2019 marked the 21st Annual Cruise-In & Rib BBQ at St. Paul’s. September 8 was a beautiful fall day which encouraged nearly one thousand car enthusiasts to come and enjoy more than 400 classic and historical cars on display.

Once again, this year’s event featured DJ Rick Armour. Rick has been spinning records for all 21 Cruise-Ins. Also featured were our dining teams famous BBQ ribs and those who partake had high reviews! Job well done team!

Nearly two dozen artisans and vendors sold their goods drawing the interest of many. A shout out of thanks to our many staff members and volunteers who gave their time and talents to help prepare and host this event. This annual gathering has grown to be grounds for priceless reminiscing and fellowship – a pure joy to witness!

Leaving a Legacy

October is National Estate Planning Awareness Month. Did you know just 4 out of 10 people have a will or a trust? Don’t leave your legacy to chance. By having an estate plan, you can reduce the tax burden for your heirs, make things easier for your loved ones, ensure your wishes are being carried out and avoid family disputes.

Here’s how to get started:

1. **Think about your goals for your estate plan.** Do you have children or a special needs loved one to provide for? Do you want to make a lasting impact at your favorite charity? Did you make verbal promises that you want to get into writing? Do you want to help your heirs responsibly manage their inheritance?

2. **Gather and organize data.** Take an inventory of all your assets and identify the beneficiaries for each.

3. **Contact an attorney or estate planner to begin working on your plan.** An expert will ensure you have all the necessary documents in place to meet your needs.

The Legacy Society at St. Paul’s

The Legacy Society recognizes the exceptional friends who have included a charitable donation to St. Paul’s as part of their estate plan. If St. Paul’s has been an important part of your life, caring for you or a loved one, please consider joining the Legacy Society. Every legacy gift makes an impact, ensuring St. Paul’s is here to provide quality care and a meaningful life for our residents far into the future.

**How Do I Become a Member?**
There is no minimum gift to qualify. You become a member if you name St. Paul’s as a beneficiary of:

◆ Your will or trust
◆ Your life insurance policy
◆ Your IRA, pension or other retirement plan
◆ Your charitable gift annuity

Then simply let us know. There is a short membership form you will be asked to complete.

**Membership Benefits**
You will be invited to the annual Legacy Society Luncheon where you will hear the latest news about St. Paul’s and how legacy gifts are making an impact on the lives of our residents. *Coming up on November 7!*

You will be recognized as a Legacy Society member on St. Paul’s website and in the annual donor report. By disclosing your intention to make a planned gift, others might be encouraged to make a planned gift as well. That means your gift could have an even greater impact!

In a culture that typically views aging as a period of decline, St. Paul’s Senior Living Community follows a philosophy of care that asserts that no matter how old we are or what challenges we live with, life is about continuing to grow. Care is not a one-way street, but rather a collaborative partnership.

---

Every person has a voice—an opportunity to contribute to this community.

---

Our residents and staff are described as “care partners,” each an active participant in the balance of giving and receiving care. Together, our care partner teams strive to enhance well-being by eliminating the three plagues of the human spirit: loneliness, helplessness, and boredom.

Loneliness is the pain we feel when we want companionship and meaningful relationships with others but do not have that. Loving companionship and taking the time to build meaningful relationships between residents and staff is the antidote to loneliness.

Helplessness is the pain we feel when we only receive care but do not have an opportunity to give care. To combat helplessness, our care partner teams do just that: care for each other.

Boredom is the pain we feel when our lives lack variety and spontaneity. Care partners create an environment in which fun surprises and spur of the moment interactions and activities can take place.
Update: Keifer Chapel Services

Following the Wednesday Morning Worship Service in the Keifer Chapel on September 11, those gathered entered into discussion as had been planned and, ultimately, decided to discontinue this monthly gathering for the present time.

These monthly services began in 2015 and have been a pleasant opportunity for Christian fellowship and for Pastors Bill and Julia to become better acquainted with Colony residents. For a variety of reasons (weather-related, movement into other facilities, and decline in mobility), attendance at this service has declined. At the same time attendance of Colony members at the Sunday morning worship services at The Ridgewood has grown! As the need for pastoral care and visitation all over campus is increasing, it seems best at this point to encourage Wednesday Morning worshipers to shift attendance to Sunday morning services instead. Anyone who needs transportation in order to attend worship at The Ridgewood on Sunday mornings, please be in touch with Mariah Corson or Pastors Bill or Julia.

We will continue to hold seasonal services in the Chapel at Christmas and at the beginning of Lent.

World Communion Sunday will be observed at St. Paul’s on Sunday, October 6. Holy Communion will be served at all three worship services, and our Eucharistic Ministers will offer Holy Communion on The Villas neighborhoods for residents, family members, and staff who are interested in receiving.

World Communion Sunday is observed by several Christian denominations that promote Christian unity and ecumenical cooperation. The tradition originated in the Shadyside Presbyterian Church in 1933, was adopted throughout the U.S. Presbyterian Church in 1936, and subsequently spread to other denominations. In 1940, the Federal Council of Churches (now the National Council of Churches), endorsed World Communion Sunday and began to promote it to Christian churches worldwide.

Help needed:
If there is anyone who would be willing to launder and iron communion linens, such help would be greatly appreciated! With the exception of Holy Week, there is generally at least a month in between Holy Communion services at St. Paul’s and, therefore, a leisurely amount of turn-around time. If you think you could help in this way, please be in touch with Pastor Julia at x 1145.
A Message from Pastor Bill

Reflecting on God’s Beauty

I have written other years about the beauty that is God’s creation that we experience in autumn – those magnificent bright hues that we see in the leaves.

Early in my work career, I was a newspaper photographer, and I tried to record on film autumn scenes from the mill at McConnell’s Mill to brilliant hillsides ablaze with color to using colorful branches to frame a white barn.

The breathtaking colors made it easy to catch the viewer’s eye and receive compliments. But in the 1970s nearly all photographs in small daily newspapers were printed in black and white, so I had to work hard with the composition of the photo so the editor would use it in a prominent place on the page and to attract the viewer to it.

There are times when the Lord’s blessings and encouragement are very evident and bring us His joy and His peace. But at other times – especially ones that are challenging – we may need to search for the Lord’s presence, examining our situation like viewers examined that black and white photo.

May you discover the Lord’s presence in your life, His peace and joy, not only in those technicolor occasions of joy but in the less evident times when you experience challenges.

— Pastor Bill

**IMPORTANT:**
**Securing Resident Valuables at The Villas**

St. Paul’s strongly discourages keeping valuable jewelry, papers, money or other items considered of value at St. Paul’s. Should a resident of The Villas insist on keeping any valuables (monetary or sentimental) in their possession, the top drawer of each resident’s nightstand is equipped with a lock. Keys can be obtained from the admission office or through your social services coordinator. St. Paul’s also offers its residents the opportunity to open a resident fund account. This offers a convenient and safe alternative for keeping cash on hand. The money is kept in an interest bearing account and can be accessed through the receptionist from 8 a.m. – 9 p.m. daily for Villas residents.

Residents (or their family) should inform St. Paul’s of all valuable property upon admission and ongoing if new items are added to or removed from the resident’s possessions. Should any item be identified as lost or missing, it is important to notify the staff immediately upon discovery. St. Paul’s does maintain a lost and found log and will investigate any reports of missing items to the best of their ability. As per the admission agreement, the resident is responsible for obtaining at his or her own expense, any insurance coverage necessary to cover potential damage to or loss of any personal property.

Please feel free to contact Tammy Lininger, The Villas Administrator, with any questions.

**Medicare Open Enrollment Tips**

Are you happy with your relative’s Medicare plan? If not, fall is the annual “Open Enrollment” period. This is when you can change plans for the coming year.

Open Enrollment for 2019 is October 15 to December 7.

Even if your loved one likes the current plan, consider any new diagnoses or prescriptions since last year. What was a good deal before may not be the best now.

**Here are some tips:**

The first decision is whether to go with “original Medicare” or Medicare Advantage. Then look at Part D and Medigap as needed.

- **Original Medicare Parts A and B.** These government policies pay 80% of the costs for services such as hospitals, lab work, and doctor visits. The premiums are usually deducted from Social Security checks. Patients can choose the providers they wish. Drugs are not covered.

- **Medicare Advantage Plans.** These plans are typically less expensive and all-inclusive. (You will not need to purchase Medigap and may not need to purchase Part D.) Patients go to a specific set of providers. You’ll want to confirm that the doctors, hospital, and pharmacy you prefer are “in network.”

- **Medicare Part D.** Think of “D” for drugs. Review your loved one’s medication list. Be sure those drugs are covered in the same dosages. Compare prices at approved pharmacies. One may offer a better deal than the others.

- **Supplemental or “MediGap” insurance.** These are optional policies. They are purchased to cover the 20% of fees not covered by original Medicare. Prices vary a lot! Lower copays at each visit will result in higher monthly premiums. So will the ability to choose between many providers. Be sure to read the fine print when changing policies. There may be extra fees, a physical examination, or a waiting period for preexisting conditions. Or the insurer may outright turn your loved one down.
Transportation Reminder

In order to be better served by our Transportation Department, please let the receptionist know of your needs preferably 48 hours in advance. We ask that all residents be ready and waiting 30 minutes before their appointment time unless otherwise notified. Residents at The Villas, Heritage and Ridgewood are asked to wait in the lobby.

Each pink Appointment Reminder Slip has this same request noted on the bottom of the paper as a reminder.

Opportunities for Gifts of Appreciation to Staff

Many residents, clients and families often ask how they can give back and say “Thank You” to the staff who have provided excellent care to their loved ones while living at St. Paul’s. These three funds give you the opportunity to do so:

1. A donation may be made to the Staff Appreciation Fund. This fund enables St. Paul’s to recognize all staff. (i.e., to provide staff apparel, staff appreciation picnics, or gift cards for various occasions.)

2. A donation can be made to the Staff Education Fund. You can define the education opportunity or leave it to the administrator’s discretion.

3. A donation of appreciation can be made to the Annual Staff Christmas Party. This donation can be given to the administrator or director and identified for the Staff Christmas Party and will be used to offset the cost and for staff gifts the night of the party.

If you would like to make a donation to staff for anything outside of these three funds, please see your administrator or director to talk about specifics.

Employees may not accept individual gifts, cash or currency of any kind from a resident or family member. We appreciate your support of these guidelines in order for us to remain compliant with regulations and our corporate compliance policies.

We are educating our staff that when pushing a resident in a wheelchair, they are to use foot pedals. We are strongly encouraging families to do the same. Regardless of the distance, whether 5 feet or 500 feet, our loved ones can get tired of holding their legs up and may unexpectedly put them down, creating the potential for injury.

It is understood that residents have personal preferences regarding the use of foot pedals, but with education and encouragement, most understand the reasons for our insistence.

We wanted to share this information with you as friends and families to reinforce this practice of utilizing foot pedals when pushing residents.

As our ongoing staff education continues, we have some residents who often self propel themselves to where they are going. If they are self propelling, they don’t need the foot pedals; but we are encouraging the use of bags on the back of wheelchairs for convenient access to foot pedals should they need a helping hand to push them. If your loved one could benefit from a bag on the back of their chair for the pedals, and doesn’t currently have one, please let us know. We are happy to provide one.

If you have any questions, please feel free to speak with your neighborhood RN manager, Leann McCurdy, Director of Nursing or Tammy Lininger, Administrator. Thank you!

~ Resident Council ~
Resident Council meets the fourth Tuesday of each month at 10:15 a.m. All residents in The Villas are invited to attend.

~ Resident Refrigerator Use at The Villas ~
While St. Paul’s does not encourage the use of personal refrigerators in resident rooms at The Villas, in keeping with our philosophy of person-centered care, should a resident desire to have a personal refrigerator, St. Paul’s will make every effort to accommodate the request should the resident and family agree to abide by the facility’s policy. It is important that you notify the admissions/social services department BEFORE you bring in a personal refrigerator. These personally owned refrigerators are subject to the same guidelines under Pennsylvania Department of Health, as those that belong to St. Paul’s. As such, these refrigerators are inspected by Department of Health during their annual survey and St. Paul’s is required to have a policy that delineates responsibility for ensuring that their standards are maintained.

The policy states the resident and/or family must provide and keep a thermometer inside their refrigerator so you can assure that the temperature is maintained below 41 degrees F. Furthermore, the resident and/or family are responsible for ensuring the refrigerator is kept clean and that perishable foods are discarded by expiration dates. St. Paul’s reserves the right to conduct periodic inspections of the refrigerators to ensure compliance with these guidelines. Failure to comply may result in the removal of the refrigerator from the resident’s room.

Please feel free to contact Tammy Lininger, Administror at The Villas, 724-588-7610 with questions or concerns.

~ Clothing Reminder for Villas Families ~
If you are bringing in clothing for your family member, we like to be sure the items are labeled with the resident’s name. Please give them to your nurse or aide and they will make sure they are sent to the appropriate department for labeling. Note: all clothing should be labeled for inventory purposes. Thank you.

Casual Fridays were created to help support the Residents’ Life Enrichment Fund. Staff members participating in casual wear on Fridays are asked to please participate in the theme wear as listed and assist us in maintaining the Residents’ Fund through the purchase of a jeans sticker for $1.00. (Located at the reception area). Thank You!

We encourage family and friends to join us at any and all special activities planned at The Villas. If you’d like to take pictures, we ask you to please keep in mind that some of our residents have photo objections, and to limit your photos to only your loved ones enjoying the event.

~ Attention Dog Owners ~
St. Paul’s is proud to be an Eden Home, where families are able to bring their family pet in to visit with loved ones, but with so many dogs visiting, we ask that you please leash your pet while going from room to room. This is for the protection of our residents as well as for the other dogs here visiting. If you have any questions, please see Missy Nitch, Pet Committee leader. Thank you for your cooperation.

Also - a reminder: if you bring your pet to visit any of our residents, we must have a copy of their current vaccination record on file. The receptionists are able to make copies and will forward them to Rhonda Pipp. If you are unsure if there is already a current record on file, please feel free to contact Rhonda at 724-588-7610 ext. 1173.
