We invite family members who may be interested in helping connect residents with their families to register as a volunteer and help support this initiative. We are training volunteers to serve as a HOST/HOSTESS.

Volunteers must be willing to commit to at least one, two-hour time slot per week. An orientation of duties and the opportunity to shadow with another Host/Hostess will be provided beforehand.

Some of the duties and responsibilities of the Visitor Host/Hostess include:

- **Educate** family members of the Visitation Guidelines to follow during their visit (maintaining social distancing, visitors and residents wearing masks during the entire visit, and NO personal touching)
- **Accompany** or direct visitors to the designated outside visiting location
- **Monitor** the location to make sure Visitation Guidelines are being followed and intervene as needed
- **Clean/sanitize** the visitation area at the conclusion of each visit before the next family/resident arrives

As a Visitor Host/Hostess you must register as a volunteer, must be comfortable wearing a face mask throughout your volunteer shift, be able to tolerate frequent hand washing, have a friendly spirit, and be able to move about the buildings and grounds at St. Paul’s, sometimes while pushing a wheelchair.

If you or a family member is interested in registering to volunteer to be a Host/Hostess, there are several ways in which to connect. Visit St. Paul's website at www.stpauls1867.org and click “Join Our Team” to register online. Call 724-588-9613 ext. 1135 and speak to Rose Hoffman, Director of Volunteer Services or email rhoffman@sp1867.org.

We will continue to post updates and videos of Life at St. Paul’s on our website: www.stpauls1867.org/contact/covid-19-updates

To be added to a text message distribution list that notifies you when updates are posted to our site, please email your name, cell phone number and your resident’s name to rclemente@sp1867.org.
St. Paul’s participated in PA OH Gives, Giving Week during the week of July 25-31 to raise funds for benevolent care at St. Paul’s. What a successful week it was! Over $61,000 was raised because of our generous and dedicated donors!

This was a first-time virtual giving event by the Community Foundation of Western PA and Eastern OH and was created to help local nonprofits like St. Paul’s who had to cancel fundraising events due to COVID-19.

Since St. Paul’s biennial Caring Hearts on Fire Gala is postponed for this year, we will be missing the $120,000 that is normally raised for the Good Samaritan Fund to benefit benevolent care.

The Good Samaritan Fund helps offset the annual cost of benevolent care for St. Paul’s residents who have exhausted their financial resources and cannot afford to pay the full cost of their care. 62% of the residents at St. Paul’s in skilled nursing care and 12% of those living in personal care depend on benevolent care.

An exciting part about Giving Week was that the Community Foundation had $130,000 available in match money to split between all organizations involved. St. Paul’s raised $47,371 and with the match we made an additional $13,782!

“We weren’t sure what to expect when we set our goal for $5,000 for this new event that the Community Foundation of Western PA and Eastern OH was hosting. We know COVID-19 has had a negative impact on a lot of people’s wallets this year,” said Teresa Findley Director of Annual Giving. “We were shocked and so excited with the results! St. Paul’s is so blessed with generous donors who truly care about the residents and want to make an impact.”

Thank you so much to everyone that gave and shared our videos on Facebook during Giving Week! Your support is so appreciated! We are overwhelmed by your generosity and can’t thank you enough!

Thank you so much to everyone that gave and shared our videos on Facebook during Giving Week! Your support is so appreciated! We are overwhelmed by your generosity and can’t thank you enough!
This year’s event will not be a large in-person gathering. Instead, we invite you to walk in small groups of friends and family while others in our community do the same during the week leading up to Sept. 12. All participants should follow CDC guidelines and local health recommendations when deciding to walk with those outside of their household.

On Saturday, Sept. 12 the Walk to End Alzheimer’s Committee will plant a Promise Garden at Buhl Park (near Pavilion #1) and are hosting a DRIVE-THROUGH ONLY parade from 9:30 to 11 a.m. that you can participate in to show your support of this important cause. Follow the posted signs to join the parade line up.

Opportunities for
Gifts of Appreciation to Staff

Many residents, clients and families often ask how they can give back and say “Thank You” to the staff who have provided excellent care to their loved ones while living at St. Paul’s. These three funds give you the opportunity to do so:

1. A donation may be made to the Staff Appreciation Fund. This fund enables St. Paul’s to recognize all staff. (i.e., to provide staff apparel, staff appreciation picnics, or gift cards for various occasions.)

2. A donation can be made to the Staff Education Fund. You can define the education opportunity or leave it to the administrator’s discretion.

3. A donation of appreciation can be made to the Annual Staff Christmas Party. This donation can be given to the administrator or director and identified for the Staff Christmas Party and will be used to offset the cost and for staff gifts the night of the party.

If you would like to make a donation to staff for anything outside of these three funds, please see your administrator or director to talk about specifics.

Employees may not accept individual gifts, cash or currency of any kind from a resident or family member. We appreciate your support of these guidelines in order for us to remain compliant with regulations and our corporate compliance policies.
Meet and Greet
with Pastor Nathan at The Colony

Pastor Julia and Pastor Nathan Seckinger will join in the Colony Walk-About on Tuesday, Sept. 1, as a means of introducing Colony residents to the new face of Spiritual Services at St. Paul’s.

Hope to see you then!

From Pastor Nathan
When Pastor Julia asked me to write a blurb for “Campus Connections,” a lot of things came to mind. The first thing I’ve learned is that St. Paul’s is much bigger than I thought. Though I have lived in Greenville for ten years, I had no idea how many people live here and work here. It has been really neat to see the number of people that are involved in so many ways. I have also been amazed at how friendly people are in the halls. No matter where you are, you are greeted with a hello or good morning. And everyone has been so welcoming and helpful. Let me take the time to say thank you to all of you who have made my first days here much easier. And I have also enjoyed getting to meet the residents on campus. As I look back on the first few days, it has been a great experience. And I’m excited about the future and what the days ahead will hold. As I said on my first Wednesday service, please feel free to stop me in the hall to introduce yourself and do it a few times. I’m not always great with names, but I do recognize faces pretty well, or I should say eyes and masks. And know my door is always open. My hope is to be of service and a help to all I meet. Thanks again for welcoming me to the team.

Blessings –
Pastor Nathan
A Message from Pastor Julia

In the life of the Church universal, September 14 is designated as Holy Cross Day. Holy Cross Day began back in the year 335 A.D. as a day of dedication for worship sites built in Jerusalem near the site of Jesus’ crucifixion. But, in any generation, Holy Cross Day offers Christians an opportunity to focus and reflect upon the cross as not only the central symbol of our religion, but also the means by which God worked salvation in the life of the world.

On Sunday, September 13, we will celebrate Holy Cross Day in advance in our Sunday worship broadcast. Across the month of September more broadly, our weekly Bible Study groups will consider the Cross of Christ from a variety of angles. We will look at how the cross is talked about in the Scriptures: as a means of humiliation, of reconciliation, of self-discipline, of glory, and as a judgment on the wisdom of the world. We will learn about different kinds of crosses and what they mean. We will look at hymns and poems that center on the cross. We will talk about specific ways the cross functions in our worship and devotional lives. And participants are invited to bring in crosses that are special and meaningful to them.

In all these ways, we will seek to grow in faith, gratitude, and fellowship around this symbol which is at the heart of who we are as believers in the Lord Jesus.

Almighty God, your Son our Savior Jesus Christ was lifted high upon the cross in order to draw the whole world unto himself. Mercifully grant all who have come to know your saving love through Jesus the grace to take up our cross and follow him. Amen

Her favorite memories are from going on a cruise in the Bahamas with her family.
She has traveled to many different places.
One of her favorite foods is pasta salad. She also enjoys watching movies, especially dramas.

~ News from The Villas ~

Many of us recall the excitement and anticipation we felt as children when we heard the tinkling bells of the ice cream truck in the neighborhood. Thanks to Kindred Hospice—who purchased a cardboard replica of an ice cream truck that fits over an electric wheelchair—our residents got to feel that same excitement! Our very own Dianna Mills, Life Enrichment Specialist at The Villas—met with many smiles and even applause, in some cases—played the part of “Good Humor Man” as she cruised up and down the halls and handed out cool treats to residents and staff.

September Transition
Hurrah for everybody who is feeding the kids! It’s labor day month, nothing to dread September seventh labor day comes The first Monday after the first Tuesday This is the month cool breezes blow free.

School already started where kids get smart College doors open, career thoughts at heart Some will be leaders - some left behind All because getting a degree was in their mind They all should know the Almighty Book binds.

Gentle breezes blow. The clouds show a change from summer to fall. The leaves begin to fall Trees lose that beautiful green, grass grows until Jack Frost comes along with a final kill. Just a recycle for God, another season, His will.

Thanks for sharing your talent, Glenn!
A particularly poignant poem this month by Glen Shollenberger, resident on the Gardens and resident poet!

FRIDAY, SEPTEMBER 4—SEPTEMBER IS NATIONAL WILDERNESS MONTH—Wear outdoor shirts/colors in appreciation of the preserved primitive landscapes unfettered by modern development. Outdoor activities this day if weather permits. Did you know these Wilderness Survival Basics? 1.) Have a plan beforehand in case of emergency 2.) Attitude: stay calm and assess the situation 3.) Find water. You can only go 3-4 days without water, but 3-4 weeks without eating 4.) Find shelter 5.) Know at least three ways to start a fire 6.) Know distress signal/ SOS = three long dashes followed by three short dashes and then three long dashes again 7.) Foraging for food – avoid leaves in groups of threes, or which smell bitter or have pointy parts 8.) Make weapons and tools if you have none 9.) Use the stars or the sun to find direction if you don’t have a compass.

MONDAY, SEPTEMBER 7—LABOR DAY HOLIDAY—We celebrate Labor Day to support the hard-working people in America! Thanks to all workers and especially our St. Paul’s employees! “Doing the best at this moment puts you in the best place for the next moment.” – Oprah Winfrey

TUESDAY, SEPTEMBER 22—NATIONAL CENTENARIAN’S DAY—Celebrate with those who are 100 years old and older this day! Be sure to send well wishes to our Centenarians! One hundred years ago, prohibition began, women in the U.S. could vote and men wore hats and suits. By 1920, the world was just coming out of one of the greatest pandemics it had ever known, the Spanish Flu. Families huddled around the radio and new styles of music were introduced such as jazz, blues & dance bands. The auto industry had begun to gear up. Imagine the countless changes and advances our Centenarians have witnessed and experienced! Nerts! (A 1920’s term for “that’s awesome!”).

FRIDAY, SEPTEMBER 25—FOOTBALL SEASON—Wear your favorite team’s colors or jersey this day! Enjoy our traveling tailgate wagon…hot pretzel nuggets with stadium sauce and a variety of brews and beverages to kick-off the fall season and a beloved sport! Enjoy fun football highlights on Ch. 1851 at 2 p.m.!

TUESDAY, SEPTEMBER 29—INKS AND DRINKS DAY—Neighborhoods will enjoy their favorite beverages along with the chance to get some temporary “ink!” We will have a variety of fun tattoos to choose from for embellishment! Interesting Note: “When Captain Cook and his crew sailed to Polynesia in 1769 many of the mariners were intrigued by the tattoos they saw displayed on the natives. Deciding to take part in the process themselves, the sailors returned back west wearing tattoos of their own, helping to coin the term “tattoo,” and sparking a wide spread interest in the art form.” (www.tattoodo.com)
Drive by Greetings Parades continue all around campus! The Villas—by neighborhoods—held four parades in August and have scheduled another set to be held in September (see page 16 for dates & times). The Ridgewood also will host another drive by greeting parade on Wednesday, September 9.
On Thursday, July 23 The Colony celebrated “National Gorgeous Grandma Day” with several mini photo shoots with some of our lovely residents. Each session had a personalized and meaningful theme. Enjoy these Gorgeous Grandmas!

Dee Henley has fond memories of taking motorcycle rides with her late husband, Merle.

Jan Easler loves her flower garden and enjoys crocheting. Her favorite color is purple!

A three generation family photo for Karen Ondo.
