The members of our team strive to provide excellent care and are encouraged to treat others as they would want to be treated. We invite you to recognize staff members who make a difference in life at St. Paul’s.

Our culture of care encourages team members to employ actions and behaviors each day that foster our core values of security, compassion and person-centered care.

If a staff member does something that makes life a little better for you or someone you know, please submit a Caring Heart and give us the opportunity to recognize that individual.

Visit our website for easy access to our Caring Hearts submission form: https://www.stpauls1867.org/contact/staff-recognition/caring-heart

Behaviors and actions we encourage our team members to employ include: knowing and doing their job, respecting privacy and confidentiality, knowing the needs of others, communicating pertinent information, listening, being positive, being sincere and honest, and more. A complete listing is located on our website. We invite you to add other actions or behaviors you witness that promote our values.

Family members, residents, and co-workers share their thanks through a Caring Heart:

**Kathy Anderson**, a resident of The Colony shared: “I had a very heavy package left at the Keifer building after hours. I got it out the front door but could not carry it. Along came **Kevin Groce** and he asked if he could help me. I said oh yes, so grateful he stopped. He put the heavy box in my car and asked where I lived. I told him and he said he would follow me home. He carried the box to our front porch and helped me open it. I was so pleased to meet Kevin and his kindness in helping me is so appreciated. Kevin is truly a good person!”

**Christine Hittle**, a family member shared, “**Jesse Smith**, LPN, is an amazing nurse with a huge heart! Always kind and attentive. His actions and behavior that promote core values include teamwork, respecting the privacy of others, maintaining confidentiality, knowing the needs of others, adequately prepares, takes time to get to know others, promotes individuality, he encourages others, he considers feelings and preferences of others, he is sincere and honest and empathizes with others.

**Emily Pickering**, a fellow co-worker shared, “I would like to recognize a staff member for doing an extraordinary job. **Chris Arnold**, Dining Aide, came over to the Heritage to help out this weekend in dining. He was excellent! He plated the meals and desserts so nicely. He went the extra mile while making food for our residents. The food was hot the whole time. He even went around to fill up coffee and ask the residents if he could do anything for them. He showed them respect, kindness, and treated them like they should be treated. Our residents had nothing but great things to say about him. He has a great attitude, knows his job very well, and even quickly adapted to the Heritage. By the second day, he knew the residents’ names and faces. He did such a great job, that I felt the need to tell you all about this experience.”
Residents donned their summer headwear and lined the sidewalk at the The Villas on the afternoon of May 22 to enjoy a Classic Car Cruise that drove through the parking lot for their enjoyment!

On Friday, May 28 residents enjoyed a relaxing SPA DAY in the Headland Friendship Commons – it’s been quite a while since we’ve had this favorite activity! Individual pamper packets, soothing music and sweet indulgences were enjoyed by all...ahhhhh.
Friday, June 18 was “Under the Boardwalk” Day, commemorating the anniversary of the opening of the Steel Pier in Atlantic City, New Jersey. The Life Enrichment team at The Villas created their own Boardwalk in the Headland Friendship Commons with music, games, cotton candy, shelled peanuts, taffy and lemonade. Summer time has arrived at St. Paul’s!

There’s nothing better than feeling the sunshine on your face in summertime!

On June 4 residents gathered in the courtyard and celebrated summer with beachballs and bubbles!

And who doesn’t love a visit from Rusty Mills – the best volunteer doggie ever?!?!
Policy on gifts and gratuities

While residents, clients and family members often wish to show their appreciation for the care and services rendered by St. Paul’s staff, St. Paul’s must ensure that residents, clients and family members do not feel obligated to give St. Paul’s or its staff gifts or gratuities in order to assure a resident or client receives quality care. In order to comply with this policy St. Paul’s has set forth the following guidelines:

1. Employees may not ask or suggest that a resident or client, or any person acting on behalf of a resident or client should offer or give gifts or gratuities to St. Paul’s staff.

2. Employees may not accept cash or currency of any kind, including but not limited to tips from any source or individual. Employee bonuses and/or gifts provided by St. Paul’s do not constitute gifts or gratuities.

3. Employees may only accept non-cash gifts that do not exceed $10.00, and/or are shared by the whole staff. In order to be considered a non-cash gift, the gift cannot be converted to currency.

Check out our “Virtual” Ask an Expert Series Episodes

St. Paul’s “Ask an Expert” series has been a free educational program hosted at The Keifer Building featuring knowledgeable presenters from our community discussing meaningful topics of interest for older adults and families.

During the pandemic, when large in-person gatherings were discouraged, we developed a virtual format in order to continue to bring our experts and this important information to you.

Since last November, we’ve been interviewing experts from our campus and beyond and we hope you enjoy!

Opportunities for Gifts of Appreciation to Staff

Many residents, clients and families often ask how they can give back and say “Thank You” to the staff who have provided excellent care to their loved ones while living at St. Paul’s. These three funds give you the opportunity to do so:

1. A donation may be made to the Staff Appreciation Fund. This fund enables St. Paul’s to recognize all staff. (i.e., to provide staff apparel, staff appreciation picnics, or gift cards for various occasions.)

2. A donation can be made to the Staff Education Fund. You can define the education opportunity or leave it to the administrator’s discretion.

3. A donation of appreciation can be made to the Annual Staff Christmas Celebration. This donation can be given to the administrator or director and identified for the Staff Christmas Celebration and will be used to offset the cost and for staff gifts the night of the party.

If you would like to make a donation to staff for anything outside of these three funds, please see your administrator or director to talk about specifics.

Employees may not accept individual gifts, cash or currency of any kind from a resident or family member. We appreciate your support of these guidelines in order for us to remain compliant with regulations and our corporate compliance policies.
Supporting Actors in The Scriptures

There are many big names in the Bible — individuals who took on large roles in service to God’s good ends and fulfilled them well: Moses, Jesus, Peter, and the Apostle Paul, for instance.

There are, however, many more people who played “supporting roles” — who helped out those with higher authority or profile in one way or another while, for the most part, staying out of the spotlight.

During July, we will look at some of these “Supporting Actors” and see how God used them also to further his loving will.

Come join us! First Floor Conference Room at The Heritage Wednesdays at 1 p.m. & Harmony Hall at The Ridgewood Thursdays at 10 a.m.

Daily Bread Devotionals Available July 1

St. Paul’s will be providing quarterly Daily Bread devotional booklets to interested residents and staff, rather than the Upper Room devotionals that were previously distributed.

Daily Bread offers a Scripture reading, life application, and prayer for each day as an aid to growth in faith, discipleship, and service. The devotionals are free for the asking and offered in large-print version for all residents.

The large-print quarter begins July 1 and runs through to the end of September. Please be in touch with the chaplains, Life Enrichment staff, or The Villas receptionist if you would like to receive Daily Bread.

Devotional Resources for The Villas Neighborhoods

St. Paul’s Spiritual Council members from The Colony met in June to work on a new project: baskets of devotional resources for use by residents, small groups, and family members in The Villas neighborhoods.

Each basket includes a Bible, a Bible picture book, 2 folders of favorite hymns, a prayer book, grief and loss resources, rosaries and a collection of Catholic prayers, Daily Bread devotional booklets, “Need Prayer” cards, bookmarks, and other inspirational readings—all in large print. This project has been funded by a donation from Mrs. Pat Brugler and her husband, the late Rev. Dr. Ray Brugler, and we thank them for making it possible.

One of these baskets will be placed in each neighborhood in The Villas as of July. We hope those on the receiving end will look inside, let us know what they like, and offer suggestions as to other things that could be included. Thanks to Margie Hays, Rev. Glenn Sadler, Ann Fowler, and Bert Heckman who helped fill the baskets in June.
A Message from Pastor Julia

We’re always on the look-out for sign-posts pointing in a hopeful direction, and here are three of mine at this juncture.

Since May, Pastor Nathan and I have enjoyed five different “Faith and Fellowship” gatherings with residents from The Heritage, The Ridgewood, The Colony, and two different neighborhoods in The Villas. Some were indoors, some were outdoors, and all of them included devotions, Holy Communion, good company, ice cream, and special treats. On each occasion, it felt like such a blessing to be able to be together in-person and in a more relaxed and joyful manner, and we were very grateful!

Secondly, in late June, some members of the St. Paul’s Spiritual Council gathered in-person to further a project on which all the members have been working through correspondence, conversation, and email since February. Though we aren’t yet to the point of being able to gather representatives from different residences across campus all in one place, it was great to gather some of them and to accomplish something for the good of the whole in this time when so much has been “suspended” and “on-hold.” Thanks to our Spiritual Council!

Thirdly, I recently received a phone call from area musicians who have played for us in the past letting me know that whenever the doors of St. Paul’s open up to outside visitors, they want to be first in line to come. I was moved to hear that our community partners have missed us as much as we have missed them and that they are eager to resume shared and pleasurable activities here when it is deemed safe to do so. We’re not yet where we want to be, but these signs of hope and goodwill are sustaining me in the meantime and keeping me focused on a good future.

~ July 2021 Activities and Special Events at The Villas ~

Just a reminder: When residents are out and about, please ensure current Infection Control Guidelines are being followed as well as Foot Pedal regulation.

**FRIDAY, JULY 2 — STAR SPANGLED BANNER DAY** After witnessing the bombardment of Fort McHenry during the Battle of Baltimore in the War of 1812, Francis Scott Key wrote a poem that would later become our national anthem in 1931. (Wikipedia) Celebrate with patriotic colors in preparation for Independence Day. Enjoy music and refreshments that will put a Spark into your afternoon! (Held in the HFC or Neighborhoods, depending on the guidelines). Don’t forget to pick up American Trivia for a chance at a prize! ~ **Wear patriotic colors** ~

**SUNDAY, JULY 4 — INDEPENDENCE DAY** Celebrate with red, white and blue. “Although the colors did not have a specified meaning at the time the American flag was adopted, they were defined for the Great Seal of the United States in 1782: Red is a symbol of valor and bravery, white symbolizes purity and innocence, and blue signifies vigilance, perseverance, and justice.” (statesymbolsusa.org)

**FRIDAY, JULY 9 — DOG DAYS OF SUMMER** Release the Hounds! Bring your dog to work day, in accordance with St. Paul’s Pet Policy. Who knew? Dogs sweat through their paw pads. The “smell” center of a dog’s brain is 40 times larger than humans. Man’s best friend can count, understand more than 150 words, and even trick people or other dogs to get treats. Dogs sense the earth’s magnetic field. They like to do their “business” facing north or south, and spinning around helps them correctly orient their internal compass. Dogs have trouble distinguishing between different shades of green and red, which will mostly just appear as grays and browns. However, blue and yellow tones are relatively clear to them. (www.rd.com) ~ **Wear a summer shirt and a pawsitively pet-friendly aura this day!** ~

**WEDNESDAY, JULY 14 — SINKERS AND SUDS!** From 9:30 a.m. – 1:30 p.m., we will have the Sinkers and Suds Food Truck parked in front of The Villas! Residents and staff from The Villas, The Heritage and The Ridgewood may enjoy these delicious flavored mini donuts made fresh on site! A generous “dough-nation” is covering the cost for residents and staff! Weather permitting, we’ll top off our sweet treats with music by DJ. Stay tuned for more information.

**FRIDAY, JULY 16 — SUMMER GOLF DAY** Enjoy fresh air, spend time on the putting green, have a golf cart ride and taste an “Arnold Palmer” beverage by the fountain. (weather permitting of course). Golfer to caddie: “Why do you keep looking at your watch? I find it very distracting.” Caddie: “It’s not a watch, sir – it’s a compass.” 😊 Q: Where can you find a golfer on a Saturday night? A: Clubbing. 😊 Q: Why was Cinderella such a terrible golfer? A: Her coach was a pumpkin 😊 Richard Nixon was never much of a golfer. He played a little when he was vice president mostly because Eisenhower was so passionate about the game. Once during his own presidency while at Camp David, he ran into Henry Kissinger, “I scored 126,” he said. “That’s very good, your golf is certainly improving,” said Kissinger. “I was bowling, Henry,” Nixon replied.

**FRIDAY, JULY 23 — MARGARITAVILLE FRIDAY** Jimmy Buffet-style music, cocktails and mocktails outdoors (weather permitting). After all, it’s 5 o’clock somewhere! ~ **Wear your favorite beach style** ~ “More than one person has claimed to have invented the margarita. One of the most prevalent stories is that Carlos “Danny” Herrera developed the drink at his Tijuana-area restaurant around 1938 for actress Marjorie King. To make the liquor more palatable for her, he combined the elements of a traditional tequila shot—a lick of salt and a wedge of lime—and turned them into a refreshing drink by adding Cointreau or Triple Sec.” (smithsonianmag.com)

**FRIDAY, JULY 30 — FRIENDSHIP DAY** Celebrate your friendships this day. “A friend is one who overlooks your broken fence and admires the flowers in your garden.” ~ Anonymous

It’s A Grand Ole Flag
—by Glenn Shollenberger

One two three, Fourth of July, again.
Independence won by brave and free!
No bargain.
Memories of yester years,
only history remains
Keep Old Glory, our flag, full mast flying.

Fireworks, rockets, Roman candles all last–
God knows only what is done for Christ will last.
Take care my friends,
treat everything with love.
May other countries see the light that comes from above.

Step outside, look at the sky.
Walk in its light.
Our creator made Heavens and Earth for our delight.
He made Betsy Ross –
the red, white and blue.
Knowing the excitement it gives,
just for you!

This is a common concern we hear at St. Paul's and is completely understandable. No one knows what the future holds. However if you are pleased with the care at St. Paul's, perhaps you would consider a bequest as a way to both support St. Paul's charitable mission and ensure your assets are still available to you if you should need them.

What is a Bequest?
A bequest is simply a charitable gift made by including specific language in your will or trust agreement. A bequest can be for any amount you want it to be. You could designate a specific dollar amount for St. Paul's, a specific percentage of your overall estate, or the residual that remains after expenses and distributions to your heirs.

Why a Bequest?
1. It costs you nothing in your lifetime.
2. It may enable you to make a more impactful gift than you could otherwise.
3. It can be altered if you change your mind.
4. It reduces estate taxes in the future.
5. You'll be honored as a member of St. Paul's Legacy Society today.

How Does It Help?
As a not-for-profit, St. Paul's provides benevolent care for residents who cannot afford the full cost of their care. This means they never have to leave St. Paul's even if they exhaust their financial resources. We are able to do this because of supporters who donate each year to the Good Samaritan Fund.

The cost of the benevolent care that St. Paul's provides each year far exceeds the annual gifts that come in to support it. Bequests are typically larger gifts than a person can make annually and is future support St. Paul's can count on to help fund benevolent care.

SAMPLE BEQUEST LANGUAGE
The following information is intended to help you and your attorney when drafting your will or trust. If you have any questions, please contact Dawn Hartman, Director of Planned & Major Giving, at 724-589-4611 or dhartman@sp1867.org.

Specific Bequest - For gifting a specific amount, appreciated security or other asset to St. Paul's.
I give and devise to St. Paul Homes (Tax ID# 25-0773080), located at 339 E. Jamestown Rd in Greenville, PA, 16125 the sum of $ ____ (or ____% of my estate) to be used for its general support (or INSERT NAME OF FUND).

Residuary Bequest - For gifting the remaining portion of your estate to St. Paul's after specific amounts are distributed to other beneficiaries.
I give and devise to St. Paul Homes (Tax ID# 25-0773080), located at 339 E. Jamestown Rd in Greenville, PA, 16125 all (or ____%) of the residue of my estate to be used for its general support (or INSERT NAME OF FUND).

Contingent Bequest - For gifting your estate to St. Paul's if your heir(s) passes away before you.
In the event that (insert name) predeceases me, I give and devise to St. Paul Homes (Tax ID# 25-0773080), located at 339 E. Jamestown Rd in Greenville, PA, 16125 the sum of $ _______ (or all or ____% of the residue of my estate) to be used for its general support (or INSERT NAME OF FUND).
