more times greater than what my name badge can do for me in accessing certain areas of St. Paul’s. Because Jesus is the way, the truth and the life, He is THE ONE to seek and follow.

May we be encouraged knowing that through our relationship with Christ, we are completely known to our Lord and have total access to Him.

— Pastor Bill

St. Paul’s strongly discourages keeping valuable jewelry, papers, money or other items considered of value at St. Paul’s. Should a resident of The Villas insist on keeping any valuables (monetary or sentimental) in their possession, the top drawer of each resident’s nightstand is equipped with a lock. Keys can be obtained from the admission office or through your social services coordinator. St. Paul’s also offers its residents the opportunity to open a resident fund account. This offers a convenient and safe alternative for keeping cash on hand. The money is kept in an interest bearing account and can be accessed through the receptionist from 8 a.m. – 9 p.m. daily for Villas residents.

Residents (or their family) should inform St. Paul’s of all valuable property upon admission and ongoing if new items are added to or removed from the resident’s possessions. Should any item be identified as lost or missing, it is important to notify the staff immediately upon discovery. St. Paul’s does maintain a lost and found log and will investigate any reports of missing items to the best of their ability. As per the admission agreement, the resident is responsible for obtaining at his or her own expense, any insurance coverage necessary to cover potential damage to or loss of any personal property.

Please feel free to contact Tammy Lininger, The Villas Administrator, with any questions.

**Signature Strength: Wisdom**

Each of us has strengths . . . and, well, areas that could use improvement.

As a family caregiver, you may often feel inadequate. Or guilty. Or think that you aren’t doing enough.

Such negative self-assessments are common.

A more balanced assessment would acknowledge that you also have qualities that shine.

Most of us believe that to be better people, we need to focus on our trouble spots. Over the next months, we will be drawing on the science of “positive psychology,” which shows that cultivating what works is just as productive as scrutinizing the things that aren’t working well. For example, each of us has characteristic “signature strengths.” Wisdom may be one of yours.

**Wisdom and knowledge**

Are you the type of person others turn to when they need advice? If so, you probably have the strength of wisdom and knowledge:

- Curiosity and a love of learning
- Willingness to look at all sides
- Ability to change your mind
- A tendency to take time to reflect, look inward
- An understanding of social dynamics
- Empathy

**Wisdom is more than being smart.** It’s a special kind of intelligence that blends the heart and the brain. The more life experiences you have had—including losses—the more opportunities you have had to develop a wider perspective. The wise individual is able to listen to the heart but not be overcome by emotional extremes.

**Using both sides of the brain.** Wisdom is commonly associated with age. Brain studies reveal that older adults use both sides of their brain—the analytical side plus the more intuitive side—more equally than do younger adults. As one scientist put it, “they are in all-wheel drive.”

**Cultivate your wisdom.** Learning from the habits of wise individuals can help you foster this strength. Explore something unfamiliar. Try a new perspective. Pause and reflect. Strive to interpret the actions of others with kindness and compassion.

~ News from The Ridgewood ~
Join us for a short service and blessing of the animals that visit us or who are part of our St. Paul’s Family.

We encourage family and friends to join us at any and all special activities planned at The Villas.
If you’d like to take pictures, we ask you to please keep in mind that some of our residents have photo objections, and to limit your photos to only your loved ones enjoying the event.

~ Resident Refrigerator Use at The Villas ~
While St. Paul’s does not encourage the use of personal refrigerators in resident rooms at The Villas, in keeping with our philosophy of person-centered care, should a resident desire to have a personal refrigerator, St. Paul’s will make every effort to accommodate the request should the resident and family agree to abide by the facility’s policy. It is important that you notify the admissions/social services department before you bring in a personal refrigerator. These personally owned refrigerators are subject to the same guidelines under Pennsylvania Department of Health, as those that belong to St. Paul’s. As such, these refrigerators are inspected by Department of Health during their annual survey and St. Paul’s is required to have a policy that delineates responsibility for ensuring that their standards are maintained.

The policy states the resident and/or family must provide and keep a thermometer inside their refrigerator so you can assure that the temperature is maintained below 41 degrees F. Furthermore, the resident and/or family are responsible for ensuring the refrigerator is kept clean and that perishable foods are discarded by expiration dates. St. Paul’s reserves the right to conduct periodic inspections of the refrigerators to ensure compliance with these guidelines. Failure to comply may result in the removal of the refrigerator from the resident’s room.

Please feel free to contact Tammy Lininger, Administrator at The Villas, 724-588-7610 with questions or concerns.

~ Casual Fridays ~
Casual Fridays were created to help support the Residents’ Life Enrichment Fund. Staff members participating in casual wear on Fridays are asked to please participate in the theme wear as listed and assist us in maintaining the Residents’ Fund through the purchase of a jeans sticker for $1.00. (Located at the reception area). Thank you!

~ Clothing Reminder for Villas Families ~
If you are bringing in clothing for your family member, we like to be sure the items are labeled with the resident’s name. Please give them to your nurse or aide and they will make sure they are sent to the appropriate department for labeling.

Note: all clothing should be labeled for inventory purposes. Thank you.

~ Attention Dog Owners ~
St. Paul’s is proud to be an Eden Home, where families are able to bring their family pet in to visit with loved ones, but with so many dogs visiting, we ask that you please leash your pet while going from room to room.

This is for the protection of our residents as well as for the other dogs here visiting. If you have any questions, please see Missy Nitch, Pet Committee leader. Thank you for your cooperation.

Also - a reminder: if you bring your pet to visit any of our residents, we must have a copy of their current vaccination record on file. The receptionists are able to make copies and will forward them to Rhonda Pipp. If you are unsure if there is already a current record on file, please feel free to contact Rhonda at 724-588-7610 ext. 1173.

O grace!” — Rainbow Rowell, Attachments

FRIDAY, OCTOBER 12 — BLESSING OF THE ANIMALS — In the spirit of St. Francis of Assisi, we will have a short service and blessing of the animals that visit us or who are part of our St. Paul’s Family at 2 p.m. on the Bistro Patio (inclement weather location: HFC). Wear autumn regal red & jeans this casual Friday as we delve into the Fall season! At 10 a.m., Gina Toth will lead Creative Corner in the HFC! How is a bag of popcorn like an army? It has lots of kernels!

FRIDAY, OCTOBER 26 — ST. PAUL’S ANNUAL HALLOWEEN FUN FEST — Get into the fun of Halloween Festivities & wear a costume! Prizes will be awarded! Promoting a Culture of Caring & Recognizing our Team Members

Our team members strive to provide excellent care and are encouraged to treat others as they would want to be treated. We invite you to recognize staff members who make a difference in life at St. Paul’s. One way to recognize the good works of our staff is to submit a Caring Heart.

Caring Hearts are listed bi-weekly in the employee newsletter, and monthly in Campus Connections. We’ve created a link on our homepage to make it even easier for employees, residents, family and friends to recognize those who exemplify our culture of caring.

Visit www.stpauls1867.org and click STAFF RECOGNITION on the homepage. Next, click on “Submit a Caring Heart” and fill in the simple form.

Please Note: Submit ONE caring heart for EACH staff member you’d like to recognize.

We encourage all who submit a caring heart to do so through our website, however Caring Heart Recognition Cards are located around campus and can be turned into any receptionist or mailed to: ATTN Rhonda Pipp, St. Paul’s 339 East Jamestown Road, Greenville, PA 16125.

Understanding fall risk

Falls are a real concern for older adults
It is estimated that one out of three adults age 65 and older fall each year, and fall rates increase sharply with advancing age. Many of those falls cause serious injury – hip, wrist or vertebra fracture – or sometimes death. And falls can rob older adults of their independence, often resulting in a move to a nursing home or other supervised living situation.

Fear of falling can increase your risk of falls
Cutting back on physical activity leads to loss of strength, reduced muscle tone, balance problems, decline in overall health, and often depression – all of which makes it more likely you will fall again. It’s a vicious cycle.

Help is readily available
Many falls are preventable. The first step is to overcome fear and transform it into actions that help you avoid falls. Talk to your healthcare provider about your concerns, and use the checklist on the back to learn how to reduce your risk.

Lunch & Learn: Understanding Dementia & Alzheimer’s Disease

On Thursday, Sept. 6, St. Paul’s welcomed Lori Dierolf a Certified Dementia Practitioner and a Certified Alzheimer’s Disease and Dementia Care Trainer with the National Council of Certified Dementia Practitioners. She spoke to a room full of residents, family and community members about “Understanding Dementia & Alzheimer’s Disease.” Lori’s engaging and interactive presentation indeed gave participants plenty of “A-ha” moments. We also had an opportunity to draw “where we live” or “our dream car” while looking into a mirror (upside-down and backwards!) to simulate the confusion loved ones suffering from the disease(s) sometimes feel while processing information.

Lori also presented three additional programs for St. Paul’s staff on Wednesday, Sept. 5.

On Monday, August 27 Colony residents enjoyed a summer evening at Pymatuning Lake. Nearly 30 residents gathered and enjoyed pontoon boat rides and a cookout picnic at the Century Club.

Sinatra

Angelo Babbaro, Frank Sinatra impersonator from Youngstown, Ohio, entertained a large crowd at The Heritage on Saturday afternoon, Sept. 15. The talented performer even stuck around to pose for photos with residents, who thoroughly enjoyed the show!
The Annual Jamestown Parade outing took place on Saturday, Sept. 8. Thankfully, the rain held off so residents and staff from across campus could enjoy the festivities!
