Volunteers make a difference!

From offering companionship with one-on-one visits, to transporting residents to and from the fitness center and other activities, volunteers provide meaningful interaction and necessary support to our residents and team members. The presence and engagement of volunteers makes a significant difference in the lives of our residents.

Who can be a volunteer?
Indivduals of all ages are welcome to assist in a variety of positions. We also welcome student, community and church groups.

Volunteers are an integral part of daily life at St. Paul’s.

As we strive to nurture the human spirit and create life worth living on our campus, volunteers play a very important role. The support and assistance that volunteers provide enables our residents to participate and engage in the many activities and services that we offer. Volunteering your time allows our team to focus their efforts on providing quality, person-centered care.

St. Paul’s Volunteer Services Department offers many opportunities for you to share your gifts and enhance the lives of our residents.
